VERMONT.

CAPITAL MONTPELIER.

Population of State, 355,956.
(U. S Census 1910,.)

Number of Physicians, 671.

Vermont was admitted as a state March 4, 1791.

The total land surface is, approximately, 9,135 square miles. It extends from 42 degrees to 45 degrees north latitude and from 71 degrees 25 minutes to 73 degrees 26 minutes west longitude, and is bounded on the north by Canada, on the south by Massachusetts, on the east by New Hampshire and on the west by New York. The climate is cold, and like most of the New England states, is marked by great extremes, the winters being severe and of long duration, and the summers short but extremely warm. The mean annual temperature as observed at Montpelier is 42.76 degrees, and the annual average rainfall about 36 inches.

The state is intersected by the Green Mountains. Their highest range extends from north to south nearly parallel to the western boundary and consists of several detached ridges which standing end to end, are separated from each other by the valleys of the streams emptying into Lake Champlain. A second range, lower but more continuous than the first, branches off and trends through the state in a northeasterly direction. It forms the watershed between the Connecticut river, which washes the eastern border of the state, and Lake Champlain, which washes the western. Some detached mountains rise near the Connecticut river. These mountains are covered with forests of evergreen, hemlock, spruce and other coniferous trees. There are numerous rivers and streams affording an abundance of never-falling water power. The entire eastern portion of the state is drained by the Connecticut river, which separates it from New Hampshire and receives the following tributaries. The Passumpsic, White, Queechy, Black, Deerfield, Williams, West, Saxton and Wells. The northern part of the state between the two ranges of the Green Mountains is drained by Lake Memphremagog, which re-

MOTHERSILL'S WRITE FOR PARTICULARS **Prevents, Stops Sea or Trainsickness**
MOTHERSILL'S REMEDY CO., (Limited)
300 Scherer Building - - Detroit, Mich.

ceives the Barton and Black rivers. Lake Champlain extends for 105 miles along the western border of the state and receives the Missisquoi, Winooski, Lamoille, Otter and Poultney. The southwest corner of the state is drained by small affluents of the Hudson.

For list of Medical Colleges, see page 151.

STATE BOARD OF HEALTH.

Pres, C S Caverly, M D, Rutland; Sec, H D Holton, M D, Brattleboro; Treas, F T Kidder, M D, Woodstock; Director of Laboratory, B H Stone, M D, Burlington; Sanitary Engineer, Prof J W Voty, Burlington; Inspector, H A Ladd, M D, Burlington.

MEDICAL LAW OF VERMONT.

Act 133 of the General Assembly of 1904 entitled "An Act creating a Board of Medical Registration," as amended December 14, 1908, is as follows:

It is hereby enacted by the General Assembly of the State of Vermont:

Section 1. A state board of medical registration is hereby created. Said board shall consist of seven (7) members, three (3) of whom shall be of the regular school of practice; two (2) of the homeopathic school of practice, and two (2) of the eclectic school of practice, and each shall be a graduate of a legally chartered medical college or university, having the power to confer the degree of medicine and surgery.

Three members of said board shall be appointed for a term of two (2) years, two for four (4) years, and two for six (6) years, and shall be appointed by the governor in the month of December, 1904, preference in said appointments to be given to the present members of the board of censors of the Vermont Medical Society, Vermont Homeopathic Medical Society, and the Vermont Eclectic Society.

The term of office of the members of the board shall begin on the fifteenth day of December next following their appointment.

Sec. 2. It shall be the duty of the governor biennially in the month of November, beginning in 1906, to appoint physicians as members of the board of medical registration, to fill the place of those whose term of office is about to expire, said physicians to be of the same school of practice as the physicians whom they are to succeed on the board, with the same proportion of regular, homeopathic, and eclectic physicians as constituted the original board; they to be graduates of a legally chartered medical college and in active practice of their profession, but no member of said board shall belong to the faculty of any medical college or university.

The appointments as provided in this section shall be made from a list to be nominated by the Vermont Medical Society, Vermont Homeopathic Medical Society, or Vermont Eclectic Medical Society, according as the term of office of the members representing each of these different schools of practice is about to expire, said list to contain at least twice the number to be appointed.

Such nominations shall be made at the annual meeting of the said medical societies during the year of the biennial session of the legislature. Such nominations shall be certified to by the president and secretary of said societies and transmitted to the governor not later than the 1st of November during the biennial session of the general assembly.

In case, however, that no nominations are made by the said medical societies, then the governor shall appoint such physicians as he may choose, having regard to maintaining the same proportions of regular, homeopathic, and eclectic physicians as constituted the original board.

Vacancies in said board shall be filled by the governor, and the person appointed to fill a vacancy shall hold office during the unexpired term of the member whose place he is to fill, and shall be of the same school of practice.

Any member of the board may be removed from office by the governor for cause.

Sec. 3. The members of said board of medical examiners shall meet at the state house in Montpelier on the second Tuesday in January, and at Burlington on the second Tuesday in July, and at such other times and places as they may determine for the purpose of examining applicants for a license to practice medicine and surgery in the state, and shall be empowered to issue such license to persons found qualified.

The board may make such rules and regulations not repugnant to the law of the state as may be necessary for the government of the board.

A majority shall constitute a quorum.

Sec. 4. At the first meeting of said board on the second Tuesday of January, 1905, and biennially thereafter, they shall organize by choosing from their numbers a president, secretary, and treasurer, who shall hold their respective offices for two years or until their successors are chosen.

Sec. 5. The secretary shall keep a record of the transactions of the board, and a separate record of the name, residence, college and date of graduation of all persons licensed hereunder.

The treasurer shall receive all fees for licenses issued and keep a just and true account of the same, and shall quarterly make a report to the state treasurer of all examinations given and licenses granted and pay into the state treasury all monies received by him for such examinations and licenses.

Sec. 6. Each member of the board shall receive four dollars a day for services rendered and necessary expenses for time spent in examining applicants and granting licenses; provided that if the amount received by said board for examinations, certificates and licenses is not sufficient to pay the per diem and expenses allowed said board, the auditor of accounts shall allow the expenses of said board in full and such percentage of the per diem that the expense to the state of the board shall not exceed the receipts of said board.

Sec. 7. A person twenty-one years of age and of good moral character, who is a graduate of a legally chartered medical college or university, having power to confer degrees in medicine and surgery, and such medical college or university being recognized as determined by the board, shall, upon payment of a fee of twenty dollars, be entitled to examination, and, if found qualified, shall be licensed to practice medicine and surgery in this state and receive a license signed by the president and secretary of the board.

Provided, however, that students who have completed the studies of anatomy, physiology, chemistry and histology may be examined after presenting a certificate from the secretary of the college in which they are pursuing their studies, that they have completed the work of the second year. The fee which shall accompany such certificate shall be one-half of that for the final examination and shall be credited to the student as a part of the whole fee. Practitioners graduated prior to the year nineteen hundred and one, under a lower standard, who have been five or more years in active reputable practice, may be examined by the board, if of satisfactory moral character, and if recommended as worthy by physicians in good standing. A person refused a license may be re-examined at a regular meeting of the board within one year of the time of such refusal, without an additional fee. Said board may refuse to issue certificates provided for in this section to individuals who have been convicted of the practice of criminal abortion, or who have, by false or fraudulent representations, obtained or sought to obtain practice in their profession, or by false or fraudulent representation of their profession have obtained or sought to obtain money or any other thing of value, or who assume names other than their own, or for any other immoral, unprofessional or dishonorable conduct, and said board may for like causes revoke any certificate issued by itself or the respective board of censors of the Vermont State Medical, the Vermont State Homeopathic, or the Vermont State Eclectic Medical Societies; provided that no certificates shall be revoked or refused until the holder or applicant is given a hearing before the board.

Sec. 8. The examination shall be wholly or in part in writing, in the English language, and shall be of a practical character, sufficiently strict to test the qualification of the applicant. It shall embrace the general subject of anatomy, physiology, chemistry, pathology, bacteriology, hygiene, practice of medicine, surgery, obstetrics, gynecology, materia medica, therapeutics and legal medicine. Each applicant shall pass a general average of seventy-five per cent, to entitle him to a license; provided, however, that reputable practitioners may be allowed one per cent, for each year of practice, but such allowance shall not exceed ten per cent. Examination in materia medica shall be conducted by the members of the board representing the same school as the applicant.

Each applicant shall pass at least an average of 75 per cent to entitle him to a license.

Sec. 9. A person to whom a license certificate is thus issued in order to make it valid shall within thirty days from date thereof, cause the same to be recorded in the office of the Secretary of State, in a book to be provided by said Secretary of State for that purpose, for which the record fee shall be twenty-five cents.

Sec. 10. Any person who shall practice medicine or surgery under a fictitious or assumed name, or who, not being licensed as aforesaid, shall advertise or hold himself out to the public as a physician or surgeon in this state, or sign a certificate of death for the purposes of burial or removal, shall be punished by a fine of not less than fifty dollars, or more than two hundred dollars, or by imprisonment in the House of Correction not more than three months, or both, and no action of any kind shall be had or maintained by any such person in any court in this state for the recovery of any compensation for such services.

Sec. 11. A person who advertises or holds himself out to the public as a physician or surgeon, or who assumes the title or uses the words or letters "Dr.," "Doctor," "Professor," "M. D.," or "M. B." in connection with his name, or any other title intending to imply or designate himself as a practitioner of medicine or surgery in any of its branches, and in connection with such title or titles, shall prescribe, direct, recommend or advise, give or sell for the use of any person, any drug, medicine or other agency or application for the treatment, cure or relief of any bodily injury, infirmity or disease, or who follows the occupation of treating disease by any system or method, shall be deemed a physician, or practitioner of medicine or surgery for the purposes of this chapter. The provisions of this chapter shall apply to persons professing and attempting to cure disease by means of "faith cure," "mind healing" or "laying on of hands," but shall not apply to persons who merely practice the religious tenets of their church without pretending a knowledge of medicine or surgery.

But the provisions of this section shall not apply to a person, firm or corporation that manufactures or sells patent, compound or proprietary medicines, that are compounded according to the prescription of a physician who has been duly authorized to practice medicine. Nothing, however, in this act shall in any way affect the provisions of No. 110 of the acts of 1902 or apply to persons licensed by any other board having legal authority to issue licenses in this state.

Sec. 12. It shall be the duty of the board to investigate all complaints of disregard, non-compliance or violation of the provisions of this act, and to bring all such cases to the notice of the proper prosecuting officer.

Sec. 13. This act shall not apply to persons legally licensed to practice medicine and surgery under the provisions of former acts, nor to persons who resided and practiced medicine in the state five years previous to the 28th day of November, 1876, nor to commissioned officers of the U. S. army or navy, or marine hospital service, nor to the practice of midwifery by women in the town or locality in which they reside, nor to a physician or surgeon who is called from another state, or the Dominion of Canada, to treat a particular case, and who does not otherwise practice in this state, provided, however, that such non-resident physician is legally licensed where he resides and provided further that the state from which he comes or the Dominion of Canada, grants the same privileges to legally licensed practitioners of the state of Vermont.

Nothing in this act, however, shall be construed to prevent any non-resident physician or surgeon from coming into the state in consultation with a legally qualified practitioner in this state.

Sec. 14. Said board shall, without examination, issue a license to a reputable physician or surgeon who personally appears and presents a certified copy of a certificate of registration or a license issued to him in a state whose requirements for registration are deemed by said board as equivalent to those of this state, provided that such state accords a like privilege to holders of licenses grant under the laws of this state. The fee for such license shall be fifty dollars.

The standard of requirements for admission to practice in this state, under the preceding section, shall be as follows:

Academic: Preliminary requirements to be a high school education or its equivalent, such as would admit the student to a recognized university. The standards of such secondary school shall be determined by agreement between the educational department of the state in which the applicant received such education and the state superintendent of education.

Medical: Four courses of lectures of nine hundred hours each, in four different calendar years prior to graduation from a medical college approved by the board. Practitioners graduated prior to nineteen hundred and one are exempt from this requirement.

Moral: Applicant shall present qualifications as to moral character and professional standing from two reputable physicians in the county in which he resides, and from the town clerk of his place of residence.

Examining: The examination in writing shall have embraced twelve subjects of ninety questions, viz.: anatomy, physiology, chemistry, pathology, bacteriology, hygiene, practice of medicine, surgery, obstetrics, gynecology, materia medica, therapeutics and legal medicine. The general average must have been at least seventy-five per cent, and no license shall be recognized when a lower rating has obtained.

Sec. 15. Sections 4630, 4631, 4632, 4633, 4634, 4635, 4636, 4637, 4638, 4639 and 4640 of the Vermont Statutes and all amendments thereto and all acts inconsistent with this act are hereby repealed.

Sec. 16. This act shall take effect from its passage.

Approved December 9, 1904, and December 14, 1908.

Reciprocity arrangements have been entered into with the states of Arkansas, Illinois, Indiana, Maine, Michigan, Maryland, New Hampshire, Nebraska, New York, New Jersey, No. Dakota, Ohio, Texas, Wisconsin, Wyoming and the District of Columbia on certificates obtained by examination and whose standard of requirements is equal to our own.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; {, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

C

VIRGINIA.

CAPITAL, RICHMOND.

Population of State, 2,061,612.
(U. S. Census, 1910.)
Number of Physicians, 2,173.

Virginia, one of the original thirteen states has a total land surface of approximately 40,125 square miles. It extends from 36 degrees 30 minutes to 39 degrees 27 minutes north latitude, and from 75 degrees 10 minutes to 83 degress 30 minutes west longitude, and is bounded on the north by Maryland and West Virginia, on the south by Tennessee and North Carolina, on the east by Chesapeake Bay and the Atlantic ocean, and on the west by Kentucky and West Virginia. Its latitude is that of Southern Europe, Central Asia, Southern Japan and California, giving it a climate at once delightful and salubrious. Virginia is divided into five grand divisions—the Tidewater, the Midland, the Piedmont, the Great Valley and the Appalachia. The western section of the state is traversed by two mountain ranges, te Blue Ridge and the Alleghenies, between which lies the far famed valley of Virginia. The general elevation of the lands lying in the mountain region is from 1,800 to 2,000 feet, though some even rise to 2,700 feet, while the peaks which tower above the surrounding country are more than 4,000 feet above the level of the sea. Hence it will be seen that, topographically, Virginia varies from the sandy shores which are washed by the Chesapeake Bay and the Atlantic ocean to the verdure-clad mountain ranges, where grow the hemlock and the birch. It is well watered in all portions by springs, brooks, creeks, rivulets and several navigable rivers, among the latter being the historic Potomac, navigable for 110 miles; the Rappahannock, 82 miles; the York, 40 miles, besides the James, Piankatank others, giving it 1,500 miles of steamboat navigation and double this amount for smaller craft. The average annual rainfall is about 40 inches.

For list of Medical Colleges, see page 151.

DEPARTMENT OF HEALTH.

Office and Laboratories, 1110 Capitol st., Richmond; Health Commissioner, E G Williams, M D; Asst Commissioner, A W Freeman, M D; Bacteriologist, M Ferguson, Ph D; Clerk, A L Martin.

STATE BOARD OF HEALTH.

Pres, W M Smith, M D, Alexandria; Sec, J B Fisher, M D, Midlothian; 1st Dist, S W Hobson, M D, Newport News; 2d Dist, L T Royster, M D, Norfolk; 3d Dist, J B Fisher, M D, Midlothian; 4th Dist, O C Wright, M D, Jarratts; 5th Dist, L E Harvie, M D, Danville; 6th Dist, R W Martin, M D, Lynchburg; 7th Dist, T C Firebaugh, M D, Harrisonburg; 8th Dist, W M Smith, M D, Alexandria; 9th Dist, J H Dunkley, M D, Saltville; 10th Dist, R White, M D, Lexington; City of Richmond, G B Johnson, M D; Stuart McGuire, M D.

HEALTH OFFICERS AT PRINCIPAL POINTS.

Alexandria—E A Gorman, M D.
Charlottesville—R L Robertson, M D.

MEDICAL LAW OF VIRGINIA.

An Act "To amend and re-enact Sections 1747 and 1750 of the Code of Virginia, regulating the practice of medicine and surgery in the State of Virginia, as amended and re-enacted by acts approved March 7, 1900, and April 23, 1903, amending and re-enacting Section 1747 of the Code of Virginia, and by acts approved March 7, 1900, April 24, 1903, and December 17, 1903, amending and re-enacting Section 1750 of the Code of Virginia.

Approved March 14, 1910.

Be it enacted by the General Assembly of Virginia, that section seventeen hundred and forty-seven of the Code of Virginia, as amended and re-enacted by acts approved March seven, nineteen hundred, and April twenty-three, nineteen hundred and three, and section seventeen hundred and fifty of the Code of Virginia, as amended and re-enacted by acts approved March seventh, nineteen hundred, and April twenty-fourth, nineteen hundred and three, and December seventeenth, nineteen hundred and three, be amended and re-enacted so as to read as follows:

Sec. 1747. Examination of applicants for the practice of medicine and surgery; re-examinations; fees of board, certificates, how issued and revoked.—It shall be the duty of the said board at any of its said meetings to examine all persons making application to it, who shall desire to commence the practice of medicine and surgery in this State; provided, the said applicant shall produce before said board such satisfactory evidence of good moral character as may be required by the board, and also produce a diploma or other satisfactory evidence of his or her graduation as doctor of medicine in some medical college or institution teaching the art of healing human diseases, chartered by the State, or territory, or government (if a foreign power), in which the same is situated; provided, however, that any undergraduate student in a reputable and regularly chartered medical college, which requires a full course of not less than four years for graduation, who has completed not less than the first two years of such graded course, shall be entitled to examination on such subjects of the said first two years of the curriculum as he or she may have completed, as attested by a certificate of successful examination by said college, and having once passed a satisfactory examination before the board on any such subject or subjects, no further examination shall be required on it or them;

but no such undergraduate shall be permitted to appear before the board for examination more than once before graduation as doctor of medicine.

And when an applicant shall have passed an examination before the board in session, satisfactory as to proficiency, and shall have complied with the requirements of the board as to habits and character, the president thereof shall grant to such applicant a certificate to that effect; provided, however, that any applicant professing a system of medicine which does not require the use of drugs in the treatment of diseases shall be exempt from standing any examination on materia medica. A fee of ten dollars shall be paid to said board through such officer or members as it may designate, by each applicant before such examination is had. And in case any applicant who has graduated as doctor of medicine shall fail to pass a stisfactory examination, he or she shall be permitted to appear before the board and be re-examined at any regular meeting after six months, without regard to standing at any former examination on any subject or subjects, and for each re-examination by the board each applicant shall pay a fee of five dollars; provided, however, that when any applicant has failed to pass a satisfactory examination after having been re-examined by the board at two successive meetings, it shall be lawful for the board, in its discretion, to deny such applicant any further examination until he or she shall present to the board satisfactory evidence of having taken a course of not less than three months in post-graduate instruction in some approved college of medicine or under some approved and competent teacher of the subjects of medicine and surgery; provided, however, that no applicant shall be rejected upon examination on account of his or her adherence to any particular school or system of medicine, nor on account of his or her views as to the treatment and care of diseases; provided, further, that when, in the opinion of the president of the board, any applicant has been prevented by good cause from appearing before the board, he shall have authority, in his discretion, to grant a special permit to such applicant to practice medicine and surgery until he or she shall have an opportunity to appear before the board in session for examination, which special permit shall be revoked at the discretion of the president, and in no case shall it entitle the holder thereof to practice after the next regular meeting of the board; provided, however, that the holder of any certificate so revoked shall have the right to appeal to the courts of his circuit or corporation. For issuing any temporary or special permit, such applicant shall pay a fee of five dollars in addition to the regular fee charged for examination.

The said board shall have, in its discretion, authority to accept, in lieu of examination of an applicant, a diploma or other satisfactory evidence of the graduation of the applicant in some reputable or regularly chartered medical college, and a certificate of examination from the examining board of any other State or territory of the United States or the District of Columbia, showing that said applicant has passed a satisfactory examination as to his or her proficiency, and obtained a license from said board to practice medicine or surgery in the said State, territory or district; provided, further, that any person who was examined by the said State Board of Medical Examiners of Virginia, prior to January first, nineteen hundred, and whose fee for such examination was duly paid, but who failed to pass said examination, shall have the right and privilege of taking the examination before the board, notwithstanding the provision of this act. The board shall not grant a certificate to any applicant if satisfied that the safety of the public would be endangered by reason of the habits or character of said applicant, and if any person shall receive a certificate by misrepresentation or fraud, or shall become unsafe, incompetent or unfit for the practice of his profession, by reason of immorality, dissipation or vicious habits, criminal or unlawful practice, or other cause, the said board shall, on complaint, have the power to revoke such certificate after giving such person reasonable notice and an opportunity to be heard. Whenever the board shall revoke any certificate, it shall notify the clerk of the circuit court or the corporation court of the county or city in which its holder may reside, and also the said holder, of its action, and he or she shall immediately deliver to the board, or its representative, his or her certificate, and it shall be unlawful for him or her to engage in the practice of medicine or surgery in the State of Virginia, or to receive a license for such practice; provided, however, the board shall have the power to reinstate, at its discretion, any certificate revoked by it, should, after the lapse of sufficient time, it be found that the condition and habits of its former holder have become such as to make him or her safe, competent and fit for the practice of medicine and surgery, and on the payment of the same fee as for an examination by the holder of such certificate reinstated.

Sec. 1750. Who prohibited from practicing medicine and surgery without certificate, penalty for practicing illegally; what courts have jurisdiction to inflict.—No person who shall have commenced the practice of medicine or surgery in this State since the first day of January, eighteen hundred and eighty-five, or who shall hereafter commence the practice of the same, shall practice as a physician or surgeon for compensation without first having obtained a certificate from the State Board of Medical Examiners and caused the same to be recorded as aforesaid, or a special permit from the president of said board; nor shall it be lawful for any person to engage in the practice of medicine or surgery for compensation after the revoking of his or her certificate as provided for in section seventeen hundred and forty-seven amended as aforesaid.

To open an office for such purpose or to announce to the public in any way a readiness to practice medicine in any county or city of the State, or prescribe for, or to give surgical assistance or to heal, cure or relieve those suffering from injury or deformity, or disease of mind or body, or to advertise, or to announce to the public in any manner a readiness or ability to heal, cure or relieve those who may be suffering from injury or deformity, or disease of mind or body, shall he or she engage in the practice of medicine within the meaning of this section; provided, that nothing in this section shall be construed to apply to or to limit in any manner the manufacture or sale of proprietary medicines, or to apply to, affect or interfere in any way with the operation of any hospital now established in this State, or any person while

Polk's Medical REGISTER AND DIRECTORY of North America

engaged in conducting such hospital now established, if there be a licensed physician resident and practicing therein, or to any person who commenced the practice of osteopathy in this State prior to January first, nineteen hundred and three.

It shall be regarded as practicing medicine, within the meaning of this section, if anyone shall use in connection with his or her name the words or letters "Dr.," "Doctor," "Professor," "M. D.," or "Healer," or any other title, word, letter or designation intending to imply or designate him or her as a practitioner of medicine or surgery in any of its branches, but this section shall not be construed to apply to non-itinerant opticians who are at this time engaged in the practice of optometry in this State, nor to professional or other nurses. Any person who shall practice medicine or surgery in this State in violation of the provisions of this section shall be fined not less than fifty nor more than five hundred dollars for each offence; and it shall not be lawful for him or her to recover by action, suit, motion or warrant in any of the courts of the State any compensation for services which he or she may claim to have rendered as such physician or surgeon.

The circuit and corporation courts shall have exclusive original jurisdiction to try offences for violations of this section committed within their respective counties and corporations.

2. All acts or parts of acts inconsistent with this act are hereby repealed.

3. This being an emergency act under the Constitution of Virginia, it shall take effect from its passage.

MEDICINE AND SURGERY.

Chap. 237.—An Act to regulate the practice of medicine and surgery in the State of Virginia, and to repeal all acts or parts of acts of the general assembly of Virginia and any section or sections of the Code of Virginia in conflict with the provisions thereof, especially an act entitled an act to regulate the practice of medicine and surgery in the State of Virginia, approved February 22d, 1894, and Sections 1744, 1745, 1746, 1747, 1748, 1749, 1750, 1751 and 1752 of the Code of Virginia of 1887, and all amendments thereto.

Approved March 13, 1912.

1. Be it enacted by the general assembly of Virginia as follows:

Board of Medical Examiners.—A board, to be known as the board of medical examiners for the State of Virginia, is hereby established, which shall consist of one member from each congressional district in this State, and in addition five from the State at large, two of whom shall be homoeopathic physicians; provided, however, that on April first, nineteen hundred and fourteen, the board shall consist of one regular physician from each congressional district, and one homoeopathic and one osteopath from the State at large. The term of office of the members of said board shall be four years, or until their successors are appointed and qualify, and they shall be men learned in medicine and legal and active practitioners in the State of Virginia.

2. How Appointed.—The members of the board shall be appointed by the governor on or before the first day of April, nineteen hundred and fourteen, and every fourth year thereafter, from a list of names to be recommended by the Medical Society of Virginia, except the homoeopath and the osteopath, who shall be nominated to him by their respective State medical society. Vacancies occuring on said board for unexpired terms shall be filled in the same manner, and shall be to fill the unexpired term only. Such recommendation shall be by the votes of a majority present at a meeting of the said societies, and the same shall be certified to the governor by the president and secretary of such society; provided, however, in case the governor shall consider any of the persons so recommended unsuitable, he may decline to appoint such person or persons, and communicate the facts to the president of the society pending the nomination, and such society shall within ninety days thereafter, make other recommendations in the same manner as hereinbefore provided, which shall stand on the same footing in all respects as those first made; provided, further, if such society shall fail to make such recommendations prior to the time of appointment, or within the ninety days, the governor shall appoint such board, either in whole or in part, without regard to such recommendations. If any member of the board shall cease to reside in the district from which he was appointed his office shall be deemed vacant. The governor may summarily remove any member of the board for misconduct, incapacity, or neglect of duty, and he shall be the sole judge of the sufficiency of the cause for removal. The members of the present board shall continue in office until the expiration of their respective terms, April first, nineteen hundred and fourteen.

3. Oath; Powers; Meetings.—The members of said board shall qualify by taking the usual oath of office before the circuit or corporation court of the county or corporation in which they, respectively, reside, or before the judge thereof in vacation. The officers of said board shall be a president, vice-president and a secretary (who shall also act as treasurer), said officers to be members of and selected by the said board. Regular meetings of the board shall be held at such times and places as the board may prescribe, and special meetings may be held upon the call of the president and any five members, but there shall not be less than one regular meeting each year. Five members of the board shall constitute a quorum. The board may prescribe rules, regulations and by-laws for its own proceedings and government and for the examination by its members of candidates for the practice of medicine, including the scope of the said examination. Due notice of such meeting shall be given by publication in such papers as may be selected by the board. The board, or any committee thereof, may employ counsel, shall have the power to compel the attendance of witnesses and to administer oaths, and may take testimony and proofs concerning all matters within its jurisdiction. No bylaw or rule by which the vote of a majority of the board is required for any specified action shall be suspended or repealed by a smaller vote than that required for action thereunder.

4. Preservation of Records.—The board shall preserve a record of its proceedings in a book kept for that purpose, which shall show the name, age, place and

duration of residence therein of each applicant for a license, the time spent in medical study in respective medical schools, and the year and school from which degrees were granted; said record shall also show whether applicants were granted a certificate or rejected, and shall be prima facie evidence of all matters contained therein. The secretary of the board shall, on the first day of March of each year, transmit a copy of said record, together with a photograph of each license to the superintendent of the board of education of the State of Virginia for permanent record, and certified copies of the said record, under the hand and seal of the secretary of the board or of said superintendent, shall be admissible as evidence in all courts of this State.

5. Registration of Certificates; Duties of Clerks.—Every certificate to practice medicine granted under the provisions of this act shall, before the licensee begins practice, thereunder, be presented by him to the clerk of the circuit court of the county, or the clerk of the corporation court of the city wherein such practice is to be carried on. The clerk of each of said courts shall keep a book for the purpose, entitled the "medial register," and set apart one full page therein for the registration of each licensee, and he shall record therein the name, residence, place and date of birth, and source, number and date of the license to practice, and the school of practice to which each licensee professes to belong, and each licensee shall subscribe and verify under oath the matters above mentioned when the same have been so recorded, which, if wilfully false, shall subject the person so making oath to conviction and punishment for false swearing as provided by law. The fact of such oath and record shall be endorsed by the said clerk upon each certificate presented, and the clerk shall receive the sum of one dollar from each licensee so registered, which shall be his full compensation for all duties required under this act. The holder of a certificate to practice medicine must have the same recorded upon each change of residence to another county or corporation, and the absence of such record shall be prima facie evidence of the want of possession of such certificate. When any licensee shall die or remove from the county or corporation, or have his certificate revoked, it shall be the duty of said clerk to make a note of the facts at the bottom of the page of the said licensee as closing his record. On the first day of January in each year said clerk shall, on the request of the board, certify to the president thereof a correct list of the licensees then registered in the county or corporation, together with such other information as said board may require. Any clerk, upon conviction of knowingly violating any provision of this act shall be fined not more than fifty dollars for each offense. A copy of the "medical register" pertaining to any person certified to by said clerk under seal of court; also a certificate issued by said clerk, certifying that any person named has or has not registered in his office, as required by this act, shall be admitted as evidence in all courts of this State.

6. Registration of Certificates; Verification Certificates; Duplicate Certificates; Reciprocity.—Within one year after the passage of this act all licensed practitioners of medicine in this State shall, as above provided, register their certificates to practice medicine in the office of the clerk of the circuit or corporation court of the county or corporation in which they reside. Legal practitioners of medicine practicing under the provisions of previous laws who have not already received a license from a State medical examining board of this State, shall present to the board documents sufficient to establish the existence and validity of a diploma granted to each by some bona fide college of medicine, or to establish their exemption existing under any law, and shall receive from said board a verification license, which shall be recorded in the clerk's office of the circuit or corporation court of the county or city in which the licensee resides, as provided above for original licensees, and duly endorsed by the said clerk in like manner. Such verification license shall be issued for a fee of fifty cents to all practitioners so qualifying who have not already received a license from a board of medical examiners of this State. It is especially provided that those whose claims to State license rest upon having practiced in the State previous to the year eighteen hundred and eighty-five, shall present to the board satisfactory evidence of having legally practiced medicine in this State before eighteen hundred and eighty-five, or if an osteopath, before the year nineteen hundred and three. The board may, at its discretion, arrange for reciprocity with the authorities of other states and territories having requirements equal to those established by this act. Certificates may be granted applicants to practice under such reciprocity on payment of a fee of twenty-five dollars to the secretary of the board. Legal practitioners who have lost their State board certificates must obtain duplicate certificates by furnishing to the secretary of the board satisfactory proofs of the issuance to the individual of the former certificates, and upon the payment of a fee of one dollar, and the new certificates when issued must be registered as hereinbefore provided for original licenses.

7. Violations; trials; powers of board in refusing examination.—The State board of medical examiners, or any member thereof, shall have power at any time to inquire into the identity of any person claiming to be a licensed or registered practitioner, and after due service upon such person of a notice in writing, require him to make reasonable proof, satisfactory to the board that he is the identical person licensed to practice medicine under the license by virtue of which he claims the right to practice. If after such inquiry it is found that the person is practicing wrongfully, or if after due investigation by the above named authorities, or any one of them, any person whatsoever is found to be violating any provision of this act, it shall be the duty of such investigator to transmit to the commonwealth's attorney of the county or corporation wherein such person resides, or is or has been practicing or attempting to practice, all the evidence in their possession tending to establish such violation of this act; and it shall be the duty of the said commonwealth's attorney to immediately prosecute such person for violation of this act, if, in his opinion, the evidence so presented is sufficent to convict, and upon trial the burden of proof shall be upon the defendant to prove his right to practice. The board may refuse to admit persons to its examinations, or to issue the certificate provided for in this act, or may revoke any certificate or verification certificate granted by it or by any other medical examining board of this State, in any of the following cases:

(a) A practitioner of medicine who is guilty of any crime or misdemeanor, or who is guilty of any fraud or deceit by which he was admitted to practice; or

(b) Is an habitual drunkard or habitually addicted to the use of morphine, opium, cocaine or other drugs having a similar effect; or

(c) Who undertakes or engages in any manner or by any ways or means whatsoever, to procure or perform a criminal abortion, as the same is defined by the law of this State;

Provided, that any applicant who may be refused admittance to examination before said board, or who may be refused a certificate by said board, or who may have his certificate revoked by said board shall have his right of action to have such issue tried by the circuit court of the county or the corporation court of the city within whose jurisdiction he may reside, and the proceeding to try such issue shall be begun by the filing of a petition by such person in such court reciting the facts and making the said board the party defendant; whereupon after due service of process upon the member of said board residing in the congressional district in which said county or city is located, at least ten days before the trial, the court shall proceed to try the issue, the burden of proof being upon the petitioner to establish his right to be examined, to be granted certificate, or to practice. It shall be the duty of the commonwealth's attorney of the said county or corporation to appear on behalf of the board and to file any answer that he may deem expedient on its behalf, and to defend the said action before the court. The judgment of the court upon the issue tried shall be final. The board, or any member thereof, may investigate any person practicing or attempting to practice, or opening an office for the ostensible purpose of practicing medicine in this State, and may require such person to produce his certificate granted by the board, or document sufficient to establish his right to practice medicine under this act; and, in case such person fails or refuses to so prove his right to practice, the investigator shall report the case to the commonwealth's attorney of the county or corporation wherein such person is practicing or attempting or offering to practice, and it shall be the duty of such commonwealth's attorney to immediately prosecute such person for violating this act, and upon the trial of such person the burden of proof shall be upon him to establish his right to practice.

8. Admission to examination; power of board.—All applicants for certificates to practice medicine in this State after the passage of this act, must successfully pass an examination before the board of medical examiners established by this act. The said board shall admit to examination any candidate who pays a fee of twenty-five dollars, and submits evidence verified by affidavit and satisfactory to the board, that he:

(a) Is twenty-one years of age or more.

(b) Is of good moral character.

(c) Had prior to beginning his first year of medical study the general education required preliminary to receiving the degree of bachelor or doctor of medicine of this State. This preliminary education shall meet the requirements of the board of education of the State of Virginia, and a certified statement from the superintendent of said board shall accompany the candidate's application.

(d) Has studied medicine not less than four school years, including four satisfactory courses of at least eight months each in four different calendar years in a medical school registered as maintaining a standard satisfactory to the State board of education. Virginia medical schools and Virginia medical students shall not be discriminated against by the registration of any medical school out of the State whose minimum graduation standard is less than that fixed by statute for Virginia medical schools. The above clause of subdivision (d) shall not apply until April first, nineteen hundred and fourteen.

The board may in their discretion accept as the equivalent of the first year of requirement (d) evidence of graduation from a registered college course, provided that such college course shall have included not less than the minimum requirements prescribed by the board and by the State board of education for such admissions to advanced standing.

The board may also at their discretion admit conditionally to the examination in anatomy and histology, physiology and embryology and chemistry, applicants nineteen years of age, or more, certified as having studied medicine at some registered medical college not less than two years, including two satisfactory courses of at least eight months each, in two different calendar years, and of having passed in all of those medical branches at the said college, but the said college must be registered as maintaining at the time a standard satisfactory to the State board of education; provided, further, that such applicant must meet requirements b and c.

The board may also, at their discretion, accept as the equivalent of any part of requirements c and d five or more years of legal and reputable practice, and such candidate shall be exempted from taking the examinations in anatomy and histology, and physiology, embryology and chemistry.

(e) Has either received the degree of bachelor or doctor of medicine from some registered medical school, or a diploma or license conferring full right to practice medicine in some foreign country, unless admitted conditionally to the examinations as specified above, in which case all qualifications, including the full period of study, the medical degree and final examinations must be met. The degree of bachelor or doctor of medicine shall not be conferred in this State before the candidate has filed with the institution conferring it the certificate of the State board of education that before beginning the first annual medical course counted toward the degree, he had either graduated from a registered college or satisfactorily completed a full course in a registered academy or high school; or had a preliminary education considered and accepted by the State board of education as fully equivalent, or held a State board of education medical student certificate; or passed State board of education examinations securing sufficient academic counts, in accordance with the Standard of the Association of American Medical Colleges, or their full equivalent, before beginning the first annual medical course counted toward the degree; provided, however, that when an applicant has failed to pass a satisfactory examination, he may appear before the board again once within one year without paying an additional fee; provided, that any person who shall produce before the said examining board a certificate from the judge of the circuit court and the commonwealth's attorney of the county in which he resides stating that in their opinion, from evidence produced before them, he was a practicing physician prior to the first day of January, eighteen hundred and ninety-five, then said examining board shall give said person a certificate allowing said person to practice medicine in Virginia.

9. Expenditure of Funds.—The funds realized from all fees collected by the board shall be applied first to the payment of necessary expenses of the board; and remaining funds shall be applied by the order of the board for the compensation of the members of the board in proportion to their labors.

10. Conduct of Examinations.—All examinations shall be conducted in writing, together with practical tests when the majority of the board may deem necessary,

A Home for Mental and Nervous Diseases. Breezehurst Terrace. Whitestone, ***L.I.,N.Y.City.*** Beautiful Surroundings, overlooking Manhattan and L-I-Sound (Licensed) **(See adv. in N.Y. City)**

and in such manner as shall be entirely fair and impartial to all individuals and every school of medicine, the applicants being known by numbers, without names or other method of identification on examination papers by which members of the board may be able to identify such papers until the applicants have been granted certificates or rejected. Upon satisfactory examination, under the rules of board, applicants shall be granted certificates to practice medicine. All certificates shall be attested by the signature and seal of the president and secretary of the board, respectively.

11. Exemption from Examination; exceptions.—Nothing in this act shall be construed to affect commissioned or contract medical officers serving in the United States army, navy, or public health and marine hospital service, while so commissioned and in the performance of their duties, but such shall not engage in private practice without license from the board of medical examiners of the State; or to affect any person while actually serving without salary or professional fees on the resident medical staff of any legally incorporated hospital; or any legally registered dentist exclusively engaged in practicing dentistry; or any non-itinerant person or manufacturer who mechanically fits or sells lenses, artificial eyes, limbs or other apparatus or appliances, or is engaged in the mechanical examination of eyes for the purpose of adjusting spectacles, eye-glasses or lenses; or any lawfully qualified practitioner from other states, territories or countries meeting legally registered practitioners in this State in consultation. but who do not open offices or appoint places in this State where patients may be met or called to be seen; or to limit in any way the manufacture or sale of proprietary medicines by licensed druggists in this State; or to the furnishing of medical assistance in cases of emergency; or to the domestic administration of family remedies; or to the practice of the religious tenets of any church in the ministration to the sick or suffering by mental or spiritual means without the use of any drug or material remedy, whether gratuiiously or for compensation, provided sanitary laws are complied with; or to affect or interfere in any way with the operation of any hospital now established in this State; or to any person while engaged in conducting such hospital now established if there be a licensed practitioner resident and practicing therein; or to any person who commenced the practice of osteopathy in this State prior to January first, nineteen hundred and three; or to any person who commenced the practice of chiropody in this State prior to January first, nineteen hundred and eleven; or to nurses who practice nursing only; or to masseurs in their particular sphere of labor who publicly represent themselves as such. This article shall be construed to apply to persons, not pretending to be physicians, who offer for sale on the streets or other public places or leave gratuitously at residences, remedies which they recommend for the healing or curing of disease. This article shall be construed to repeal all acts or parts of acts authorizing confirment of any degree in medicine cause honoris or ad eundem gradum or otherwise than on students duly graduated after satisfactory completion of a preliminary medical course not less than that required by this article as a condition of license.. It is further provided that graduates of any sectarian school of medicine who profess to practice medicine according to the tenets of said schools shall fulfill all of the conditions of the board and of the State board of education, save that they may be exempted from taking the examination of the regulars on practice of medicine, materia medica and therapeutics. A license to practice such sectarian school of medicine shall not permit the holder thereof to administer drugs or practice surgery unless he has qualified himself so to do by examination before the board, nor shall it permit members of such sectarian schools now practicing in this State to perform surgery with the use of instruments, unless they satisfy the board that they have had adequate clinical facilities at their respective colleges of graduation, or by hospital work to enable them to perform such operations.

It is further provided that chiropodists shall take the special examination as provided by the act to regulate chiropody and be limited in his practice to the provisions of that act.

12. Definition of the Practice of Medicine.—Any person shall be regarded as practicing medicine within the meaning of this act (1) who opens an office for such purpose, or announces to the public in any way a readiness to practice medicine in any county or city of the State, or prescribes for, or gives surgical assistance, or heals, cures, or relieves those suffering from injury or deformity, or disease of mind or body, or advertises, or announces to the public in any manner a readiness or ability to heal, cure or relieve those who may be suffering from injury or deformity, or disease of mind or body. (2) Or who shall use in connection with his name the words or letters "Dr.," "Doctor," "Professor," "M. D." or "Healer," or any other titile, word, letter or designation intending to imply or designate him as a practitioner of medicine in any of its branches, or of being able to heal, cure or relieve those who may be suffering from injury or deformity or disease of mind and body.

13. Penalties.—Any person practicing medicine in this State in violation of the provisions of this act, or otherwise violating the same, shall, upon conviction thereof, be fined not less than fifty dollars nor more than five hundred dollars for each offense, and in addition may be imprisoned in the jail of the county or corporation in which convicted for a term not exceeding six months, and each day of such violation shall constitute a separate offense; and in no case shall the violator be entitled to recover anything for the services rendered. And it shall be the duty of the clerk of the circuit court of the county, or the clerk of the corporation court of the city wherein such conviction is had to report the fact of the same to the board of medical examiners, who shall thereupon annul the license of the person convicted, if said person was a licensed practitioner.

14. All acts or parts of acts of the general assembly of Virginia, and any section or sections of the Code of Virginia in conflict with the provisions hereof, especially an act entitled an act to regulate the practice of medicine and surgery in the State of Virginia, approved February twenty-second, eighteen hundred and ninety-four, and sections seventeen hundred and forty-four, seventeen hundred and

POLK'S DENTAL REGISTER

OF THE

United States and Canada.

This is positively the only National Dental Directory published.

Over 36,000 Dentists, arranged by States, Territories and Provinces, with Post-office address and College and year of Graduation.

All the Existing Dental Colleges in the United States and Canada, with Location, Faculty, etc.; also extinct Dental Colleges.

The various Dental Societies and Dental Journals.

Synopsis of Laws regulating practice of Dentistry in each State, Territory and Province.

A Descriptive Sketch of each State, Territory and Province.

It is the only publication of the kind giving an alphabetical list of all Dentists and a reference to name where it appears with post-office address and college information.

There is no more direct or economical way of reaching the Dentists of the United States and Canada than by an advertisement in the Register, or if you wish to circularize, the Register presents the list in convenient form for addressing.

PRICE $10.00 PER COPY.

Medical College of Virginia

MEDICINE
DENTISTRY AND
PHARMACY

The Sessions Commence in September of Each Year.

Graded First-Class by American Medical Association on the Record of its Graduates.

For Catalogue address

J. R. McCauley, Registrar
Richmond, Va.

Dr. S. Grover Burnett's Private Sanitarium
A Strictly Ethical Sanitarium for Classical, Neurological and Psychological Practice, including Inebriety. Special attention to Dr. Burnett's Preferred Treatment of Morphinism as published. 3100 Euclid Avenue Kansas City, Mo.

forty-five, seventeen hundred and forty six, seventeen hundred and forty-seven, seventeen hundred and forty-eight, seventeen hundred and forty-nine, seventeen hundred and fifty, seventeen hundred and fifty-one and seventeen hundred and fifty-two of the Code of Virginia of eighteen hundred and eighty-seven, and all amendments thereto, are hereby repealed.

15. Owing to the fact that there is an immediate necessity for the going into effect of this act in order to properly regulate the practice of medicine in the State of Virginia, an emergency is declared to exist, and this act shall be in force from its passage.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; {, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

C

WASHINGTON,

CAPITAL, OLYMPIA.

Population of State, 1,141,990.
(U. S. Census, 1910.)
Number of Physicians, 1,533.

Originally a part of Oregon, Washington came into a separate existence as a territory on the second day of March, 1853, and was admitted into the Union as a State in 1889.

The state occupies the extreme northwestern portion of the United States. The Straits of Juan de Fuca, Vancouver Island and the British Columbian possessions mark the northern border, the State of Idaho the eastern, the State of Oregon lying on the south; the Pacific ocean limits the land's end to the west. The state's area comprises an extent of, approximately, 70,000 square miles, 1,156 square miles of this being tide-water—Puget Sound. The state is divided into two most distinctive sections by the Cascade range of mountains, each section with a climate differing from the other and generally designated as "wet" and "dry" climates. Western Washington, comprising the Sound country and that section west of the Cascades, includes about one-third of the total area of the state, is heavily timbered, with a mild and equable climate, small areas of natural prairie land, and that generally of a gravelly and non-productive nature.

Eastern Washington is for the most part barren of trees, a rolling prairie, rich in soil, but for a large part subject to the necessity of irrigation for agricultural purposes. The climate of this section has more of the extremes of heat and cold than the western portion, and yet by no means to that extent which characterizes states of the same altitude and further east.

The climate of Washington is much more equable than that of other states situated in corresponding latitudes. The daily and seasonal ranges of temperature which so greatly affects climate everywhere is not great in this state. The mean temperature for the month of January, which is usually the coldest month in the year, is 35.2 degrees. This is the average of the mean January temperature for ten years, taken at stations well distributed throughout the entire state. A similar average for July, usually the hottest month, gives 64.6 degrees. These averages cannot be far from the true or normal temperature for January and July. The difference between these is 29.4 degrees, the seasonal range. A comparison of the difference between the winter and summer temperature in Idaho, Montana, North Dakota, Wisconsin or Michigan, all of which lie in the same latitude as Washington, with the seasonal change in this state will show that it is comparatively low. To this fact may be attributed the entire absence of sudden changes or violent disturbances of the atmosphere within the state. The average of these two extremes, the temperature of January and July, gives a little less than 50 degrees for the mean annual temperature of the state. This is, however, about one degree above the true or normal temperature.

For list of Medical Colleges, see page 151.

STATE BOARD OF HEALTH.

Pres, E E Heg, M D, Seattle; Sec, E R Kelley, M D, Seattle; Wilson Johnston, M D, Spokane; E L Kimball, M D, Spokane; S B Nelson, V S, Spokane; Mrs R C McCredie, Sunnyside; E J McCausland, C E, Seattle.

HEALTH OFFICERS AT PRINCIPAL POINTS.

Burlington—Burlington General Hospital, cor Fairhaven and Skagit. Est'd 1910. Capacity, 40. Supt, F J Tietjen.

Centralia—Dr Banks' Hospital, 708 E st. Est'd 1904. Capacity, 7. Private. Phys, R Banks.

Centralia — Employees' Association Hospital. Capacity, 100. Public. Phys, Lee A Scace.

Centralia—Houda Private Hospital, 623 G st. Est'd 1910. Capacity, 12. Private. Phys, E O Houda.

Chehalis—Chehalis General Hospital, 1010 State. Est'd 1912. Private. Propr, G W Kennicott, M D.

Chehalis—St Helen's Hospital, cor Washington and 4th. Est'd 1907. Capacity, 35. Open to the Profession. Conducted by Sisters of St Dominic.

Cle Elum—Roslyn-Cle Elum Beneficiary Co Hospital. Est'd 1906. Capacity, 30. Phys, E W Stimpson. Supt, I Davies.

Colfax—St Ignatius Hospital, 1232 Mill. Est'd 1893. Capacity, 55. Supt, Sister Superior.

Colville—Colville Hospital, cor Main and C. Est'd 1904. Capacity, 25. Private. Phys, L B Harvey.

Concrete—Concrete Hospital. Private. Phys, E F Mertz.

Davenport—Davenport Hospital.

Des Moines—Des Moines Children's Home. Supt, H M Draper.

Eatonville — Lumberman's Hospital,

ANTIKAMNIA AND CODEINE TABLETS
For Neuroses of the Larynx, Menstrual Neuroses, Etc.

Est'd 1907. Capacity, 25. Private. Phys, A W Bridge.

Ellensburg—Ellensburg Private Hospital, 801 E 5th. Propr, Mrs M Youngberg.

Elma—Dr French's Hospital, cor Main and 6th. Est'd 1902. Capacity, 20. Private. Phys, E P French.

Elma—Elma General Hospital, cor 4th and Anderson. Est'd 1903. Capacity, 10. Private. Phys, H Blair.

Everett—Everett Hospital, 3511 Hoyt av. Est'd 1904. Capacity, 40. Private. Supt, Ida Brown.

Everett—Providence Hospital, Pacific and Kromer. Est'd 1905. Capacity, 86. Private. Supt, Sister Superior.

Everett—Relax Home, 4220 Colby av.

Everett—Snohomish County Orphanage, 2131 Highland av. Est'd 1898. Public. Pres Bd Trustees, Harry Lansdown.

Farmington—Victor Hospital. Private. Phys, A L Victor.

Ferndale—Ferndale Hospital. Private. Proprs, Miss P Shields and Mrs M Hoover.

Fern Hill—Fern Hill Hospital. Est'd 1908. Capacity, 12. Private. Supt, W S Chenowith.

Fort Casey—Post Hospital. Capacity, 17. Gov't (U S Army). In charge of Post Surgeon.

Fort Flagler—Post Hospital. Est'd 1897. Capacity, 18. Gov't (U S Army). Surg in Charge, Capt W M Smart.

Fort Lawton—Post Hospital. Gov't (U S Army). Post Surgeon in charge.

Fort Steilacoom—Western Washington Hospital for the Insane. Est'd 1871. Capacity, 1,300. Public. Supt, A P Calhoun, M D.

Garfield—Garfield Hospital. Est'd 1906. Capacity, 10. Private. Phys, L J Coberly.

Georgetown—King County Hospital, Charleston av. Est'd 1876. Capacity, 300. Public. Supt, W H Corson, M D.

Hamilton—Hamilton Hospital. Private. Phys, R G Kellner.

Harrington—Harrington Hospital. Private. Phys, E E Langley.

Hoquiam—Hoquiam General Hospital, cor K and 6th. Est'd 1903. Capacity, 65. Med Staff. Supt, Miss Rogers.

Irondale—Northwestern General Hospital and Sanitarium. Est'd 1910. Capacity, 50. Private. Phys, R C Hill.

Kent—Kent Hospital, cor 2d and Titus Est'd 1902. Capacity, 20. Private. Phys, O Taylor.

Leavenworth—Hoxsey Hospital. Est'd 1906. Capacity, 12. Private. Phys, G W Hoxsey.

Lynden—Lynden Private Hospital. Supt, Miss G Boerhave.

Marcus—Goss Hospital. Private. Phys, W C Goss.

Medical Lake—Eastern Washington Hospital for the Insane. Est'd 1891. Capacity, 852. State. Supt, J M Sample, M D.

Monroe—Monroe General Hospital, Main st. Est'd 1903. Capacity, 24. Private. Phys, H R Stockwell and C H Soll.

Monroe—Snohomish County Hospital. Est'd 1892. Capacity, 40. Public. Supt, J M Robbins.

Montesano—City Hospital, cor Pioneer and 1st. Private. Phys, G E Marcy and J H Fitz.

LAW REGULATING THE PRACTICE OF MEDICINE IN WASHINGTON.

Chapter 192, Session Laws, 1909, State of Washington (H. B. 144).

An Act for the regulation of the practice of medicine and surgery, osteopathy, and other systems or modes of treating the sick or afflicted, in the State of Washington, and for the appointment of a board of medical examiners, in the matter of said regulation, and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

Section 1. The governor shall appoint a board of medical examiners to be known as the Board of Medical Examiners of the State of Washington, consisting of nine members, who shall be appointed as follows: Five members from the regular profession, two from the homeopathic profession, and two from the osteopathic profession. The osteopathic members shall be graduates only of a regular osteopathic college. The appointment of each member shall be for a term of three years, and until his successor is appointed and qualified; provided, that no member shall serve more than two consecutive terms. It shall require the affirmative vote of a majority of the members of said board to carry any motion or resolution, to adopt any rule, to pass any measure, or to authorize the issuance of any certificate as in this act provided.

Sec. 2. Each member of said board shall, before entering upon the duties of his office take the constitutional oath of office, and shall, in addition, make oath that he is a graduate in medicine and surgery or osteopathy, and a licensed practitioner of medicine and surgery, or osteopathy, of this state; providing, that the osteopathic members of the board first appointed under this act shall not have been licensed by any previous examining board of this state. The president and secretary shall be empowered to administer the oath of office.

Sec. 3. Said board shall be organized on or before the second Tuesday of June, 1909, by electing from its members a president, vice-president, secretary and treasurer, who shall hold their respective positions during the pleasure of said board. Said board shall hold its regular meetings on the first Tuesday of January and July of each year, alternating between the eastern and western part of the State of

"The House of Decigold"
EDWARD ROWAN, Incorporated
Manufacturers and Dealers in **Dental and Surgical Supplies**
625 E. 163d STREET NEW YORK CITY, N. Y.

Washington. Special meetings of the board may be held at such time and place as the board may designate.

Sec. 4. Any person who treats the sick or afflicted may register his or her diploma with the board of medical examiners, and receive a license to practice his or her respective mode of treatment, by paying a fee of ten dollars, which fee shall go towards defraying the expenses of said board; provided, that he or she show evidence satisfactory to said board that he or she has been legally engaged in such practice prior to the passage of this act, in the State of Washington, and is a graduate of a legally incorporated school or college teaching the system or mode of treatment which the applicant intends or claims to follow, wherein the course comprises actual attendance and completion of two years of ten months each, or four terms of five months each, and the curriculum of study includes instruction in the following branches, to-wit: Anatomy, physiology, chemistry and toxicology, bacteriology, gynecology and obstetrics, histology, hygiene, pathology and general diagnosis; or by having been in continuous practice in one locality in this state for the past two years; and all such persons shall be granted thirty days after the organization of said board to make such application and furnish such evidence, after which time all persons desiring to treat the sick shall first take the examination as provided by this law.

It shall be the duty of every holder of a license from the State Board of Medical Examiners to exhibit his or her license to any resident of this state who may request to see the same, and any person refusing or failing so to do, or who shall exhibit any such license as his or her own, in response to such request, when such license has not been issued to him or her, shall be guilty of a misdemeanor.

Sec. 5. Said board may from time to time adopt such rules as may be necessary to enable it to carry into effect the provisions of this act.

Sec. 6. Three forms of certificates shall be issued by said board under the seal thereof, and signed by the president and secretary: First, a certificate authorizing the holder thereof to practice medicine and surgery; second, a certificate authorizing the holder thereof to practice osteopathy; third, a certificate authorizing the holder thereof to practice any other system or mode of treating the sick or afflicted not referred to in this section.

In order to procure a certificate to practice medicine and surgery, the applicant for such certificate must file with said board at least two weeks prior to a regular meeting thereof, satisfactory testimonials of good moral character, and a diploma issued by some legally chartered medical school, the requirements of which shall have been at the time of granting such diploma in no particular less than those prescribed by the Association of American Medical Colleges for that year, or satisfactory evidence of having possessed such diploma, and he must file with such diploma an application sworn to before some person authorized to administer oaths, and attested by the hand and seal of such officer, if he have a seal, stating that he is the person named in said diploma, that he is the lawful holder thereof, and that the same was procured in the regular course of instruction and examination, without fraud or misrepresentation. The said application shall be made upon a blank furnished by said board, and it shall contain such information concerning the medical instruction and the preliminary education of the applicant as said board may by rule provide. Applicants who have failed to meet the requirements must be rejected. Applicants for a certificate to practice osteopathy shall be subject to the above regulation, except that in place of a diploma hereinbefore referred to, they shall be required to file a diploma from a legally chartered college of osteopathy, having a course of instruction of at least twenty months, requiring actual attendance, and after 1909, of three years of nine months each, and including the studies examined upon under this act. Applicants for a certificate to practice any other system or mode of treatment not in this act referred to shall be subject to the above regulations, except that in the place of the diplomas hereinbefore referred to, they shall be required to file a diploma from a legally chartered college of the system or mode of treatment which the applicant claims or intends to follow.

In addition to the requirements above set forth, such applicants for a certificate must be personally examined by said board as to their qualifications. The examination shall be conducted in the English language, shall be practical in character and designed to discover the applicant's fitness to practice his profession, and shall be, in whole or in part, in writing on the following fundamental subjects, to-wit: Anatomy, histology, gynecology, pathology, bacteriology, chemistry and toxicology, physiology, obstetrics, general diagnosis and hygiene. Examinations in each subject shall consist of not less than ten questions, none of which shall relate to treatment, answers to which shall be marked upon a scale of zero to ten. But all applicants must obtain not less than sixty per cent. in any one subject; provided, that applicants who can show at least ten years of reputable practice shall be granted a credit of five per cent. upon the general average, and five per cent. additional for each subsequent ten years of such practice.

The examination papers shall form a part of the records of the board and shall be kept on file by the secretary for a period of one year after each examination. In said examination the applicant shall be known and designated by number only, and the name attached to the number shall be kept secret until after the board has finally voted upon the application.

Sec. 7. Each applicant on making application shall pay the secretary of the board a fee of twenty-five dollars ($25.00), which shall be paid to the treasurer of the board by said secretary and used to defray the expenses and compensation of said board. In case the applicant's credentials are insufficient, or in case he does not desire to take the examinations, the sum of fifteen dollars ($15.00) will be returned on application.

Sec. 8. Said board shall keep an official record of all its proceedings, a part of which record shall consist of a register of all applicants for certificates under this act, with the result of each application. Said record shall be evidence of all the proceedings of said board which are set forth therein.

BURN-BRAE, A PRIVATE HOSPITAL FOR MENTAL AND NERVOUS DISEASES.
(See adv. in Philadelphia)

Sec. 9. Every person holding a certificate authorizing him to practice medicine and surgery or osteopathy or any other system or mode of treating the sick or afflicted, in this state, must have it recorded in the office of the county clerk of the county in which the holder of said certificate is practicing his profession, and the fact of such recording shall be endorsed on the certificate by the county clerk recording the same. Every such person, on each change of residence, must have the certificate recorded in the county to which he shall have changed his residence. The absence of such record shall be prima facie evidence of the want of possession of such certificate. And any person holding a certificate to practice medicine and surgery or osteopathy, or any other system or mode of treating the sick or afflicted in this state, or to attempt to practice medicine or surgery or osteopathy, or any other system or mode of treating the sick or afflicted, in this state, without first having filed his certificate with the county clerk as herein provided shall be deemed guilty of a misdemeanor.

Sec. 10. The county clerk shall keep in a book provided for the purpose, a complete list of the certificates recorded by him, with the date of the record; and said book shall be open to public inspection during his office hours.

Sec. 11. Said board must refuse a certificate to any applicant guilty of unprofessional conduct; but before such refusal the applicant must be cited by citation, signed by the secretary of the board, and sealed with its seal. No such citation shall be issued except upon a sworn complaint filed with the secretary of the board, charging the applicant with having been guilty of unprofessional conduct, and setting forth the particular act constituting such unprofessional conduct. On filing of such complaint the secretary must forthwith issue a citation and make the same returnable at the next regular session of the board, occurring at least thirty days next after filing the complaint. Such citation shall notify the applicant of the time and place when and where the matter of said unprofessional conduct shall be heard; the particular unprofessional conduct with which the applicant is charged, and that the applicant shall file his written answer, under oath, within twenty days next after service upon him of said citation, or default will be taken against him, and his application for a certificate refused. The attendance of witnesses at such hearing shall be compelled by subpoenas issued by the secretary of the board under its seal; and said secretary shall in no case refuse to issue any such subpoena, upon a fee of twenty cents being paid him for each subpoena. Said citation and said subpoenas shall be served in accordance with the statutes of this state then in force as to the service of citations and subpoenas generally and all provisions of the statutes of this state then in force relating to subpoenas are hereby made applicable to the subpoenas provided for therein. If any person refuses to obey a subpoena served upon him in accordance with the statutes of this state then in force providing for the manner of serving subpoenas, the fact of such refusal shall be certified by the secretary of said board, under the seal thereof, to the superior court of the county in which the service was had and the said court shall thereupon proceed to hear said matter in accordance with the statutes of this state then in force as to contempt for disobedience of process of the court, and should said court find that the subpoena had been legally served and that the party so served has wilfully disobeyed the same, it shall proceed to impose such penalty as provided in cases of contempt of court. In all cases of alleged unprofessional conduct arising under this act, testimonies of witnesses may be taken, the same as in civil cases, and all the provisions of the statutes of this state then in force as to the taking of testimony are hereby made applicable to the taking of depositions under this act. If the applicant shall fail to file with the secretary of said board his answer, under oath, to the charges made against him, within twenty days after service on him of said citation or within such further time as the board may give him, and the charges on their face be deemed sufficient by the board, default shall be entered against him and his application refused. If the charges on their face be deemed sufficient by the board, and issue be joined thereon by answer, the board shall proceed to determine the matter, to that end, shall hear such evidence as may be adduced before it; and if it appear to the satisfaction of the board that the applicant is guilty as charged, no certificate shall be issued to him. No certificate shall be refused on the grounds of unprofessional conduct unless the applicant has been guilty of such conduct within two years next preceding his application. Whenever any holder of a certificate herein provided for is guilty of unprofessional conduct, as the same is defined in this act, and said unprofessional conduct has been brought to the attention of the board granting said certificates, in the manner hereinafter pointed out, or whenever a certificate has been procured by fraud or misrepresentation, or issued by mistake, it shall be their duty to, and they must, revoke the same at once, and the holder of said certificate shall not be permitted to practice medicine and surgery, or osteopathy, or any other system or mode of treating the sick or afflicted in this state. But no such revocation shall be made unless such holder is cited to appear and the same proceedings are had as is hereinbefore provided in this section in case of refusal to issue certificates. Said secretary in all cases of revocation shall enter on his register the fact of such revocation and shall certify the fact of such revocation under the seal of the board, to the county clerk of the counties in which the certificate of the person whose certificate has been revoked is recorded; and said clerk must thereupon write upon the margin or across the face of his register of certificate of such person, the following: "This certificate was revoked on the........day of...............," giving the day, month and year of revocation in accordance with certification to him by secretary. The record of such revocation so made by said county clerk shall be prima facie evidence of the fact thereof, and of said regularity of all the proceedings of said board in the matter of said revocation. From the time of the revocation of a certificate the holder thereof shall be disqualified from practicing medicine or surgery, osteopathy, or any other system or mode of treating the sick or afflicted, in this state.

The words "unprofessional conduct," as used in this act, are hereby declared to mean:

First. The procuring, or aiding or abetting in procuring a criminal abortion.

Second. The wilfully betraying of a professional secret.

Third. All advertising of medical business which is intended or has a tendency to deceive the public or impose upon credulous or ignorant persons, and so be harmful or injurious to public morals or safety.

Fourth. All advertising of any medicine or of any means whereby the monthly periods of women can be regulated or the menses re-established if suppressed.

Fifth. Conviction of any offense involving moral turpitude, in which case the record of such conviction shall be conclusive evidence.

Sixth. Habitual intemperance.

Seventh. The personation of another licensed practitioner of a like or different name.

Sec. 12. In any case of the refusal or revocation of a license by said board under the provisions of this act, said board shall file a brief and concise statement of the grounds and reasons for such refusal or revocation in the office of the secretary of said board, which said statement, together with the decision of said board in writing, shall remain a record in said office.

Sec. 13. In any case of the refusal or revocation of a license by said board under the provisions of this act, the applicant whose application shall be so refused, and the licentiate whose license shall be so revoked by said board, shall have the right to appeal from the decision so refusing or revoking such license within thirty days after the filing of such decision in the office of the secretary of said board, as hereinbefore in this act provided. Such appeal shall be to the superior court in and for the county in which was held the last general meeting of said board, prior to the refusal of such license, in the case of such refusal; and to the superior court in and for the county in which the hearing was had upon which such license was revoked, in case of such revocation. In any case a person desiring to take such appeal shall serve or cause to be served, upon the secretary of said board, a written notice of such appeal, which shall contain a statement of the grounds of such appeal, and shall file in the office of such secretary an appeal bond, with good and sufficient surety, to be approved by said secretary, to the State of Washington, conditioned for the speedy prosecution of such appeal, and the payment of such cost as may be adjudged against him upon such appeal. Said secretary shall within ten (10) days after the service of said notice of appeal, and the filing and approval of said appeal bond, transmit to the clerk of the superior court to which such appeal is taken, a certified copy, under the seal of said board, of the decision of said board, and the grounds thereof in the case of the refusal of the license; and in addition thereto, a certified copy under such seal of the complaint in the case of the revocation of a license, together with the bond and notice of appeal. The clerk of such court shall thereupon docket such appeal causes, and they shall stand for trial in all respects as ordinary civil actions, and like proceedings be had thereon. Upon such appeal said cause shall be tried de novo. Either party may appeal from the judgment of said superior court to the supreme court of the state in like manner as in civil actions within sixty (60) days after the rendition and entry of such judgment in said superior court. If such judgment shall be in favor of the party appealing from the decision of said board, and in case said examining board does not appeal from said judgment within said sixty (60) days, then, and in that case, said board shall, at the end of said sixty (60) days, and immediately upon the expiration thereof, issue to such successful party the usual license to practice medicine and surgery in this state, and in addition thereto, shall reinstate upon the records of said board the name of such successful applicant, in case of the revocation of his license by such board. In case of such appeal to the supreme court by said board, no such license shall be issued nor reinstatement be required until the final determination of said cause, and as hereinafter provided. In case the final decision of the supreme court be against said medical examining board, then, and in that case, said court shall make such order in the premises as may be necessary, and said board shall act accordingly: Provided, That in no case shall an appeal bond be required of said board, nor shall any costs be adjudged or taxed against the same.

Sec. 14. Any person who shall practice or attempt to practice, or hold himself out as practicing medicine and surgery, osteopathy, or any other system or mode of treating the sick or afflicted in this state, without having, at the time of so doing, a valid, unrevoked certificate as provided in this act, shall be guilty of a misdemeanor. In each such conviction the fine shall be paid, when collected, to the State Treasurer, and shall constitute a special fund for the prosecution of illegal practitioners as defined in this act, the said fund to be paid to the said board upon warrants drawn therefor by its secreatry, and the said board is authorized to prosecute all persons guilty of a violation of the provisions of this act.

Sec. 15. Every person filing for record, or attempting to file for record, the certificate issued to another, falsely claiming himself to be the person named in such certificate, or falsely claiming himself to be the person entitled to the same, shall be guilty of a felony, and, upon conviction thereof, shall be subject to such penalties as are provided by the laws of this state for the crime of forgery.

Sec. 16. Any person assuming to act as a member of the State Board of Medical Examiners without so being, or who shall sign or subscribe, or issue, or cause to be issued, or seal, or cause to be sealed, a certificate authorizing any person to practice medicine or surgery, or osteopathy, or any other system or mode of treating the sick or afflicted, in this state, shall be guilty of a misdemeanor.

Sec. 17. Any person who holds a license from the board of medical examiners heretofore existing, under the provisions of any laws of this state, past or present, shall be entitled to practice medicine and surgery in this state the same as if issued under this act: Provided, however, That all licenses herein mentioned may be revoked for unprofessional conduct, in the same manner and upon the same grounds as if issued under this act.

Sec. 18. All persons granted licenses or certificates under this act, shall be subject to the state and municipal regulations relating to the control of contagious diseases, the reporting and certifying to births and deaths, and all matters pertaining to public health; and all such reports shall be accepted as legal.

Sec. 19. Nothing in this act shall be construed as to inhibit service in the case of emergency, or to the domestic administration of family remedies; nor shall this act apply to any commissioned medical officer in the United States army, navy, or marine hospital service, in the discharge of his official duties; nor to any licensed dentist when engaged exclusively in the practice of dentistry; nor shall this act apply to any practitioner from any other state or territory in which he resides: Provided, That such practitioner shall not open an office or appoint a place of meeting patients or receive calls within the limits of this state. Nor shall this act be construed to discriminate against any particular school of medicine or surgery or osteopathy, or any system or mode of treating the sick or afflicted, or to interfere in any way with the practice of religion: Provided, That nothing herein shall be held to apply or to regulate any kind of treatment by prayer.

Sec. 20. All persons receiving a certificate or license under this act shall use no deception in the use of titles of his or her mode of treating the sick, but shall use only such titles as are designated by his or her diploma; or those not having a diploma shall use only such title as he or she holds license to practice. Any person violating this section of this act shall be guilty of a misdemeanor.

Sec. 21. The words "certificates" and "licenses" shall be known as interchangeable terms in this act.

Sec. 22. All acts, or parts of acts, in any wise conflicting with the provisions of this act, are hereby repealed.

Sec. 23. An emergency exists and this act shall take effect immediately.

Passed by the House February 19, 1909.
Passed by the Senate March 8, 1909.
Approved March 18, 1909.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; }, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

C

WEST VIRGINIA

WEST VIRGINIA.

CAPITAL, CHARLESTON.

Population of State, 1,221,119.

(U. S. Census, 1910.)

Number of Physicians, 1,627.

West Virginia was set off from Virginia December 31, 1862, and admitted as a state June 19, 1863. The total land surface is, approximately, 24,645 square miles. It extends from 37 degrees 6 minutes to 39 degrees 37 minutes north latitude, and from 77 degrees 43 minutes to 82 degrees 33 minutes west longitude, and is bounded on the north by Pennsylvania and Maryland, on the south and east by Virginia, and on the west by Kentucky and Ohio. The climate is mild and healthful, the mean annual temperatue being 54.27 degrees; that of the summer 71.40 degrees, and of the winter 36.66 degrees. The average annual rainfall is about 43 inches. The state is elevated throughout and mostly mountainous. The whole eastern portion is traversed by parallel ridges of the Allegheny Mountains. The western part of the state is a rolling table-land gently sloping down from 2,500 feet in the east to 900 feet on the banks of the Ohio river. The two principal rivers of the state are the Ohio and Potomac. Both flow along its borders and drain the state with numerous affluents. The principal of these are the Big Sandy, Guyandot, Elk, Monongahela, Kanawha, Cheat, Little and Great Cacapon, Shenandoah, etc.

For list of Medical Colleges, see page 151.

STATE BOARD OF HEALTH.

Pres, R E Vickers, M D, Huntington; Sec and Executive Officer, H A Barbee,

MEDICAL LAW OF WEST VIRGINIA.

The following provisions from the act regulating state and local boards of health, etc., set forth the law as it now is with regard to admission to the profession of medicine in West Virginia:

Sec. 4386. Physicians and Surgeons—Who may Practice Medicine—Examinations by State Board of Health—Certificates.

9. The following persons and no others shall hereafter be permitted to practice medicine in this state:

1st. All such persons as shall be legally entitled to practice medicine in this state at the time of the passage of this act.

2nd. All such persons as shall be graduates of a reputable medical college, recognized as such by the state board of health, who shall pass an examination before said state board of health and shall receive certificates therefrom, as hereinafter provided; Provided, also, that the state board of health, or a majority of them, may accept in lieu of an examination, the certificate of license to practice medicine legally granted by the board of registration or examination or licensing board of any other state, territory, or any foreign country whose standard of qualification for the practice of medicine is equivalent to that of this state, and grant to the said applicant a certificate of license to practice medicine in this state; Provided, such states, territories, or foreign countries accord like privilege to medical licentiates of this state. The state board of health shall, at such times as a majority of them may deem proper, hold examinations for the licensing of practitioners of medicine. Such examinations shall not be less in number than three during each year, and shall be held at such points in the state as shall be most convenient to those presenting themselves for examination, or to the state board of health. At such examinations, written and oral questions shall be submitted to the applicants for license, covering all the essential branches of the sciences of medcine and surgery, and the examination shall be a thorough and decisive test of the knowledge and ability of the applicants. The president and secretary of the state board of health shall issue certificates to all who sucessfully pass the said examination, and to all those whose certificates said board of health or a mapority of them shall accept in lieu of an examination as hereinbefore provided, except that in the certificate issued to applicants who adher to the osteopathic school it shall appear that it is for the practice of osteopathy, and such certificates, after being duly recorded as hereinafter provided, shall be deemed licenses to practice medicine, surgery and osteopathy in all their branches in this state. The state board of health shall give timely notice of the time and place of holding each such examination, by publishing such notice in at least three newspapers of general circulation in this state, and all such pesons wishing to present themselves for examination shall notify the secretary and comply with the rules of the state of health. No applicant for license to practice medicine in this state shall be rejected because of his or her adherence to any particular school or theory of medicine. The state board of health shall call to their assistance, in the examination of any applicant who professes the homeopathic, or osteopathic, or eclectic school of medicine, a homeopathic, osteopathic, or eclectic physician entitled, to practice medicine in this state under this act, and such homeopathic, osteopathic, or eclectic physician so called to the assistance of the state board of health shall be allowed the per diem and actual expenses incurred hereinafter allowed to regular members of the state board of health; Provided, however, that the provisions of this and the preceding section shall not apply to physicians living in other states and duly qualified to practice medicine therein, who shall be called into consulation into this state by a physician legally entitled to practice medicine in this state under this chapter, and provided further that the provisions of this chapter shall not apply to females practicing midwifery, or to commissioned officers of the United States army and navy and marine hospital service when in the actual discharge of their duties as such commissioned officers; Provided, further, that this act shall not apply to osteopathic physicians practicing in the state at the time this act takes effect who are graduates of any recognized reputable school of osteopathy.

Sec. 4387. Same—Certificates—Recording—Refusal or Revocation.

10. Every person holding any such certificate, as is hereinbefore provided for, shall have the same recorded in the office of the secretary of the state board of health, in a book to be kept by him for that purpose, and the secretary shall endorse on said certificate the fact of such recordation and deliver the same to the person named therein or to his order. The state board of health may refuse certificates to individuals guilty of malpractice or dishonorable conduct, and they may revoke certificates for like causes. Such revocation being after due notice and trial by the board of health, with right of appeal to the circuit court of the county in which such individual resides; but no such refusal or revocation shall be had or made by reason of the individual belonging to or practicing in any particular school or system of medicine.

Sec. 4388. Same—Examinations—Fees—Re-examination.

11. Every person, on presenting himself for examination as hereinbefore provided, shall pay to the state board of health, or to the members thereof by whom he is examined, a fee of ten dollars, which shall not be returned if a certificate be refused him. But he may again at any time within one year after such refusal present himself for examination as aforesaid, without the payment of an additional fee, and if a certificate be again refused him he may as often as he sees fit thereafter, on the payment of a fee of ten dollars, be examined as herein provided, until he obtains such certificate. All other persons who shall be granted a license to practice medicine in this state under the provisions of section nine of this chapter shall each pay a fee of twenty-five dollars to the state board of health.

Section twelve of chapter one hundred and fifty of the Code of nineteen hundred and six is hereby repealed.

Sec. 4390. Same—Persons to Whom Provisions of Chapter Applicable.

13. Any person shall be regarded as practicing medicine, within the meaning of this chapter, who shall profess publicly to be a physician, and to prescribe for the sick or who shall append to his name the letters "M. D." This act shall also apply to apothecaries and pharmacists who prescribe for the sick. This act shall not apply to commissioned officers of the United States army and navy and marine hospital service.

MOTHERSILL'S **Prevents, Stops**
WRITE FOR PARTICULARS **Sea or Trainsickness**
MOTHERSILL'S REMEDY CO., (Limited)
300 Scherer Building - - Detroit, Mich.

Sec. 4391. Same—Itinerant Physicians—Vendors of Drugs, Etc.—License Tax.

14. Any itinerant physician desiring to practice medicine in this State, or any itinerant vendor of any drug, nostrum, ointment, or appliance of any kind, intended for the treatment of disease or injuries; or who shall by writing or printing, or in any other method, publicly profess to cure or treat diseases, injuries or deformities, by any drug, nostrum, manipulation, or other expedient, shall before doing so, pay to the sheriff of every county in which he desires to practice, a special tax of fifty dollars for each month or fraction of a month he shall so practice in such county, and take his receipt in duplicate therefor. He shall present said receipt to the clerk of the county court of such county, who shall file and preserve one of them in his office, and shall endorse on the other the words, "A duplicate of this receipt has been filed in my office," and sign the same; and if any such physician or vendor of patent medicines shall practice or attempt to practice in any such county without having paid such tax and filed such receipt with the clerk of the county court, and obtained his endorsement on the other as aforesaid, or if he shall practice or attempt to practice for a longer time than for which he has paid such tax as aforesaid, he shall be guilty of a misdemeanor, and shall be fined not less than one hundred nor more than five hundred dollars. Any person who shall travel from place to place, and by writing, printing or otherwise, publicly profess to cure or treat diseases, injuries or deformities, shall be held and deemed to be an itinerant physician and subject to the taxes, fines and penalties prescribed in this section.

Sec. 4392. Same—Penalties.

15. If any person shall practice, or attempt to practice medicine, surgery or obstetrics in this State, without having complied with the provisions of section nine of this chapter, except as herein provided, he shall be guilty of a misdemeanor and fined for every such offense, not less than fifty nor more than five hundred dollars, or imprisoned in the county jail not less than one month nor more than twelve months, or be punished by both such fine and imprisonment, at the discretion of the court. And if any person shall file or attempt to file, as his own, the diploma or certificate of another, or shall file or attempt to file a false or forged affidavit of his identity, or shall wilfully swear falsely to any question which may be propounded to him on examination, as herein provided for, or to any affidavit herein required to be made or filed by him, he shall, upon conviction thereof, be confined in the penitentiary not less than one nor more than three years, or imprisoned in the county jail not less than six nor more than twelve months, and fined not less than one hundred or more than five hundred dollars, at the discretion of the court.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; {, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

The KESSLER HOSPITAL

CLARKSBURG, W. VA.

BELL PHONE 66. HOME PHONE 119.

A progressive, modern hospital, established in 1899, in one of the most active and progressive states. Conveniently located near the Hub or center of West Virginia, easy to reach by all railroads. It is charmingly situated; lovely climate and scenery; well kept lawn, shade trees, porches and verandas. A modern building on a spacious site; cheerful and homelike in its surroundings. Every new and scientific appliance is included in its equipment for accurate diagnosis and treatment of disease, including microscopic, laboratory, X-ray, electrical and hot air apparatus. It is a general hospital, devoting special attention to surgery, obstetrics and diseases of women.

AMBULANCE SERVICE.

Entire building just been renovated throughout and new operating room added.

C

WISCONSIN.

CAPITAL, MADISON.

Population of State, 2,333,860.
(U S Census, 1910.)
Number of Physicians, 2,352.

In 1836 the Territory of Wisconsin came into existence, and in 1848 she became a sovereign state, with Nelson Dewey as Governor. The capital was first at Belmont, then at Burlington, and in 1838 was removed to Madison.

The total land surface is, approximately, 54,450 square miles. It extends from 42 degrees 31 minutes to 46 degrees 58 minutes north latitude, and from 87 degrees to 92 degrees 53 minutes west longitude, and is bounded on the north by Lake Superior, on the northeast by the northern peninsula of Michigan, on the east by Green Bay and Lake Michigan, on the south by Illinois, and on the west by Iowa and Minnesota. The climate is cool and pleasant, the mean annual temperature being 45.40 degrees, that of the summer 69.11 degrees, that of the winter 20.84 degrees. The average annual rainfall is about 31 inches. The surface is comparatively level. The Penokee range, about thirty miles south of Lake Superior, is the highest elevation. A slight ridge borders Lake Michigan for 30 miles inland. The state has exceptional facilities for water transportation. Its coast line on Lake Superior is 120 miles, on Lake Michigan 200 miles, and on the Mississippi river 400 miles. The affluents of Lake Superior, owing to the structure of the country, are short and have much fall. They are the Montreal, Bad, Burnt Wood and St. Louis. The Peshtigo, Menomonee, Pensaukee, Oconto, Fox and Wolf run into Green Bay. The Mississippi receives the Chippewa, St. Croix, Wisconsin, Black, Rock, Buffalo and Trempeleau. Other important streams are the Sheboygan, Manitowoc, Milwaukee and Kewaunee, flowing into Lake Michigan. The whole state is dotted with picturesque inland lakes. Railroads traverse every county in the state. The northern and central portions of the state have extensive forests of pine basswood, hickory, maple, elm, ash, black walnut, butternut, oak, birch, poplar, hemlock and cedar. The southern portion is an extensive prairie with very little native timber, except along the banks of the streams. Lead, iron, copper, zinc, salt, alum and building materials constitute the principal mineral resources. Agriculture is the chief industry, the staple crops being corn, oats, wheat, rye, barley, hay, buckwheat, hops, flax, hemp, pulse, sorghum and tobacco. Dairying and live stock raising are important. The manufactures are extensive and rapidly increasing, the state being well known for its output of lumber, woodenware, beer, brick, boots and shoes, leather, harness, etc. Its iron, copper and lead mines are enormous and a source of constantly increasing wealth. Age, wealth and population considered, the state is unexcelled in the matter of public institutions. Its educational, as also its penal and charitable institutions, have been liberally established and intelligently supported, every effort having been put forth to raise to the highest degree the character and efficiency of them all.

For list of Medical Colleges, see page 151.

BURN=BRAE, A PRIVATE HOSPITAL FOR MENTAL AND NERVOUS DISEASES.
(See adv. in Philadelphia)

STATE BOARD OF HEALTH AND VITAL STATISTICS.

WISCONSIN MEDICAL LAW.

AN ACT relating to the State Board of Medical Examiners, and to the registration and licensing of persons engaged in the practice of medicine, surgery, or osteopathy in the State of Wisconsin.

The people of the State of Wisconsin, represented in senate and assembly, do enact as follows:

Section 1. The governor shall appoint a board of medical examiners to be known as the Wisconsin State Board of Medical Examiners, consisting of eight (8) members. Such appointments shall be made from separate lists presented to him every second year, one list of ten (10) names presented by the Wisconsin State Medical Society, one list of ten (10) names presented by the Homeopathic Medical Society of the State of Wisconsin, one list of ten (10) names presented by the Wisconsin State Eclectic Medical Society, and one list of five (5) names presented by the Wisconsin State Osteopathic Association. In case any of said societies or associations fail to present such list of names, the governor may fill vacancies in the board by appointment from the last list filed by such association or society previous to the occurrence of such vacancy. The appointment of each member of said bond shall be for the term of four (4) years and until his successor is appointed and qualified; the proportion of the different schools of medicine, as herein provided, shall be preserved. No instructor, stockholder, member of, or person financially interested in any school, college or university having a medical department, or of any school of osteopathy, shall be appointed a member of said board. Three members of said board shall be allopathic, two shall be homeopathic, two eclectic and one osteopathic, and all shall be licentiates of said board, and no member shall serve for more than two consecutive terms, provided nothing contained in this act shall be construed as terminating or in any manner interfering with the term of any member of the present state board of medical examiners, but each of said members shall serve out his present term as a members of said board.

Sec. 2. Said board shall annually, at its July meeting, elect from its members a president, secretary and treasurer, and shall have a common seal. The president and secretary may administer oaths for the accomplishment of the objects of the board. Said board shall hold regular meetings on the second Tuesday in each January at Milwaukee and the second Tuesday of each July at Madison, and such other meetings at such other times and places as it may from time to time determine. The board shall keep a record of all its proceedings and also a register of all applicants for license, together with a record showing their ages, time spent in the study of medicine and the name and location of all institutions granting to such applicants degrees or certificates of lectures in medicine, surgery or osteopathy. Said register shall also show whether such applicant was rejected or licensed, and said books and register shall be prima facie evidence of all the matters required to be kept therein.

Sec. 3. All persons commencing the practice of medicine, surgery or osteopathy in any of their branches in this state shall apply to said board at the time and place designated by said board, or at any regular meeting thereof, for license so to practice, and shall present to said board a diploma from a reputable college of medicine and surgery or osteopathy. A college to be deemed reputable by this board shall require at least four courses of not less than seven months each before

Private Sanitarium for Nervous and Mental diseases. ***Breezehurst Terrace.*** Home Plan. 35 minutes from Penn Station. Whitestone, ***L. I., N. Y. City.*** Physicians in charge Dr.D.A.Harrison,Dr.D.R.Lewis. (See adv. in N. Y. City)

graduation, no two of such courses to be taken within any one twelve months, and that shall require for admission thereto a preliminary education equivalent to that necessary for entrance to the junior class of an accredited high school in this state, including a one year's course in Latin, and that shall after the year 1906 require for admission to such school a preliminary education equivalent to graduation from an accredited high school of this state, and shall submit to an examination in the various branches in medicine and surgery usually taught in reputable medical colleges, or if the applicant be an osteopath he or she shall present a diploma from a regularly conducted college of osteopathy maintaining a standard in all respects equal to that hereby imposed on medical colleges as to preliminary education, said college after 1904 to give three courses of eight months each, no two courses to be given in any one twelve months, and after the year 1909 such college shall give four courses of seven months each, as hereinbefore provided for medical colleges, and shall pass the regular examination of such board in anatomy, histology, physiology, obstetrics, gynaecology, pathology, urinalysis, chemistry, toxicology, dietetics, physical and general diagnosis, hygiene, and theory and practice of osteopathy. The examination in Materia Medica, therapeutics and practice shall be conducted by members of the board representing the school of practice, which the applicant claims or intends to follow. After examination, as hereinbefore provided, the board shall, if it find the applicant qualified, grant a license to said applicant to practice medicine and surgery in all their branches in this state, or a license to practice osteopathy therein, which license can only be granted by the consent of not less than six members of said board, and which, after the payment of fees as hereinafter provided, shall be signed by the president and secretary thereof, and attested by the seal of the board. Osteopaths, when so licensed, shall have the same rights and privileges and be subject to the same laws and regulations as practitioners of medicine and surgery, but shall not have the right to give or prescribe drugs or to perform surgical operations. The fee for examination shall be fixed by the board, but shall not exceed $15.00 in each case, with $5.00 additional for the license if issued. Such fee or fees shall be paid by the applicant to the treasurer of the board and may be applied toward defraying any proper and reasonable expenses of the board; provided, however, that any student who is exempted as a matriculant of any medical college of this state under chapter 306 of the laws of 1901, whose name is now on file with the Wisconsin State Board of Medical Examiners, shall, on the presentation of a diploma from any Wisconsin college, and on the payment of the fees specified in this act, and having satisfied said board that he or she is a person of good moral character, be licensed to practice without further examination by such board, provided that said college maintains its standard herein required. Every person practicing medicine or surgery in the State of Wisconsin, who, at the time of the passage and publication of this act, has not received a license from said board, and who shall after such passage and publication present a diploma from a reputable medical college and give satisfactory evidence of having been a reputable practitioner of medicine and surgery in the State of Wisconsin continuously since the first day of July, 1897, shall be granted a license without examination upon the payment of a fee not exceeding $5.00, as determined by said board. Any person applying for such license shall, if he or she be possessed of a certificate of registration issued under the according to the provisions of chapter 87 of the laws of 1899 present such certificate to said board with the diploma and application of such license, and surrender said certificate on the issuance of said license, the registration fee paid for same shall be deducted from the last named fee. Any practitioner of medicine or osteopathy holding a certificate from any other state board imposing requirements equal to those established by the board provided for herein, may, on persentation of the same, with a diploma from a reputable medical or osteopathic college, be admitted to practice within this state without an examination, at the discretion of the board, on the payment of the fee fixed by the board, not exceeding the sum of $25.00.

Sec. 4. All money received by the board shall be kept by the secretary thereof, who shall also act as treasurer, out of the funds coming into their possession from the fees mentioned in the preceding section; the board may pay all legitimate and necessary expenses incurred by them, their agents or employes in the discharge of the duties of the board, and the members may receive for their services a sum to be determined by the board, not exceeding five dollars for each day actually spent in attending to the business of the board; the secretary shall receive a salary to be fixed by said board, not to exceed one thousand dollars per annum. Such salary, compensation and expenses shall be paid from the fees received by the board, and no part thereof shall be paid out of the state treasury. The secretary shall furnish to the board such bond as they may from time to time direct. It shall be the duty of said board to make a report of their proceedings to the governor at the end of each biennial period, together with an account of all moneys received and disbursed by them, and all moneys in excess of actual expenses shall be paid into the state treasury, the secretary of said board securing a receipt therefor, said moneys there to remain as an emergency fund which may be withdrawn in whole or in part by said board in case of necessity with the consent of the governor. Said biennial period shall begin Dec. 31, 1904. The provisions of this act shall not apply to commissioned surgeons of the United States army, public health and marine hospital service or to physicians or surgeons of other states or counties in actual consultation with resident physicians of this state.

And provided, further, that any practitioner of medicine or surgery holding a license from the state board of medical examiners of any adjoining state, dated since January 1st, 1901, shall on presentation of the same within one year from the taking effect of this act, accompanied by a certificate from the secretary of the state board of medical examiners of the state issuing the license that such applicant is a reputable practitioner of medicine and surgery, be licensed to practice medicine and surgery in this state without an examination, at the discretion of the board, on payment of the fee.

Dr. S. Grover Burnett's Private Sanitarium
A Strictly Ethical Sanitarium for Classical, Neurological and Psychological Practice, including Inebriety. Special attention to Dr. Burnett's Preferred Treatment of Morphinism as published. 3100 Euclid Avenue Kansas City, Mo.

Sec. 5. Every person hereafter practicing medicine, surgery or osteopathy in this state shall be required to have the license herein provided for, or heretofore issued by the Wisconsin State Board of Medical Examiners, or a certificate of registration issued pursuant to the provisions of chapter 87 of the laws of 1899, and any person having or hereafter receiving a license according to the provisions of this act, or having such certificate of registration, shall record the same with the couty clerk of any county in which said person shall practice and pay to said clerk or clerks a fee of fifty (50) cents each for receiving the same, and said clerk shall enter a memorandum thereof, giving the date of said license or certificate, the name of the person to whom it was issued, school of practice chosen, and the date of such recording in a book to be provided and kept for that purpose. Any such person who shall fail to record his or her license or registration certificate, as herein provided, shall not exercise any of the rights or privileges conferred by such license or certificates. And any person beginning such practice without having obtained such license, or having obtained such license contrary to law, or any person who, not having such license or certificate of registration herein referred to, shall advertise or hold himself or herself out to the public as a physician, surgeon, osteopathic or specialist in any of the branches of medicine, surgery or osteopathy, or who shall use the title of "Doctor," or shall append to his or her name the letters "M. D." or "M. B.," meaning doctor or bachelor of medicine, or "D. O.," meaning doctor or diplomat of osteopathy, or any other letters of designation meaning any of the titles enumerated in this section, shall be punished by a fine of not less than $50.00 nor more than $100.00 for each offense, or by imprisonment in the county jail for a term not exceeding three months, or by both such fine and imprisonment. Any person practicing medicine, surgery or osteopathy, or without authority assuming the title of "doctor of medicine," "doctor or diplomat of osteopathy," "bachelor of medicine," or "physician," or "surgeon," or "osteopathist," or "osteopath," shall not be exempted from but shall be liable to all the penalties and liabilities for malpractice which physicians, surgeons or osteopathists are liable to, and ignorance on the part of any such person shall not lessen such liability for failing to perform, or for negligently or unskillfully performing or attempting to perform any duty assumed, and which is ordinary performed by physicians, surgeons or osteopathists. If any person licensed or registered by said board shall be convicted of any crime committed in the course of his professional conduct, the court in which such conviction is had may, in addition to any other punishment imposed pursuant to law, revoke such license or certificate. Said board shall have the power to adopt such rules for its government and may require the filling out of such blanks by applicants as it may deem necessary in order to ascertain the true character and qualifications of an applicant for license, and the board may in its discretion refuse to grant license to any person who does not furnish satisfactory proof of good moral and professional character.

Sec. 25 (Law of 1907). Every person shall be regarded as practicing medicine, surgery or osteopathy within the meaning of this act, who shall append to his or her name the words or letters "Doctor," "Dr.," "Professor," "Prof.," "Specialist," "M. D.," "M. B.," or "D. O.," or any other title letters, combination of letters or designation which in any way represents him or her, or may tend to represent him or her, as engaged in the practice of medicine, surgery or osteopathy, in any of its branches, or who shall for a fee or for any compensation of any kind of nature whatsoever, prescribe or recommend for like use any drugs or other medical or surgical treatment or osteopathic manipulation, for the cure or relief of any wound, fracture, bodily injury, infirmity or disease, provided, however, that nothing in this act contained shall be construed as applying to any dentist or resident refracting optician engaged in the practice of his profession. (Section 1435f, Statutes of 1898, as amended by Ch. 363, 1907.)

Sec. 7. It shall be the duty of the board of medical examiners to investigate all complaints in regard to the violation, or disregard of, or non-compliance with, the provisions of this act, and to bring all such cases to the notice of the proper prosecuting offcers, and it shall be the duty of the district attorney of the proper county to prosecute all violations of this act.

Sec. 8. No persons practicing medicine, surgery or osteopathy shall have the right to collect, by law, any fees or compensation for the performance of any medical or surgical services, or fees for any service as an osteopathist, or to testify in a professional capacity as a physician, or surgeon, or insanity expert, in any case, unless he or she holds a license from the Wisconsin Board of Medical Examiners, or the certificate of registration hereinbefore referred to, with a diploma from a reputable medical college or society, or a certificate of membership in a medical society, and has been duly recorded as a practitioner in the State of Wisconsin; provided, that nothing in this act contained shall be construed as restricting any court in a criminal action from receiving the testimony of any person as a witness.

Sec. 9. All acts or parts of acts in any wise conflicting with the provisions of this act are hereby repealed.

Sec. 10. This act shall take effect and be in force from and after its passage and publication.

Sub. for No. 353. A.

A BILL empowering and requiring the Wisconsin State Board of Medical Examiners to refuse to grant licenses or certificates of registration to persons guilty of immoral, dishonorable or unprofessional conduct, and empowering the courts to revoke and annul any license or certificate issued to any person guilty of immoral, dishonorable or unprofessional conduct, or fraud or perjury in connection with obtaining such license or certificates, or through error.

The People of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

Section 1. It is hereby made the duty of the Wisconsin State Board of Medical Examiners to refuse to license or grant a certificate of registration to any person guilty of immoral, dishonorable, or unprofessional conduct. The circuit courts of this state are hereby vested with jurisdiction and power to revoke and annul any license or certificate of registration which has been heretofore or which may be hereafter issued to any person to practice medicine or surgery, or osteopathy in this state, who is guilty of immoral, dishonorable or unprofessional conduct, or who has procured such license or certificate of registration by fraud or perjury, or where the same was obtained through error. Upon a verified complaint in writing being made by any person, to the district attorney of any county, charging any person holding such license or certificate with having, in said county, been guilty of any immoral, dishonorable or unprofessional conduct, as defined in this act, or with having procured such certificate or license by fraud or perjury, or through error, said district attorney shall commence and prosecute an action in the circuit court of said county, against the person so complained against, to revoke and annul such license or certificate of such person. Such action shall be commenced and prosecuted as a civil action in the name of the State of Wisconsin as plaintiff, and against such person complained against as defendant, and the rules of pleading, evidence and practice in civil actions in the circuit court shall be applicable thereto, and either party may appeal from the circuit court to the supreme court as in other civil actions. Either party in said action may demand a jury trial, and the defendant shall have the right to be represented by counsel, and the court may permit counsel to assist the district attorney in the prosecution of such action. The costs of such prosecution shall be paid by the county in which said action is brought. If, upon the trial of such action, the court finds, or the jury returns a verdict in favor of the plaintiff, judgment shall be rendered revoking and annuling such license and certificate of the defendant, and the clerk of the circuit court shall forthwith cause a certified copy of such judgment to be sent to the secretary of the Wisconsin State Board of Medical Examiners to be filed for record in the office of said secretary. Any person whose license or certificate has been revoked under the provisions of this act, who shall thereafter practice, or offer or attempt to practice medicine, surgery or osteopathy in this state, shall be punished as provided in Chapter 426 of the Laws of 1903. No person shall be excused or privileged from testifying fully under oath or producing evidence, documentary or otherwise, in any action, proceeding or examination brought under the provisions of this act; but no person shall be prosecuted or subjected to any penalty for or on account of any transaction, matter or thing, concerning which such person may so testify or produce evidence , documentary or otherwise, except for perjury committed in giving such testimony. If the court before which the trial is had shall determine that the complaint made to the district attorney was wilful and malicious and without probable cause, it shall enter judgment against the person making such complaint for the costs of such action, and payment of the same may be enforced by execution against the body of such complainant as in tort actions.

Sec. 36. Obscene Advertising.—Any person who shall advertise in any manner, either in his own name or under the name of another person, firm or pretended firm, association, corporation, or pretended corporation, in any newspaper, pamphlet, circular or other written or printed paper, the treatment and curing of venereal diseases the restoration of "lost manhood," or who shall advertise in any manner that he is a specialist in diseases of the sexual organs or diseases caused by sexual weakness, self-abuse or excessive indulgence or in any diseases of a like nature or produced by like causes, or who shall advertise in any manner any medicine, drug, compound or any means whatever whereby sexual and venereal diseases of men and women may be cured or relieved or abortion or miscarriage produced, and the owner, publisher or manager of any newspaper who shall publish any such advertisement or permit or allow any such advertisement to be inserted and published in any newspaper owned or controlled by him or in which he has an interest, shall be guilty of misdemeanor and upon conviction thereof shall be punished by a fine of not less than twenty-five nor more than one hundred dollars. (Section 4590u. Statutes of 1898, created by chapter 156, laws of 1907.)

Sec. 42. Immoral, Dishonorable and Unprofessional Conduct Defined.—The words "immoral, dishonorable or unprofessional conduct" as used in section one of this act are hereby declared to mean: First, procuring, aiding or abetting a criminal abortion. Second; advertising in any manner either in his own name or under the name of another person, firm or pretended firm, corporation or pretended corporation, in any newspaper, pamphlet, circular, or other written or printed paper or document the curing of venereal diseases, the restoration of "lost manhood," the treatment and curing of private diseases peculiar to men and women, or the advertising or holding himself out to the public in any manner as a specialist in the diseases of the sexual organs, or diseases caused by sexual weakness. self-abuse or excessive indulgences, or in any disease of a like nature or produced by a like cause, or the advertising of any medicine or any means whatever whereby the monthly periods of women can be regulated or the menses re-established, if suppressed, or being employed by or in the service of any person, firm or pretended firm, association, corporation or pretended corporation, so advertising. Third; the obtaining of any fee, or offering to accept a fee on the assurance or promise that a manifestly incurable disease can or will be permanently cured. Fourth; wilfully betraying a professional secret. Fifth; indulging in the drug habit. Sixth; conviction of any offense involving moral turpitude. (Section 1436f. Statutes of 1898. as amended by section 1, Ch. 196, 1907.)

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; {, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

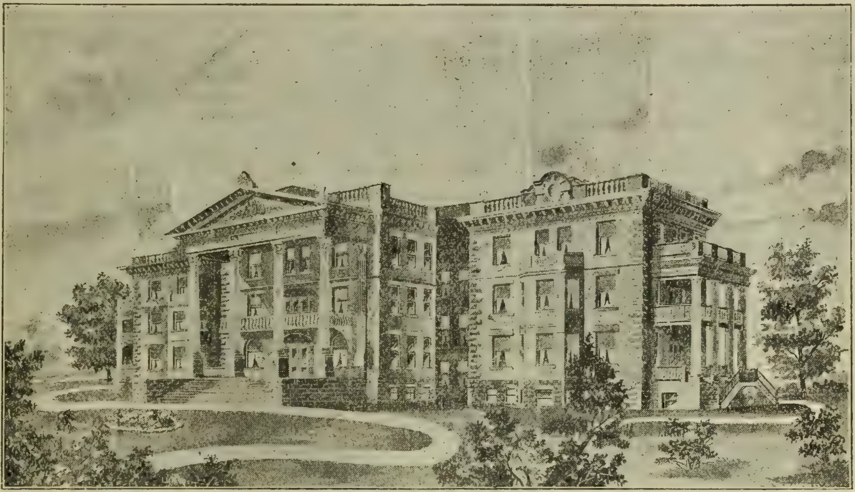
WAUKESHA SPRINGS SANITARIUM
FOR NERVOUS DISEASES



This building, **absolutely fireproof** throughout, is located in the most desirable health resort in the West. It is equipped with every modern convenience and appliance which can add to the comfort of its patients. Is heated with hot water, lighted by electricity, has gymnasium, large and carefully equipped hydrotherapeutic department. These contribute to make the institution one of the most complete in America. Separate building for mental cases. For information, address, **BYRON M. CAPLES, M. D., Superintendent, WAUKESHA, WISCONSIN.**

C

WYOMING.

CAPITAL, CHEYENNE.

Population of State, 145,965.
(U. S. Census, 1910.)
Number of Physicians, 168.

Wyoming was organized as a Territory in 1868, from what was then the southwestern portion of Dakota, northeastern part of Utah and eastern part of Idaho. On July 10, 1890, the territory was admitted as a state by Act of Congress, being the forty-fourth state in order of admission.

Its geographical location classes it among the states of the inter-mountain or arid region, being bounded on the north by Montana, on the east by Dakota and Nebraska, on the south by Colorado and Utah, and on the west by Utah, Idaho and Montana. Its length from east to west is 355 miles; width from north to south 276 miles, and it has an area of 97,890 square miles, or 62,645,120 acres. In general appearance the country is mountainous with valleys, rolling plains and plateaus. It is estimated that 10,000,000 acres of the area of the state are suitable for agricultural purposes by irrigation.

The climate is similar to that of the mountain region generally, and is not, as sometimes erroneously supposed, extraordinarily severe in the winter. The average mean temperature for the year is about 44 degrees, varying somewhat according to elevation, and the atmosphere is rarified and pure, with but few cloudy days. High winds sometimes prevail during the spring and fall, but cyclones and tornadoes are unknown, while the dryness of the atmosphere tends to ameliorate the effects of extreme cold.

For list of Medical Colleges, see page 151.

STATE BOARD OF HEALTH.

Pres, H T Harris, M D, Basin; Sec and Executive Officer, W A Wyman, M D, Cheyenne; Anna G Hurd, M D, Sheridan.

COUNTY HEALTH OFFICERS.

Albany—L P G Gouley, M D, Laramie.

Sulphur Springs—Nr Rawlins P O.
Thermopolis Hot Springs—Thermopolis P O.
Washakie Hot Springs—Ft Washakie P O.

RULES GOVERNING APPLICANTS FOR CERTIFICATES FROM THE WYOMING STATE BOARD OF MEDICAL EXAMINERS.

(1) Any person twenty-one years of age and of good moral character, who is a graduate of a legally chartered medical college or university having power to confer degrees in medicine and surgery, and such college or university being recognized as determined by the Board, shall upon the payment of twenty-five dollars, be entitled to examination, and, if found qualified, shall be licensed to practice medicine and surgery in this State and shall receive a license signed by the President and Secretary of the Board.

(2) The examination shall be in whole or in part in writing (in the English language) and shall be of a practical character, sufficiently strict to test the qualifications of the applicant as a practitioner of medicine. The examination shall embrace the general subjects of Anatomy, Physiology, Chemistry and Toxicology, Pathology and Bacteriology, Physical Diagnosis, Gynecology, Surgery, Obstetrics, Practice of Medicine, and Materica Medica and Therapeutics. Each applicant shall pass at least an average of seventy-five per cent. with not less than sixty in any one branch to entitle him to a license.

(3) If any candidate withdraws himself or herself, without permission of the examiner, his or her examination shall be closed. This rule permits a candidate temporarily ill to leave the room, and return only with the consent of the examiner.

(4) No candidate shall, under any circumstances, enter the examination room more than thirty minutes late, unless excused by the examiner, and no candidate shall leave the room within thirty minutes after the distribution of the questions.

(5) Applicants must not indicate in any manner the school of practice from which they have obtained their degree; by so doing their examination shall be cancelled. This shall not apply to inquiries made to the examiner.

(6) In order to receive consideration, examination papers must be legibly written in English, and free from such errors in spelling, grammer and reasoning as would show gross ignorance of the elementary branches of education.

(7) Applicants for reciprocity from States holding such relations with Wyoming shall make their applications on the endorsement blanks furnished by the Board, and the several requirements therein fulfilled. Previous to the presentation to the Secretary of the Board, the endorsement blanks, executed as required, with the fee of twenty-five dollars, one must furnish two recent unmounted photographs of him-

"The House of Decigold"
EDWARD ROWAN, Incorporated
Manufacturers and Dealers in Dental and Surgical Supplies
625 E. 163d STREET NEW YORK CITY, N. Y.

self, with his autograph on the back of same, sworn to before a notary public. Any positive means of identification will be acceptable to the Board.

(8) Since 1905 we have entered into reciprocal relations with sixteen States and the District of Columbia, seventeen Boards in all, and we accept only those certificates granted on examination by the Boards of these states, i. e., under qualification A of the reciprocity agreement. The following States are now in fraternal relations with Wyoming: Iowa, Kansas, Wisconsin, Michigan, Maine, Illinois, South Carolina, Minnesota, Vermont, Indiana, Virginia, Utah, West Virginia, Ohio, Colorado, Tennessee, and the District of Columbia.

Negotiations are now in progress with other States whose requirements are equal to or greater than our own.

(9) The regular meetings of the Board for examination shall be held at least three times a year, in February, June and October, and at such places as the Board may determine.

(10) The result of the examination shall be in the hands of the Secretary within three weeks.

BASIS FOR RECIPROCAL MEDICAL REGISTRATION.

That a License, or Certificate of Registration, issued by a State Board of Medical Examiners, or Registration, showing that an examination has been made by the proper Board of any State, on which an average grade of not less than seventy-five (75) per cent, or sixty (60) per cent in any one branch, was awarded, the holder thereof having been at the time of said examination the legal possessor of a diploma from a medical college, said college being recognized by the State Board of Medical Examiners or Registration of the State in which it is located, may be accepted, in lieu of examination, as evidence of qualification, but in case the scope of said examination was less than that prescribed by this State, the applicant may be required to submit to a supplemental examination in such subjects as have not been covered, and, provided, further, that the provisions in this section contained shall be held to apply only to such of said Medical Examining Boards as accept and register the certificates granted by this Board without examination by them of the ones holding such certificates.

NOTE.—No certificate will be issued except upon examination or by reciprocity agreement. The fee, which is $25, and the diploma must accompany each application. No certificate as to its possession will be accepted in lieu of the diploma.

The deposition must in all cases be duly acknowledged before a Notary Public or other proper officer. Diploma, fee and application should in all cases be sent together, if possible, by express prepaid. Don't send money to prepay return of diploma. It is better to pay for it upon its receipt by the applicant. Don't send personal check in payment of fee.

Diplomas, when sent by mail for verification, are first class matter, and the postage is the same as for letters, two cents per ounce. They will be returned by express only, or by registered mail where there is no express office. If to be returned by mail the applicant must in all cases send postage and fee for registering. Return this application when properly filled, and make the fee payable to Dr. A. B. Tonkin, Riverton, Wyo.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; ⸿, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; {, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

CANAL ZONE.

A strip of land about 10 miles in width with the canal through the center, and 45 miles in length from sea to sea, with an area of about 448 square miles. The United States also has jurisdiction over the adjacent water for 2 miles from shore. To all intents and purposes it is a perpetual lease from the Republic of Panama to the United States of all governmental right and privilege in this territory, and yet strictly speaking, it is not United States soil for residents therein acquire no rights of United States citizenship and have no voice in United States elections, while citizens of the Republic of Panama residing in the Canal Zone are protected in their electoral rights and are accustomed to go to Panama and Colon to vote in the Panamanian elections. The cities of Panama and Colon and a certain water frontage adjacent thereto, while within the 5-mile limit from the center line of the Canal Zone, are excluded from the Canal Zone and are considered Panamanian territory, although the United States has, under the treaty with the Republic of Panama, the right to regulate sanitary matters therein, and, if necessary to preserve order, to enter those cities with armed forces and take possession of them.

DEPARTMENT OF SANITATION.

Chief Sanitary Officer, Wm C Gorgas, Colonel Medical Corps U S Army; Asst Chief Sanitary Officer, John L Phillips, Colonel Medical Corps, U S Army; General Inspector, Robert E Noble, Major Medical Corps, U S Army; Sanitary Inspector's Division: Joseph A L Prince, Chief Sanitary Inspector; Alex J Orenstein, Asst Chief Sanitary Inspector.

MEDICAL LAWS OF THE CANAL ZONE, ISTHMUS OF PANAMA.

DEPARTMENT OF HEALTH.

Sec. 12. It shall be the duty of the Department of Health to adopt all measures necessary for the protection and promotion of the public health and for the care of the sick in the Canal Zone, and for the enforcement of sanitary and quarantine rules and regulations adopted or enacted by the Isthmian Canal Commission for the Canal Zone and adjacent waters, and also of the sanitary and quarantine rules and regulations adopted or enacted by said Commission pursuant to the provisions of the Convention between the United States and the Republic of Panama, signed at Washington, November 18, 1903, or other competent authority, for the cities of Panama and Colon, in the Republic of Panama.

In accordance with order of the Governor of the Canal Zone of October 8, 1904, the following rules are hereby formulated for adoption by the Board of Health, for the examination for admission to the practice of medicine, pharmacy, surgery, dental surgery and midwifery:

(1) That the applicant for license to practice medicine, surgery, or dental surgery, shall, as provided for by the order of October 8, 1904, above alluded to, exhibit to the Board of Health a degree or diploma from some medical, or in the case of dentists, dental school, which in the opinion of the Board of Health is in good standing and reputation.

If in the opinion of the Board of Health it be advisable, the applicant to be licensed to practice medicine, surgery, or dental surgery, shall be requested to pass such an examination in these several branches as the Board of Health may set.

The license to practice the above professions shall be withdrawn by the Board of Health, should events subsequent to its issuance convince the Board of Health that the evidence on which it was issued was fraudulent, or should the person to whom issued be, in the opinion of the Board of Health, guilty of improper or unprofessional conduct.

(6) That the Assistant Chief Sanitary Officer, a member of the Board of Health, be appointed a committee to examine and pass on the qualifications of persons applying for license to practice the professions as named in the memorandum.

(7) That when the Assistant Chief Sanitary Officer shall have satisfied himself that the applicant is a proper person to be licensed for the practice of these professions, he shall so certify to the Secretary of the Board of Health, who will bring the matter up to the Board at its next meeting; provided, that on this certificate of the Assistant Chief Sanitary Officer the Secretary may issue a temporary license to an applicant, pending the action of the Board of Health.

(8) That the Secretary of the Board of Health shall receive and account for the fees for the issuance of said license.

Ancon, Isthmian Canal Zone, October 8th, 1904.

CIRCULAR NO. 3.

In pursuance of the authority vested in me as Governor of the Isthmian Canal Zone, by Article No. 8 of the Isthmian Canal Commission, approved September 2nd, 1904, and under the provision of the same act making it:

> "The duty of the Department of Health to adopt all measures necessary for the protection and promotion of the public health,"

the Board of Health of the Isthmian Canal Zone is authorized and directed to establish rules for the examination and admission of persons to the practice of medicine, surgery, pharmacy, dental surgery, midwifery, nursing, embalming, and undertaking, and to license persons properly qualified for the practice of such professions.

Provided, that no persons shall be admitted to practice medicine, or surgery or dental surgery, within the Zone unless he shall hold a degree or diploma from some medical or dental school or institution which, in the judgment of the Board of Health, is in good standing and reputation.

The fee to be charged by the Board of Health, for the examination and license of an applicant for admission to practice any one of the professions enumerated, shall be five dollars ($5) United States Currency, to be collected by the Board and accounted for to the Treasurer of the Canal Zone.

(Sgd.) GEO. W. DAVIS, Governor.

(Sec. 279, Pp. 127, Laws of the Canal Zone.)

EXECUTIVE ORDER.

To amend Circular No. 3.

By virtue of the authority vested in me, I hereby establish the following order for the Canal Zone, amending the Executive Order promulgated October 14, 1911, to read as follows:

Section 1. It shall be unlawful for any person to practice or attempt to practice medicine, surgery, dentistry, pharmacy or midwifery within the Canal Zone without first having obtained a license therefor from the Board of Health of the Canal Zone. Any person thus offending shall be punished by a fine not exceeding twenty-five dollars ($25) or by imprisonment in jail not exceeding thirty (30) days, or by both such fine and imprisonment in the discretion of the court; provided, that this order shall not apply to commissioned surgeons of the United States Army and Navy, or Marine-Hospital Service, nor to physicians, surgeons, dentists or pharmacists and their assistants and nurses employed by the Isthmian Canal Commission, nor to nurses acting under the orders of a licensed physician.

Sec. 2. Whoever not having registered as aforesaid shall advertise or hold himself out to the public as a physician or surgeon by appending to his name the letters M. D. or using the title of doctor, meaning thereby a doctor of medicine, or shall pretend to a knowledge of medicine or surgery, shall be punished by a fine not exceeding twenty-five dollars ($25), or by imprisonment not exceeding thirty (30) days, or by both in the discretion of the Court.

Sec. 3. Any person shall be regarded as practicing medicine within the meaning of this order who shall prescribe for, operate on or in any wise attempt to heal, cure or alleviate, or who shall in any wise treat any disease or any physical or mental ailment of another; provided, that nothing in this order shall be constructed to prohibit (a) the practice of the religious tenets of any church in the ministration of the sick or suffering by mental or spiritual means, without the use of any drug or material remedy, whether gratuitously or for compensation, provided that such sanitary laws, orders, rules and regulations as now are or hereafter may be in force in said Canal Zone are complied with; or (b) gratuitous services in case of emergency; or (c) the administering of ordinary household remedies.

Sec. 4. This order shall take effect on January 1, 1912.

(Sgd.) WM. H. TAFT.

Washington, December 26, 1911.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; ʒ, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; {, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

TERRITORY OF HAWAII.

CAPITAL, HONOLULU.

Population of Territory, 191,909.
(U. S. Census, 1910.)
Number of Physicians, 121.

The Hawaiian Islands are situated in the Torrid and Temperate Zones just on the Tropic of Cancer. They extend from northwest to southeast between parallels of latitude 22 derees 16 minutes and 18 degrees 55 minutes north and lie between meridians 154 degrees 40 minutes and 160 degrees 30 minutes west from Greenwich. The important islands are eight in number—Niihu-Kauai, Oahu, Molokai, Maui, Lanai, Kahoolawe and Hawaii. This group is also known as the Sandwich Islands, but now in disuse except abroad. The total area of all the islands in the group is 6,649 square miles or 4,127,000 acres. The situation of the Territory of Hawaii insures for it the happiest possible compromise between the climates of the two zones. Extremes of heat and cold are not felt, the mean annual average temperature as observed at Honolulu being about 72 degrees.

MEDICAL LAWS OF HAWAII.

Sec. 1068. License.—No person shall practice medicine or surgery in the Territory of Hawaii either gratuitously or for pay, or shall offer to so practice, or shall advertise or announce himself, either publicly or privately, as prepared or qualified to so practice, or shall append the letters "Dr." to his or her name, with the intent thereby to imply that he or she is a practitioner of medicine or surgery, without having a valid unrevoked license, obtained from the Treasurer of the Territory of Hawaii, in form and manner substantially as hereinafter set forth. Such license shall only be granted upon the written recommendation of the Board of Health; provided, however, that licenses to practice osteopathy may be granted to graduates holding diplomas from any legally chartered and regularly conducted School or College of Osteopathy, and further provided that a certificate to practice Osteopathy has first been obtained from any State Board of Osteopathic Examiners until such time as there is an Osteopathic Board of Examiners appointed for the Territory of Hawaii.

And provided further, that the practice of medicine as contemplated and set forth in this Act shall not be construed to exclude the use of any method or means or any agent either tangible or intangible by any person licensed to practice osteopathy, for the treatment of disease in the human subject, provided that no person so licensed to practice osteopathy shall, by reason thereof, be authorized to administer drugs or medicines, or to perform any surgical operation. Any person applying for a license to practice osteopathy shall first file with the Treasurer a certified copy of such diploma and satisfactory evidence that the applicant is a fit and proper person to be so licensed to practice osteopathy, and file with the President of the Board of Health a certificate from the Board of Osteopathic Examiners certifying that the applicant had passed the required examination, and is entitled to practice osteopathy in that State.

And further provided, that nothing herein contained shall apply to so-called Christian Scientists so long as they merely practice the religious tenets of their church without pretending a knowledge of medicine or surgery; provided, that the laws and regulations relating to contagious diseases are not violated.

Sec. 1069. "Practice of Medicine" defined.—For the purposes of this chapter the practice of medicine shall be held to include the use of drugs and medicines, water, electricity, hypnotism, or any means or method, or any agent, either tangible or intangible, for the treatment of disease in the human subject; provided, however, that nothing herein contained shall be held to forbid any person from the practice of any method, or the application of any remedial agent or measure under the direction or with the approval of a licensed physician; and provided further, that when a duly licensed physician pronounces a person afflicted with any disease hopeless and beyond recovery and shall give a written certificate to that effect to the person afflicted or his or her attendant nothing herein contained shall be held or construed to forbid any person from giving or furnishing any remedial agent or measure when so requested by or on behalf of such afflicted person.

The provisions of this Act shall not be construed to amend or repeal the law respecting leprosy or segregation.

Sec. 1070. Board of Medical Examiners.—No person shall be recommended by the board of health for a license to practice medicine or surgery except upon the written report of a board of medical examiners, to be appointed and constituted as in this chapter provided, setting forth that the applicant named therein has been duly examined and found to be possessed of the necessary qualifications.

Sec. 1071. Appointing, Removal, Qualifications.—For the purpose of carrying ou the provisions of this chapter the governor is authorized and directed to appoint in the manner prescribed in Section 80 of the Organic Act, a board of medical examiners, whose duty it shall be to examine all applicants for license to practice medicine or surgery, and to report the result of such examination to the board of health.

Such board of medical examiners shall consist of three persons, all of whom shall be licensed physicians or surgeons under the laws of this Territory. The appointments, unless to fill out unexpired terms, shall be for three years, subject, however, to removal by the governor in the manner prescribed in Section 80 of the Organic Act. The members of the board of medical examiners shall serve without pay.

Sec. 1072. Fee.—No applicant for a license to practice medicine or surgery shall be examined until he shall have paid to the treasurer a fee of ten dollars.

Sec. 1073. Form of License.—The form of license to practice medicine and surgery shall be substantially as follows:

Territory of Hawaii, Department of the Treasury.

License to Practice Medicine and Surgery.

...., a native of....................................
...., aged ....years, having been duly examined by the board of medical examiners, and having been recommended by the board of health as possessed of the necessary qualifications, is hereby licensed to practice medicine and surgery in the Territory of Hawaii.

This license is granted and accepted on the express condition that it may be revoked at any time for professional misconduct, gross carelessness or manifest incapacity; such misconduct, carelessness or incapacity, having been proven to the satisfaction of the board of health, and by that body reported to the treasurer.

Given under my hand and the seal of the department of the treasury this ....day of.....................A. D.,...........

(Signed) ....

Treasurer.

Sec. 1074. Penalty.—Any person who shall practice medicine or surgery in the Territory of Hawaii, or who shall offer or attempt to so practice, or shall advertise or announce himself, either publicly or privately, as prepared or qualified to so practice, contrary to the provisions of Section 1068, shall be guilty of a misdemeanor, and shall be liable on conviction to a fine of not more than two hundred and fifty dollars, in the discretion of the court.

Sec. 1075. Revocation of License.—Licenses to practice medicine and surgery may be revoked by the treasurer at any time for professional misconduct, gross carelessness or manifest incapacity; such misconduct, carelessness or incapacity, having been proven to the satisfaction of the board of health, and by that body reported in writing to said treasurer. In case any license is revoked for any of the causes named in this section, the holder thereof shall be immediately notified of such revocation in writing by the treasurer.

Sec. 1076. Notice, Hearing.—In case of an alleged misconduct, carelessness or incapacity on the part of any holder of a license to practice medicine or surgery, the person so charged shall be notified in writing of the charge or chages that have been made, and of the time and place when and where evidence in support of the same will be heard, and shall have the opportunity to present evidence and be heard in his own defense.

Sec. 1077. Sorcery, etc., Penalty.—Any person who shall attempt the cure of another by practice of sorcery, witchcraft, anaana, hoopiopio, hoounauna, hoomanamana, or other superstitious or deceitful methods, shall, upon conviction thereof, be fined in a sum not less than one hundred dollars, nor more than two hundred dollars or be imprisoned at hard labor not to exceed six months.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; {, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

PHILIPPINE ISLANDS.

Capital, Manila.

Population, 8,000,000.
Number of Physicians, 578.

The Philippine Islands form a part of the great archipelago known as the East Indies. They lie southeast of the continent of Asia, nearly south of the Japanese Islands and north of Borneo and Celebes; between the meridian 116 degrees 46 minutes and 126 degrees 34 minutes east longitude, and between the parallels of 4 degrees 40 minutes and 21 degrees 10 minutes north latitude, that is entirely within the tropics.

In addition to the above the United States subsequently acquired from Spain the little group of islands known as Cagayan Sulu and nine other small islands lying off the north coast of Borneo.

The Philippine Islands are structurally connected with Borneo and Celebes by three isthmuses, which are partly submerged. The westernmost of these connects through Mindoro, the Calamaines and Paragua and Borneo. The passages between the southern point of Paragua and Borneo are shallow and much interspersed with islands, the largest of which is Balabac, and by many coral reefs. The second of these isthmuses connects with the northeastern point of Borneo and is continued through the Tawi-Tawi, Siassi, Jolo and Basilau groups to the southwestern point of Mindanao at Zamboanga, and is continued through the Visayan Islands to Central Luzon. Between these two connections lies the Sulu Sea with a maximum depth exceeding 2,000 fathoms. The third and easternmost of these isthmuses connects the northwestern point of the irregular island of Celebes through the Sanguil archipelago to the southeastern point of Mindanao, thence its course may be traced northward in a great curve through the easternmost ranges of Mindanao to Leyte and Samar through southeastern Luzon. This encloses the Celebes Sea, which is much deeper than the Sulu Sea. These three lines of elevation converge in Central Luzon and these combined appear to form the mountain system in the northern part of that island. Thus these two seas, the Sulu and Celebes, are nearly enclosed, their connection with the Pacific and with the China Sea being everywhere shallow. It results that their waters are, as a rule, much warmer than those of the adjacent oceans, since warm surface water can only flow through the passages connecting them.

Considering the Philippine archipelago by itself, it may be regarded as having the form of a triangle, open at the base and with its most acute angle pointing northward, this being represented by Northern Luzon and the Batan and Babuyan Islands. The western leg of the triangle is represented by Paragua and dependent islands and the eastern one by the Visayan Islands and Mindanao with the Sulu Sea lying between them.

The islands and the mountain ranges upon them have in general a trend which may be roughly described as northward and southward, although certain of them, such as that forming the backbone of Paragua, trend nearly northeast and southwest, while others trend to the west of north and to the east of south. The trend of these ranges seem to indicate the direction of the forces which produced the folds and faults which brought these lands above the sea. This is apparently the only indication of system in the archipelago and it may be mere fortuitous.

MEDICAL LAWS OF PHILIPPINE ISLANDS.

AN ACT regulating the practice of medicine and surgery in the Philippine Islands By authority of the President of the United States, be it enacted by the United States Philippine Commission, that:

Section 1. The commissioner of public health for the Philippine Islands shall appoint a board of medical examiners for the Philippine Islands, with the advice and consent of the board of health for the Philippine Islands, consisting of three physicians, who shall be graduates of a legally chartered and reputable medical college and shall hold the degree of doctor of medicine. They shall hold office for three years after their appointment, and until their successors are appointed and qualified: Provided, that the first appointees shall be appointed for a period of one, two and three years, respectively, as specified in their respective certificates of appointment from the commissioner of public health; and provided further, that no member of the faculty of any school, college or university where medicine or surgery is taught shall be eligible for appointment on said board. Each person appointed to the board shall qualify by taking and subscribing the following oath of office:

"I, ..., having been appointed a member of the board of medical examiners for the Philippine Islands, do hereby solemnly swear that I am a graduate in good standing of the legally chartered medical college or university at ...., in the city of ...., that I will well and truly perform all the duties of said office, that I will faithfully account for all moneys coming into my hands as such officer, that I will bear true faith and allegiance to the government of the United States, and that I take this oath without any mental reservation whatever; so help me God."

The oath shall be recorded and filed in the office of the secretary of the board of health for the Philippine Islands. The commissioner of public health shall fill any vacancy which may occur on the board within one month after the vacancy occurs, and may remove any member of said board for continued neglect of duty, incompetency, or for unprofessional or dishonorable conduct, with the advice and consent of the board of health for the Philippine Islands.

Sec. 2. The board of medical examiners shall appertain to the department of the interior, so far as executive action may be required in connection with it. It shall organize immediately after the appointment of its members, and annually thereafter on the anniversary of its first organization, by electing from its members a president, who shall be its chief executive officer, and a secretary-treasurer. It shall procure and keep a seal with which to attest its official acts. The members of the board, except the secretary-treasurer, shall receive as compensation the sum of two and one-half dollars ($2.50) each for each candidate examined and for registration as doctor or licentiate of medicine, and one dollar ($1.00) each for each candidate examined for registration as undergraduate of medicine or midwife. The secretary-treasurer shall receive compensation at the rate of two hundred dollars ($200) per year, one-half of which amount shall be paid on the 30th of June and one-half on the 31st of December of each year. The amounts due the members of the board of examiners for compensation shall be paid from insular funds and disbursed by the disbursing officer of the board of health for the Philippine Islands. The secretary-treasurer shall execute a bond for five hundred dollars ($500) with good and sufficient sureties, which shall be approved by the treasurer of the Philippine archipelago, conditioned that he will pay to the treasurer of the Philippine archipelago all moneys received by him as treasurer, and that he will faithfully discharge all the duties of his office. He shall keep a record of the proceedings of the board and a register of all persons to whom certificates of registration as doctors of medicine, licentiates of medicine, undergraduates in medicine, or midwives, have been granted under the provisions of this act, setting forth the name, age, sex and place of business of each, his postoffice address, the name of the medical college or university from which he graduated or in which he has studied, if any, and the date of such graduation or term of study, together with the time spent in the study of medicine elsewhere, if any, and the names and locations of all institutions which have granted to him degrees or certificates of clinics or lectures in medicine and surgery, and all other degrees granted him from institutions of learning.

Sec. 3. The board of medical examiners shall meet in the city of Manila for the purpose of examining candidates desiring to practice medicine in the Philippine Islands on the second Tuesday of January, April, July and October of each year, after giving thirty days' written or printed notice of such meeting to each candidate who has filed his name and address with the secretary-treasurer of the board. The board of medical examiners shall issue a certificate of registration to any person who furnishes satisfactory proof of having received a diploma as doctor of medicine from a chartered medical school or college in good standing or a degree as licentiate of medicine and surgery from the St. Thomas University in the city of Manila, or who has received permission to appear before a medical board for examination with a view to obtaining a license to practice medicine, in accordance with the provisions of circular order of the military governor No. 5, issued February 25, 1900, and circular order No. 6, same authority, issued April 1, 1900, and who shall issue four forms of certificates of registration to persons who have been examined and favorably passed upon by the board. One, for persons holding the degree of doctor of medicine; another, for persons holding the degree of licentiate of medicine; a third, for undergraduates in medicine, or "cirujanos ministrantes;" and a fourth, for mdiwives. Each certificate shall be signed by a majority of the members of the board. The secretary-treasurer of the board shall collect a fee of fifteen dollars ($15.00) for each certificate of registration as doctor or licentiate of medicine, and a fee of five dollars ($5.00) for each certificate of registration as "cirujanos ministrante," or as midwife, issued by the board.

Sec. 4 The board shall, on or before the 30th of June of each year, make a report to the Secretary of the Interior of its proceedings during the past year, and of all moneys received and disbursed by it within that period.

Sec. 5. After March 1, 1902, it shall be unlawful for any person to practice medicine, surgery or midwifery in any of its branches in the Philippine Islands, unless he holds a certificate of registration from the board or has otherwise complied with the provisions of this act. Any person in continuous practice of medicine, surgery or midwifery in any of their branches in the Philippine Islands prior to the passage of this act may become a registered practitioner by submitting to the board of medical examiners for the Philippine Islands a diploma of doctor or licentiate of medicine from a reputable medical school or college: Provided, that any person now a member of the highest class in the St. Thomas University in the city of Manila who shall have pursued his studies in medicine and surgery in the said university for not less than five years, and shall receive a degree of licentiate in medicine and surgery from said university in the month of March, 1902, may likewise become a registered practitioner by submitting to the board of medical examiners such degree on or before the first day of April, 1902. For the purposes of this section a physician who has been in the regular practice of his profession in these islands, but whose practice has been interrupted by trips abroad for study or pleasure only, shall be deemed to have been in continuous practice. Provided further, that any person who has passed the requisite examination before a board of examiners convened pursuant to special orders No. 5, office of the United States military government in the Philippine Islands, dated February 25, 1900, and circular No. 6, same authority, dated April 1, 1900, shall not be required to undergo another examination, but shall be entitled to be registered and to receive a certificate of registration as a licentiate of medicine. The fee for such certificate shall be ten dollars ($10.00), provided, further, that any person who has studied medicine in the St. Thomas University of the city of Manila for a period of not less than two years, and has received the title of "cirujano ministrante" from said university may be registered to practice medicine in remote towns of a province where no civilian doctor of medicine or licentiate of medicine is available, upon passing a satisfactory examination before the provincial board of health for the province in which he desires to practice and paying to its provincial treasurer a fee of five dollars ($5.00) for a certificate of registration, which shall thereupon be issued to him by the president of the provincial board of health.

Sec. 6. Every person hereafter desiring to begin the practice of medicine or surgery in the Philippine Islands shall apply to the board of medical examniers for a certificate of registration as doctor of medicine, and such applicant shall submit to an examination in the following branches, to-wit: Anatomy, physiology, chemistry, materia medica and therapeutics, pathology and bacteriology, hygiene, surgery, practice of medicine, obstetrics, diseases of women and children, diseases of the nervous system, diseases of the eye and ear, medical jurisprudence; and shall present a diploma of doctor of medicine from a medical school or college recognized as reputable by the board of health for the Philippine Islands. Examinations may be written or oral, or both. In case any applicant shall fail to pass a satisfactory examination, he shall not be permitted again to present himself for examination until a period of six months has elapsed.

Sec. 7. Every person holding a certificate of registration from the board of medical examiners shall have it recorded in the office of the registrar of deeds in the province or provinces within which he may desire to practice, or in the city of Manila, as the case may be, before engaging in the practice of medicine, surgery or midwifery, and until such certificate is so recorded, the holder thereof shall not exercise any of the privileges to practice medicine conferred therein. The holder of the certificate shall pay the registrar the usual fees for recording such certificate.

ANTIKAMNIA AND CODEINE TABLETS
For Neuroses of the Larynx, Menstrual Neuroses, Etc.

Sec. 8. The board of medical examiners may refuse to issue any of the certificates provided for in this act to an individual convicted by a court of competent jurisdiction of any offense involving immoral or dishonorable conduct. In case of such refusal, the reason therefor shall be stated to the applicant in writing. The board may also revoke any such certificate for like cause, or for unprofessional conduct, after due notice to the person holding the certificate, and a hearing, subject to an appeal to the board of health for the Philippine Islands, the decision of which shall be final.

Sec. 9. Any person shall be regarded as practicing medicine within the meaning of this act who shall treat, operate upon, prescribe for any physical ailment of another for a fee, or who shall represent himself by means of signs, cards, advertisements or otherwise as a physician or surgeon; but nothing in this act shall be construed to prohibit the rendering of services in cases of emergency or the administration of family remedies, or to apply to medical officers of the United States army, the United States navy or the United States marine hospital service, or to physicians and surgeons from other countries, provinces or cities called in consultation, or to actual medical students practicing medicine under the direct supervision of a preceptor who is a registered doctor of medicine.

Sec. 10. Any person practicing medicine or surgery within the Philippine Islands without first having obtained the certificate of registration herein provided for, or otherwise contrary to the provisions of this act, shall, upon conviction, be punished by a fine of not more than one hundred and fifty dollars ($150.00), or by imprisonment for not more than ninety days, or both, in the discretion of the court.

Sec. 11. Any person desiring to practice obstetrics in the Philippine Islands shall be entitled to a certificate of registration as midwife from the Board of Medical Examiners, upon passing a satisfactory examination and paying to the Secretary-Treasurer of the board a fee of five dollars ($5.00). The examination shall be of such a character as to determine the qualifications of the applicant for the practice of midwifery. Any person practicing midwifery in the Philippine Islands without first having obtained the certificate of registration herein provided for, or otherwise contrary to the provisions of this act, shall, upon conviction, be punished by a fine of not more than fifty dollars ($50.00) for each offense: Provided, that this section shall not be construed to prevent a doctor of medicine or licentiate of medicine who holds a certificate of registration as such from practicing obstetrics, or to prohibit the gratuitous rendering of obstetrical services by a friend or member of the family of the patient, or to prohibit the rendering of obstetrical services by any person in a case of emergency, nor shall it apply to persons practicing midwifery in municipalities where there are no licensed practitioners.

Sec. 12. No person shall in any way advertise as a doctor of medicine, physician or surgeon, or prefix or append the letters "Dr.," "M. D.," or "M. B." to his name, who has not had duly conferred upon him by diploma or degree from some college, school or board of examiners legally empowered to confer the same, the right to assume title; nor shall any person assume any title, or prefix or append any letters to his name with the intent to represent falsely that he has received a medical degree or license or certificate of registration. Any person violating this provision shall, upon conviction, be subject to a fine of not more than one hundred dollars ($100.00), or to imprisonment for not more than ninety days.

Sec. 13. Where the word "dollars" is used in this act, it shall be understood to mean dollars in money of the United States.

Sec. 14. This act shall take effect on its passage.

Enacted December 4, 1901.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; {, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

C

BURN-BRAE, A PRIVATE HOSPITAL FOR MENTAL AND NERVOUS DISEASES. (See adv. in Philadelphia)

PORTO RICO.

CAPITAL, SAN JUAN.

Population, 1,118,012.
(U. S. Census, 1910.)
Number of Physicians, 203.

Porto Rico, the smallest of the Greater Antilles, lies to the east of Hatai, being separated from that island by the Mona passage. It stretches from latitude 17 degrees 50 minutes to 18 degrees 30 minutes north; from longitude 65 degrees 34 minutes to 67 degrees 15 minutes west, being thus the easternmost of the Greater Antilles and entirely within the tropics. Its shape is rectangular, its length east and west being slightly over 100 miles and its breadth north and south about 36 miles. Its area, about 3,600 square miles, is three-fourths of that of Connecticut and a little over a thousandth of that of the United States. The island of Porto Rico consists of a range of mountains and hills running east and west, with a maximum altitude slightly over 3,600 feet and sloping toward the coast. The slope of the land is gradually toward the north but steep and difficult toward the south. The greater portion of the area is high, and from the range of hills which form the water divide of the island hundreds of small rivers and streams flow northward and southward to the coast. The climate of the island is remarkably equable. The temperature very rarely rises to 100 degrees Fahrenheit, and for a long period the average annual temperature has ranged on the northern coast from 78 to 82 degrees. The coolest month in the year is January with a temperature averaging about 75 degrees, while in August, the hottest month, the average is about 82 degrees. While the variation from month to month is but slight, there is considerable difference according to altitude. The temperature in the interior, especially on the higher levels of Aibonito, Cayey and Utuado, is much lower than along the coast. The island has the advantage of a daily sea breeze, and the evenings are mostly cool. During the summer season the temperature rises and there is much rain. The humidity is also very high, averaging in San Juan about 80 per cent. The rainfall is heaviest on the northern coast, averaging about 60 inches in San Juan and of this rain about 40 inches or two-thirds falls during the summer and autumn months. The island is by its natural conditions adapted for tropical agriculture.

For list of Medical Colleges, see page 151.

INSULAR BOARD OF MEALTH.

Office, San Juan.

Pres, Dr Francisco del Valle Atiles; Sec, Dr Jose Lugo Vina; Dr Gustavo Munoz Diaz, Dr Jose N Carbonell, Jorge Dominguez, Manuel Travieso, F W Dalrymple; General Inspectors: Dr Pedro Malaret, Ponce; Dr Alejandro Ruiz Soler, Arecibo.

MEDICAL LAWS OF PORTO RICO.

AN ACT providing for the organization of a Board of Medical Examiners.

Be it Enacted by the Legislative Assembly of Porto Rico:

Section 1. The Governor, with the advice and consent of the Executive Council, shall appoint five learned, skilled and capable physicians, who shall have been residents of the Island of Porto Rico for not less than five years preceding their appointment who shall constitute the Board of Examiners for the purpose of this Act. The physicians so appointed shall hold their respective offices for five years: Provided, that all vacancies occurring shall be likewise filled by appointment by the Governor by the advice and consent of the Executive Council; provided, also, that the first appointments under this act shall be for the periods of one, two, three, four and five years respectively.

Sec. 2. The Board of Medical Examiners shall procure a seal and on the first Tuesday of April of each year elect from among their members a President, Secretary and Treasurer. Three members of said Board shall constitute a quorum. The President and Secretary shall have the power to administer oaths and the Board to take testimony in all matters relative to its duty under the provisions of this act. The Board of Examiners shall hold meetings for examinations at the seat of government on the first Tuesday of April and October of each year. and at such other times and at the same and other places as the Board may determine. The Board shall keep a record of all proceedings thereof and also a register of all applicants for a certificate, with the age of the applicant, time spent in the study of medicine, and the name and location of all the institutions granting to such applicant, degrees or certificates of lectures attended in medicine or surgery. The register shall also show whether such applicant was rejected, or has received a certificate under this act; such register shall be prima facie evidence of all the matters therein kept.

Sec. 3. Every person hereinafter wishing to practice medicine or surgery, or any of the branches thereof or midwifery in any of their departments in this Island, shall apply to said Board for a certificate or license so to do. Applications from said candidates shall be in writing and accompanied by proof that the applicant is a graduate of a medical school or institution in good standing and legally organized, and duly approved by the said Board of Examiners; if the diploma is found genuine, which fact the said Board of Examiners shall determine, and if the person presenting and claiming said diploma be the person to whom the same was originally granted, at a time and place designated by said Board, or at a regular meeting of said Board, said applicant shall be required to take an examination embracing those general subjects and topics, a knowledge of which is commonly and generally required of candidates for the degree of doctor of medicine by respectable medical colleges in the United States. The examination of those who desire to practice midwifery or any of the branches of medicine and surgery, shall be of such a character as to determine the qualifications of the applicants to practice them. All examination provided for in this act, shall be conducted under rules and regulations prescribed by the Board, which shall provide for a fair and wholly impartial method of examination. After examination; such Board shall, if the candidate has been found qualified, grant a certificate or license to such candidate to practice medicine and surgery or any of the branches thereof or midwifery in Porto Rico; which said certificate can only be granted by the consent of not less than three members of said Board, and which said certificate shall be signed by the President and Secretary of said Board and attested by the seal thereof: Provided, however, that all physicians and surgeons, who hold certificates granted by the now existing Board of Medical Examiners shall be exempt from the provisions of this section.

Sec. 4. The Board may refuse to grant a certificate on account of unprofessional, dishonorable or immoral conduct. Before a certificate can be refused for such cause, the Board shall serve in writing upon the applicant a copy of any charge or charges against him, and appoint a day of hearing, at which the applicant or any witness in his behalf may appear and give testimony in refutation of such charges. In case the Board after such hearing shall refuse a certificate to the applicant, the decision specifically stating the grounds upon which such refusal was made shall be reduced to writing and the copy thereof delivered to the applicant, upon demand of the applicant. Upon a like hearing the Board may refuse a certificate to any one who may publicly profess to cure or treat disease, injury or deformity in such a manner to deceive the public. The hearing provided for herein shall take place within 20 days after the service of the copy of the charges upon the applicant, unless further time is granted to the applicant, and the decision of the Board shall not be later than ten days after the day of hearing. The Board shall have power to revoke a certificate or license in cases of unprofessional, dishonorable or immoral conduct. Before revoking any certificate or license, a written complaint specifically stating the charges against the person whose certificate is to be revoked shall be delivered to all the members of the Board and a copy thereof be served upon such person twenty days before the time fixed by the Board for the hearing of said charges. The Board must fix the time and the person whose license is to be revoked may produce testimony in refutation of such charges. After such hearing, the decision of the Board shall be specifically stated in writing. and a copy thereof delivered, on demand, to the person under charges.

Sec. 5. Every person obtaining a certificate from the Board, must within sixty days from the date thereof, have the same recorded in the office of the Secretary of Porto Rico and in the office of the Superior Board of Health. The Secretary of Porto Rico and the President of the Superior Board of Health shall endorse upon the certificate the date of record, and charge and receive the usual fees for such services, the fees to be paid by the applicant.

Sec. 6. Applicants who possess diplomas from reputable medical colleges, and who have been licensed by State Boards, may upon the payment of a fee of twenty-five ($25) dollars, be licensed by the Board of Examiners without examination if the Board of Examiners so decides. Medical officers serving in the army and navy of the United States or in the United States Marine Hospital Service, are exempt from examination, but are required to be registered by the Superior Board of Health and to pay a fee of five dollars.

Sec. 7. Any person practicing medicine or surgery or any other branches thereof or midwifery within the island contrary to the provisions of this act, shall, for each violation of the provisions of this act, be guilty of a misdemeanor, and upon conviction thereof shall be fined not more than five hundred dollars nor less than fifty dollars, or by imprisonment for not more than ninety days nor less than thirty days or by both said fine and imprisonment, as the court may determine. Any person shall be regarded as practicing within the meaning of this act who shall append the letters M. D. (for Medical Doctor) to his or her name, who shall profess publicly to be a physician or surgeon, or who shall recommend, prescribe or direct for the use of any person, any drug, medicine, appliance, apparatus or other agency, whether material or not material, for the cure, relief, or palliation of any ailment or disease of the mind or body or for the cure or relief of any wound, fracture, or bodily injury, or other deformity, after having received or with the intent of receiving therefor, either directly or indirectly, any bonus, gift or compensation.

Sec. 8. The fees for examinations and for a certificate shall be as follows: Ten dollars for an examination in medicine and surgery, and five dollars for a certificate if issued, for all other practitioners five dollars for an examination and five dollars for a certificate if issued. For an examination in midwifery five dollars, and three dollars for a certificate if issued. All fees shall be paid in advance to the Treasurer of the Board of Medical Examiners, which fees shall defray the entire expenses of said candidate for examination before the said Board of Examiners. Any one failing to pass the required examination shall be entitled to a second examination within six months without fee. And the moneys so received shall be turned over to the Treasurer of Porto Rico by the Treasurer of said Board, to be by him deposited in the Medical Board fund, as hereinafter provided.

Sec. 9. Each member of the Board is hereby allowed the sum of five dollars per day and mileage while in the active and necessary discharge of his duties, and there is hereby established a fund to be known as the Medical Board Fund. The money in such fund shall only be paid out by warrant on said fund on an order drawn by the Treasurer of said Board, countersigned by the President. The rate of mileage and attendance before said Board shall be five cents per mile. And the Board must report annually on the first Monday of July to the Governor, which report must show all the transactions of the Board, giving the number of applications received, and from whom received, the number of certificates granted and rejected, and the names of those receiving certificates and those rejected, giving the reasons therefor, the amount of money received, the expenses, the fees and mileage paid, and by whom received, and the amount of money remaining in said fund and such other information as the Governor may require; and the Treasurer of said Board shall render to the Auditor of Porto Rico a monthly account of his receipts and disbursements.

Sec. 10. After the passage of this bill and the appointment of the Board thereunder, the archives and utensils pertaining to the latter sub-delegation of medicine and all documents thereof shall be transferred to the Medical Board of Examiners.

Sec. 11. All laws, acts, orders and parts thereof in conflict with this Act be and the same are hereby repealed.

Sec. 12. This act shall take effect from and after May 1, 1903.

Approved March 12th, 1903.

(No. 79.)

AN ACT to amend an act entitled "An Act providing for the organization of a Board of Medical Examiners."

Be it Enacted by the Legislative Assembly of Porto Rico:

Section 1. That Section 3 of an Act entitled "An Act providing for the organization of a Board of Medical Examiners," approved March 12, 1903, be and is hereby amended so as to read as follows:

"Every person hereafter wishing to practice medicine or surgery or any of the branches thereof or midwifery in any of their departments in this island as well as osteopathy or optometry or any of the branches thereof shall apply to said Board for a certificate or license so to do. Applications from said candidates shall be in writing and accompanied by proof that the applicant is a graduate of a medical school or institution in good standing and legally organized, and duly approved by the said Board of Examiners. If the diploma is found genuine, which fact the said Board of Examiners shall determine, and if the person presenting and claiming said diploma be the person to whom the same was originally granted, at a time and place designated by said Board, or at a regular meeting of said Board, said applicant shall be required to take an examination embracing those general subjects and topics, a

knowledge of which is commonly and generally required of candidates for the degree of doctor of medicine by respectable medical colleges in the United States. The examination of those who desire to practice midwifery or optometry or any of the branches of medicine and surgery, shall be of such a character as to determine the qualifications of the applicant to practice them. All examinations provided for in this Act, shall be conducted under the rules and regulations prescribed by the Board, which shall provide for a fair and wholly impartial method of examination. After examination, such board shall, if the candidate has been found qualified, grant a certificate or license to such candidate to practice medicine and surgery or any of the branches thereof or midwifery or optometry or osteopathy in Porto Rico; which said certificate can only be granted by the consent of not less than three members of said Board, and which said certificate shall be signed by the President and Secretary of said Board and attested by the seal thereof: Provided, however, that all physicians, osteopathic physicians and surgeons who hold certificates granted by the now existing Board of Medical Examiners shall be exempt from the provisions of this section. And that all those who have been practicing in Porto Rico any of these branches for a period of five years prior to the approval of this Act shall be entitled to continue in the practice of their profession without being subject to the provisions hereinbefore stated.

Sec. 2. Any law or part thereof in conflict with this Act, is hereby repealed.

Sec. 3. This Act shall take effect upon its approval.

Approved March 9, 1911.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; {, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

AN ACT RESPECTING THE MEDICAL PROFESSION.

(ASSENTED TO MAY 9, 1906.)

TITLE.

1. This Act may be cited as the Medical Profession Act.

COLLEGE OF PHYSICIANS AND SURGEONS.

2. The College of Physicians and Surgeons of the Province of Alberta hereby constituted, and the members of the said College and all persons hereinafter registered members of the said College under the provisions of this Act, shall be a body corporate under the name of the College of Physicians and Surgeons of the Province of Alberta, and shall have perpetual succession as hereafter provided and the common seal, with power to acquire, hold and dispose of real estate and chattel property for the purpose of the said College, and to sue and be sued.

3. Every person registered as a member of the College of Physicians and Surgeons of the Northwest Territories at the time of the coming into force of this Act, and whose fees are paid to said college, shall be registered as a member of the College of Physicians and Surgeons of the Province of Alberta by the Registrar thereof, without fee, and every one registered as aforesaid whose fees are in arrear shall upon payment of all arrears to the Registrar of the College of Physicians and Surgeons of the Northwest Territories receive a receipt therefor, and upon presentation of said receipt to the Registrar of the College of Physicians and Surgeons of the Province of Alberta shall be registered as a member of said last-mentioned College by said Registrar without further fee.

4. The Registrar of the College of Physicians and Surgeons of the Province of Alberta shall as soon as possible after his appointment obtain from the Registrar of the College of Physicians and Surgeons of the North-West Territories a certified list, under the seal of the College, of the members of the College of Physicians and Surgeons of the North-West Territories entitled to be registered as members of the College of Physicians and Surgeons of the Province of Alberta under the next preceding clause.

THE COUNCIL OF THE COLLEGE AND ELECTION OF MEMBERS.

5. There shall be a Council of the said College of the Physicians and Surgeons of the Province of Alberta to be appointed in the manner hereinafter provided for and hereafter referred to as the Council.

6. The persons entitled to vote at election of members of the Council shall be, as to the first election, the persons who at the time of the passing of this act are registered members of the College of Physicians and Surgeons of the North-West Territories. As to all subsequent elections, all persons registered as members of the College of Physicians and Surgeons of the Province of Alberta under this Act.

7. No person shall be eligible to be elected a member of the Council who is not entitled to vote for a member of the Council.

8. The number of persons to be elected as members of the said Council shall be one for each of the medical electoral districts hereinafter referred to and the mode of election shall be by voting papers as hereinafter set out.

(a) There shall be one member elected for each of the following Medical Electoral Districts, who shall be a resident of the District for which he is elected.

(b) For the purpose of this election the Province of Alberta shall be divided into seven Medical Electoral Districts, to be known as districts Nos. 1, 2, 3, 4, 5, 6, and 7. These districts are made up from the present Electoral Districts of the Province of Alberta as existing for the purpose of the election of members to the first Provincial Legislature of the said province as follows:

District No. 1. Is comprised of the Provincial Electoral District of Edmonton.

District No. 2. Is comprised of the Provincial Electoral Districts of Peace River, Athabasca, Saint Albert, Stoney Plain, Strathcona, Leduc, Sturgeon, Victoria.

District No. 3. Is comprised of the Provincial Electoral District of Vermillion, Wetaskiwin, Ponoka, Lacombe, Red Deer.

District No. 4. Is comprised of the Provincial Electoral Districts of Innisfail, Rosebud, Banff, Gleichen.

District No. 5. Is comprised of the Provincial Electoral District of Calgary.

District No. 6. Is comprised of the Provincial Electoral Districts of High River, Macleod, Pincher Creek.

District No. 7. Is comprised of the Provincial Electoral Districts of Lethbridge, Cardston, Medicine Hat.

(c) The boundaries, number and numbers of the above Medical Electoral Districts are subject to change at any time by the Council.

9. The charge and conduct of the election for the members of the first Council shall be conducted by the Registrar of the College of Physicians and Surgeons of the North-West Territories, and the said election shall be conducted in the manner set out in "The Medical Profession Ordinance," being Chap. 52 of The Consolidated Ordinances of the North-West Territories, 1898, for the election of the Council of that body, from Section 3 to Section 32 inclusive. All subsequent elections under this Act shall be under the management of the Registrar of the Council, and such elections shall be held at such time and place as shall be determined by the Council.

10. Every person entitled to vote may vote for one person for each Medical Electoral District erected by or under the authority of this Act.

11. The Registrar shall mail to each registered practitioner at least one month prior to the day of election a voting paper in the form A in the schedule to this Act, or to the like effect, and such practitioner shall fill in the names of the members he is voting for on the voting paper or on one of the like effect, sign it, and return such voting paper closed to the Registrar on any day preceding the day of election, and any such voting paper received by the Registrar by post previous to the day of election shall be deemed delivered to him.

12. The Council shall appoint two persons, who shall act as scrutineers with the Registrar at the election.

13. On the day succeeding the day of election the voting papers shall be opened by the Registrar in the presence of the scrutineers, who shall scrutinize and count the votes, and a record thereof shall be kept by the Registrar in a proper book to be provided by the said Council.

14. The person who has the highest number of votes in each Medical District shall be the member of the Council for that district for the four years following the date of such election and until his successor is elected.

15. Any person entitled to vote at any election shall be entitled to be present at the opening of the voting papers at such election.

16. In case of an equality of votes between two or more persons, which leaves the election of one or more of the members of the Council undecided, the scrutineers shall forthwith write upon separate slips of paper the names of the persons having such equality of votes, and put such papers in a ballot box; and the Registrar, in the presence of the scrutineers, shall draw by chance from such ballot box one or more of such papers sufficient to make up the required number, and the person or persons whose names are upon such paper or papers so drawn shall be members of such Council.

17. No person shall be entitled to vote at such election unless all fees to the College shall have been paid.

18. No person shall be eligible for election unless qualified to vote at such election, and any votes cast for any person who is ineligible shall be null and void, and the election shall be declared as if such votes had not been cast.

19. In the event of any person placing more than one name on his voting paper for each district the first one eligible shall be counted.

20. The Registrar shall one month prior to the day on which the election is to be held make out an alphabetical list or register of the registered medical practitioners who are entitled to vote at the election then about to be held, showing the Medical Electoral District in which each resides, and shall mail a copy of such list to each registered practitioner, along with the voting paper provided for in Section 11.

21. In case any medical practitioner entitled to vote complains to the Registrar in writing of the improper omission or insertion of any name on the said list, it shall be the duty of the Registrar forthwith to examine into the complaint and rectify such error if any there be, and advise complainant of his decision in writing by post within three days after receiving complaint, and in case any person is dissatisfied with the decision of the Registrar, he may appeal to the Judge of the Superior Court having jurisdiction in the Province provided that such appeal be lodged with the Judge at least ten days before the day on which the election is to be held, and such Judge shall decide the appeal in a summary way and he may, if he deem it necessary, direct such notice of the time and place for hearing the appeal

as he may prescribe, to be given to such person as he may specify; and if it is necessary to hear evidence on such appeal, it may be given viva voce under oath or by affidavit as the Judge directs, and the decision of such Judge shall be final and the list shall remain or be altered in accordance with such decision.

22. The list or register so made out shall be held to be the register of persons entitled to vote at the next election, and no person shall be entitled to vote whose name is not upon such register.

23. The Council may make such regulations as they may think expedient not contrary to the provisions of this Act for regulating the procedure in respect of such elections.

24. The voting papers belonging to any election shall not be destroyed until after all petitions in respect of such elections have been decided, but the same together with all other papers in connection with the election shall be retained by the Registrar.

25. No petition against the return of any member shall be entertained unless such petition shall be filed with the Registrar of the Council within sixty days after the election, and shall contain a statement of the grounds on which such election is disputed and unless a copy of such petition is served upon the member whose election is disputed within sixty days of the date of the election.

26. In case of any doubt or dispute as to the legality of the election of any member to the Council it shall be lawful for the Council to hold an enquiry and decide who is the legally elected member of the Council; and the person whom they decide to have been elected shall be and be deemed to be the member legally elected, and if the election is found to be illegal the Council shall have power to order a new election.

27. In case of the failure in any election under this Act to elect the required number of duly qualified members of the Council, or in the event of any vacancy occurring from death, resignation or any other cause, of any member of the Council, it shall be the duty of the Registrar to hold a new election for such vacancy or vacancies as soon as possible and such election shall be conducted in the same manner as provided for the election of the full Council.

PRESIDENT AND OFFICERS—MEETINGS OF THE COUNCIL.

28. (a) The Council shall elect annually form its own body a President and Vice-President.

(b) They shall appoint a Registrar-Treasurer from the members of the College who is not a member of the Council who shall hold office at the pleasure of the Council.

(c) And such other officers as are necessary for the working of this Act.

(d) The Council shall fix by by-law or resolution from time to time the salaries and fees to be paid to such officers and to the Board of Examiners hereinafter mentioned.

29. The Council shall appoint annually from among its members an Executive Committee, to be called together by the Registrar, to take cognizance of and action upon all such matters as may be delegated to it by the Council, or as may require immediate interference or attention between meetings of the Council; and all such acts shall be valid only till the next ensuing meeting of the Council; but the Committee shall have no power to alter, repeal, or suspend any by-law of the Council.

30. The Council may make such rules and regulations as to the times and places of future meetings of the Council and the mode of summoning the same as to the Council seems expedient, which rules and regulations shall remain in force until altered at any subsequent meeting; and in the absence of any rule or regulation as to summoning meetings of the Council, it shall be lawful for the President thereof or in the event of his absence or death for the Registrar to summon the same at such time and place as to him seems fit, by a circular letter to be mailed to each member.

31. (a) In the event of the absence of the President from any meeting, the Vice-President, or in his absence some other member to be chosen from the members present, shall act as President.

(b) There must always be five members of the Council present to form a meeting, and all acts of the Council shall be decided by a majority of those present.

(c) At all meetings the President for the time being shall have a casting vote in the event of an equality of votes, in addition to the vote he is entitled to as a member of the Council.

32. There shall be paid to members of the Council such fees for attendance and such reasonable traveling expenses as may from time to time be fixed by by-law or resolution passed by the said Council.

REGISTRATION.

33. The Council shall cause to be kept by the Registrar a book or register to be known as the "Alberta Medical Registrar," in which shall be entered the name of every person registered according to the provisions of this Act, and from time to time the names of all persons who have complied with the provisions hereinafter contained, and with the rules and regulations made or to be made by the Council respecting the qualifications to be required from the practitioners of medicine, surgery, or midwifery, in the Province of Alberta, and those persons only whose names are inscribed in the book or register above mentioned and who are not under suspension by the Council shall be deemed to be qualified and licensed to practice medicine, surgery, and midwifery in the said Province of Alberta, except as hereinafter provided, and such book or register shall at all times be open and subject to inspection by any person.

34. It shall be the duty of the Registrar to keep his register correct in accordance with the provisions of this Act and the rules, orders, and regulations of the Council, and he shall from time to time make the necessary alterations in the addresses or qualifications of the persons registered under this Act, and the said Registrar shall perform such other duties as may be imposed on him by the Council.

THE COUNCIL SHALL PLACE UPON THE REGISTER.

35. The Council shall admit upon the register any person who shall produce a diploma of qualification from any College or School of Medicine and Surgery, which

Dr. S. Grover Burnett's Private Sanitarium
A Strictly Ethical Sanitarium for Classical, Neurological and Psychological Practice, including Inebriety. Special attention to Dr. Burnett's Preferred Treatment of Morphinism as published. 3100 Euclid Avenue Kansas City, Mo.

exacts for such diplomas attendance on at least a four years' course of lectures of at least six months each, evidence of which shall be produced if required, and who shall furnish to the Council satisfactory evidence of identification, and pass before the members thereof or examiners appointed by them from time to time for the purpose, a satisfactory examination appertaining to the profession of medicine and his fitness and capacity to practise medicine, surgery and midwifery, and shall pay to the Registrar of the College of Physicians and Surgeons of the Province of Alberta the sum of fifty dollars towards defraying the expenses of the examination board and in addition, the fees for registration: Provided, that if any person is dissatisfied with the decision of the Council as to whether he holds such a diploma as aforesaid or as to the sufficiency of such evidence of identification he may appeal to the Minister of Education from such decision and his decision thereon shall be final and if such appeal is decided in favor of such person he shall be entitled to apply for examination as aforesaid.

36. The Council may at any time direct the name of any person improperly registered to be erased from the register by the Registrar, and such name shall be so erased.

37. Whenever there is established under the Act of the Parliament of Canada known as "The Canada Medical Act, 1902," or any Act in amendment thereof or substitution therefor, a register for Canada of Medical Practitioners under the control of the Medical Council appointed or elected pursuant to the provisions of the aforesaid Act or Acts, then notwithstanding anything in this Act contained, any person duly registered in the said medical register for Canada as a Medical and Surgical Practitioner shall be deemed qualified and entitled to be registered in the medical register of the Province of Alberta as a duly qualified Medical and Surgical Practitioner, and such person and no other shall be registered, and such registration shall be made upon production of a certificate under the hand of the Registrar of the said Medical Council of Canada certifying that such person is duly registered in the said Medical Register of Canada, and upon satisfactory proof of identity of such person, provided that such person may be required to pay such fee for such registration in the Province of Alberta as the Medical Council of the Province of Alberta may impose in that behalf, and provided that the provisions of this section shall not apply to or affect any person duly registered under the said Act at the time "The Canada Medical Act, 1902," or any amendment thereof or substitutive Acts therefor become operative.

FEES.

38. The fee for registration under this Act shall be fifty dollars.

39. Each member shall pay to the Registrar, or to any person deputed by the Registrar to receive it such annual fee as may be determined on by by-law of the Council, not exceeding two dollars, towards the general expenses of the College, which fee shall be payable on the first day of January in each year, and such fee shall be deemed to be a debt due by each member of the College and shall be recoverable, with the costs of suit, in the name of the College of Physicians and Surgeons in the Province of Alberta.

40. The Council may by resolution remit any annual fees due to the College by any member who is or has been resident out of the Province of Alberta during the period in respect of which such fees become payable.

GENERAL POWERS OF THE COUNCIL.

41. The Council shall from time to time as occasion may require, make orders, regulations or by-laws for regulating the register to be kept under this Act, and shall from time to time make rules and regulations for the guidance of the examiners, and may prescribe the subjects and modes of examination, and generally make all such rules and regulations in respect of examinations not contrary to the proviisons of this Act as the Council may deem expedient and necessary.

(2) All rules, regulations or by-laws made by the Council under this Act, except such as refer to curricula of studies or subjects of examination to be taken by students or applicants for registration, shall be subject to the approval of the Minister of Education.

42. The Council may from time to time make, alter or amend and repeal rules and regulations for the well-being and discipline of the Council, the conduct of its affairs, and the promotion of medical and surgical knowledge, and the disposition of the funds of the Council, provided such rules and regulations be not repugnant to this Act.

DISCIPLINARY.

43. The Council shall from time to time appoint and shall always maintain for the purposes hereinafter named a committee of their own body to be known as the Discipline Committee, not exceeding five in number, of whom the quorum shall be three, and may at any time alter the number, constitution and tenure of office of such committee.

44. The Discipline Committee shall investigate on a written order of the Council the facts regarding any registered practitioner who shall have been convicted of an indictable offence, or who is known or reported to be guilty of or who is charged with unbecoming, improper or criminal conduct, professional or otherwise, and if the committee consider the offence warrants it, they shall direct the Council to erase the name of such registered practitioner from the register, and the Council shall order the Registrar to strike the name of such person from the register as aforesaid, and he shall do so.

45. If the Committee consider that the offence is not of such gravity or importance as to warrant in their judgment the person's name being erased from the register, they may suspend such person from the privileges of a registered practitioner for such time as they may think fit, or may impose such other penalty or sentence as the offence warrants and order the Council to have their finding carried out; and unless the offender shall within thirty days after receiving written notice from the Registrar of the finding of the committee comply with their judgment, the Council may suspend the offender from the privileges of a registered practitioner

until judgment is complied with. The judgment of the committee under this section shall be final and not subject to any appeal; provided, however, that suspension under this section shall not exceed thirty days.

46. The Executive Committee of the Council under this Act may and upon the written application of any three registered practitioners to the Council shall make a preliminary inquiry into the facts regarding such conduct of any registered practitioner as is set out in clause 44, and if the facts justify a reference to the Council for a more thorough and complete investigation, the Executive Committee shall make such reference and the Council shall order an investigation by the Discipline Committee as heretofore provided.

47. The Council or Executive Committee may demand, if they see fit to do so, from any party or parties requesting an investigation, before undertaking the same, a reasonable amount as a deposit to cover the costs and expenses of such an investigation, and in case the investigation established the fact that the complaint was frivolous or vexatious, such deposit may be applied to cover the expenses of the same, otherwise the deposit is to be returned to the party or parties making it.

48. The Council may order to be paid out of the funds at their disposal such costs as may to them seem just to any person against whom any complaint has been made.

49. When the Council directs the erasure from the register of the name of any person, the name of that person shall not be again entered on the register except by direction of the Council or by an order of a Judge of the said Superior Court.

50. If the Council think fit in any case they may direct the Registrar to restore to the register any name or entry erased therefrom, either without fee or on payment of such fee, not exceeding the registration fee, as the Council may fix, and the Registrar shall restore the same accordingly.

51. The Discipline Committee appointed under Section 43, as well as the Executive Committee of the Council may, for the purpose of the execution of their duties under this Act, employ at the expense of the Council such legal or other assistance as these committees may think necessary, and the person whose conduct is the subject of inquiry shall also have the right to be represented by counsel.

52. All meetings of such committees when held for taking evidence or otherwise ascertaining the facts shall be held within the judicial district where the member complained of resides or the alleged offence was committed.

53. At least two weeks before the meeting of the committee to be held for taking evidence, or otherwise ascertaining the facts, a notice shall be served upon the person whose conduct is the subject of inquiry; and such notice shall embody a copy of the charges made against him or a statement of the subject matter of the inquiry, and shall also specify the time and place of such meeting. The testimony of witnesses shall be taken under oath, which the chairman or acting chairman of the committee is hereby authorized to administer, and there shall be full right to cross-examine all witnesses called and to adduce evidence in defence and reply.

54. For the purpose of procuring attendance and evidence of a witness before the committee, a Judge of the said Superior Court may, on application of any party to the inquiry, order the issue by the Clerk of the said Court or a deputy thereof of a writ of subpoena and testificandum or a writ of subpoena duces tecum. The rules of evidence on such inquiry and the proceedings and penalties in the case of disobedience to any such writ shall be the same as obtain in civil cases in the said court.

55. In the event of the non-attendance of the person whose conduct is the subject of such inquiry the committee may, upon proof of personal service of the notice aforesaid in accordance with the provisions of this Act, which proof of service may be by statutory declaration, proceed with the subject matter of the inquiry in his absence and make the report of the facts without further notice to such person.

56. Any person whose name has been ordered to be erased from the register may appeal from the decision of the Council to a Judge of the said Superior Court at any time within six months of the date of the order for such erasure; and such Judge may upon the hearing of such appeal make such order as to the restoration of the name so erased or confirming such erasure or for further inquiries by the Committee or Council into the facts of the case and as to costs as shall be just.

57. The appeal may be by summons for the Council of the said College to show cause served upon the Registrar and shall be founded upon a copy of the proceedings before the Committee, the evidence taken, the committee's report and the order of the Council in the matter certified by the Registrar; and the Registrar shall upon the request of any person desiring to appeal furnish to any such person a certified copy of all proceedings, reports, orders and papers upon which the Com mittee or Council have acted in making the report or order complained of.

RIGHTS OF MEDICAL PRACTITIONERS.

58. Every person registered under the provisions of this Act and not under suspension shall be entitled to practise medicine, surgery and midwifery or any of them in the Province of Alberta, and to demand and recover in any court in the said province, with full costs of suit, reasonable charges for professional aid, advice and visits, and the cost of any medicine or surgical appliances rendered or supplied by him or his patients.

59. No duly registered member of the College of Physicians and Surgeons of the Province of Albert shall be liable to any action for negligence or malpractice by reason of professional services requested or rendered unless such action be commenced within one year from the date when in the matter complained of such professional services terminated.

60. No person shall be entitled to recover in any court of law for any medical or surgical advice or for attendance or for the performance of any operation or for any medicine which he may have prescribed unless he is registered under this Act and not under suspension.

61. No person shall be appointed as medical officer, physician or surgeon in any branch of the public service of the Province of Alberta, or in any hospital or other charitable institution unless he is registered under the provisions of this Act and not under suspension.

62. No certificate required by any Act in force, or that may hereafter be passed, from any physician or surgeon or medical practitioner, shall be valid unless the person signing the same is registered under this Act and not under suspension.

INTERPRETATION.

63. The words "legally qualified medical practitioners" or "duly qualified medical practitioners," or any other words implying legal recognition of any person as a medical practitioner or member of the medical profession, when used in any Act or Law shall in so far as such Act or Law applies to the Province of Alberta be construed to mean a person registered under this Act and not under suspension.

PUBLICATION AND MEDICAL REGISTER.

64. The Registrar shall from time to time under the direction of the Council cause to be printed and published a correct register of the names in alphabetical order, according to surnames, with the residences as in form B, in the schedule to this Act or to the like effect, and shall issue yearly thereafter between the issues of such register, if not published yearly, an addenda to such register containing the names, etc., as above set forth of the persons registered under this Act, together with the medical titles, diplomas and qualifications conferred by any college or body, of all persons appearing on the register as existing on the day of publication, and such register shall be called "The Alberta Medical Register," and a copy of the register for the time being purporting to be so printed and published as aforesaid shall be prima facie evidence in all courts in the Province of Alberta and before all Justices of the Peace and all others, that the persons therein specified are registered according to the provisions of this Act and subject to the provisions of sub-section 2 of this section, the absence of the name of any person from such copy shall be prima facie evidence that such person is not registered according to the provisions of this Act.

(2) In the case of any person whose name does not appear in such copy or addenda, a certified copy under the hand of the Registrar of the entry of the name of such person on the register or addenda shall be evidence that such person is registered under this Act.

EVIDENCE OF REGISTRATION.

65. In all cases where proof of registration under this Act is required to be made, the production of the printed or other copy of the register, or of any extract therefrom or addenda thereto certified by the Registrar, shall be sufficient evidence of registration in lieu of the production of the original register, and any certificate purporting to be signed by any person in his capacity as Registrar of the Council under this Act and bearing the seal of the College shall be prima facie evidence that such person is such Registrar without any proof of his signature or of his being in fact such Registrar.

(a) But in any case where proof of registration or non-suspension is required to validate a witness' evidence, and a copy of the register, or addenda thereto, or of any extract therefrom certified by the Registrar, or the production of the original register, is not available without prejudical delay to the cases or the parties interested, then and in such case the evidence of the person under oath claiming to be registered under this Act and not under suspension, that he is so registered and not under suspension shall be proof of same.

OFFENCES, PENALTIES AND PROSECUTIONS.

66. No unregistered person or any person under suspension under this Act shall practice medicine, surgery or midwifery for hire, gain or hope of reward, and if any person not registered or under suspension as aforesaid pursuant to this Act for hire, gain or hope of reward practices or professes to practice or advertises to give advice in medicine, surgery or midwifery, or who shall furnish medicine or treat any disease or ailment by medicine, drugs or any form of treatment, influence or appliance shall be guilty of an offence and upon summary conviction thereof be liable to a penalty not exceeding one hundred dollars: Provided, that the provisions of this section as far as they refer to the practise of midwifery shall apply only to the territory included within the limits of any incorporated City, Town or Village having a resident registered practitioner therein.

67. Any person who wilfully or falsely pretends to be a physician, doctor of medicine, surgeon, or general practitioner, or assumes any title, addition, or description other than he actually possesses and is legally entitled to under this Act, shall be liable on conviction thereof before a Justice of the Peace to a penalty not exceeding fifty dollars.

68. Any person not registered pursuant to this Act, who takes or uses any name, title, addition, or description, implying or calculated to lead people to infer that he is registered under this Act, or that he is recognized by law as a physician, surgeon, or a licentiate in medicine, surgery, or midwifery, shall be liable upon summary conviction to pay a penalty of not less than twenty-five dollars and not more than one hundred dollars.

69. Any prosecution under this Act may be brought and heard before a Justice of the Peace. In case the penalty and costs awarded are not upon conviction forthwith paid the Justice may commit the offender to the common jail there to be imprisoned for any term not exceeding one month unless the penalty and costs are sooner paid, and for a second offence a term not exceeding two months, and for a third offence a term of three months.

70. In any prosecution under this Act the burden of proof of registration shall be upon the person charged.

71. Every prosecution under this Act shall be commenced within six months from the date of the alleged offence.

72. The Council by an order signed by the President under the seal of the Council may stay procedings in any prosecution instituted by the Council under this Act where it is deemed expedient.

RETURNS.

73. The Registrar, whenever required by the Lieutenant Governor in Council, shall transmit to the Provincial Secretary a certified return under the seal of the Council, setting forth all such information and particulars relating to the College as may from time to time be required or asked for.

74. It shall be lawful for the Registrar of the College of Physicians and Surgeons of the North-West Territories to add to the register the names of any person or persons who, being a graduate of any reputable Medical College, has applied for registration or examination between the date of the last examination held by the said College of Physicians and Surgeons and the date of the passing of this Act and any such person or persons whose names have been so added as aforesaid shall for

ANTIKAMNIA TABLETS
For Headaches, Neuralgias, Pain and Fever

the purpose of this Act be deemed to have been members of the College of Physicians and Surgeons of the North-West Territories within the Province of Alberta.

Provided that in the event of the said Registrar refusing or neglecting to add the names of any such persons as aforesaid, the Lieutenant Governor in Council may by order cause the names of any such persons to be added to the registry of the College of Physicians and Surgeons of Alberta.

MEDICAL ACT AMENDMENTS.

The Medical Profession Act, Province of Alberta, is amended as follows:

AN ACT to amend the Statute Law, Chapter 20, 1908 (Assented to March 5, 1908).

31. The Medical Profession Act is amended by adding the following subsection to Section 35:

"(2) The Council shall also admit upon the register any person who between the 16th day of January 1907, and the 7th day of May, 1907, passed the examination of the College of Physicians and Surgeons of the North-West Territories and who pays the registration fee herein provided."

14. The Medical Profession Act, being Chapter 28 of the Statutes of Alberta, 1906, is amended as follows:

By repealing Section 10 thereof and substituting therefor the following:

"10. The persons entitled to vote for any member of the council for any medical electoral district shall be only such members of the College of Physicians and Surgeons of the Province of Alberta as are actually resident in such district."

2. By striking out the words "names" and "members" in the fourth line of Section 11 thereof and substituting therefor the words "name" and "member."

3. By striking out the words "each district" in the second line of Section 19 and substituting therefor the words "the district in which he resides."

4. By striking out the words "and no other" in the twelfth line of Section 37 thereof.

BILL NO 14 OF 1911.

AN ACT to amend the Medical Profession Act (Assented to December 20th, 1911).

His Majesty by and with the advice and consent of the Legislative Assembly of the Province of Alberta enacts as follows:

1. Section 33 of the Medical Profession Act, being Chapter 28 of the Statutes of Alberta, 1906, is hereby amended by striking out all the words in the said section after the word "contained" in the sixth line thereof to and including the word "Alberta" in the ninth line thereof and by striking out all the words in the said section after the word "practice" in the thirteenth line thereof to and including the word "except" in the fourteenth line thereof.

2. Section 35 of the said Act is hereby repealed and the following substituted therefor:

35. The Council shall admit puon the register any person who shall produce a certificate from the Registrar of the University of Alberta that the person to whom such certificate is issued to is duly qualified to practice medicine, surgery, midwifery, osteopathy, or homeopathy, as the case may be, and the Registrar of the council shall issue to such person the necessary license to practice on payment by such person of the registration fee hereinafter provided.

(2) The examination of candidates for admission to practice medicine, surgery, midwifery, osteopathy, or homeopathy in the Province of Alberta shall be under the control of the University of Alberta, the examiners for this purpose being appointed by the Senate of the University.

(3) Except as to osteopaths and homeopaths the subjects for examination shall be such as shall be prescribed by the Senate of the University of Alberta with the approval of the council of the College of Physicians and Surgeons of the Province of Alberta.

(4) The Senate of the University of Alberta may require any candidate to pass a matriculation or preliminery examination in such subjects as the said Senate may prescribe, or may accept such qualification in lieu of such matriculation or preliminary examination as the said Senate may consider sufficient.

(5) The Senate of the University of Alberta shall fix the times when the examination of candidates shall be held and may make rules or regulations for the giving of notices by candidates of their desire to take the examination and for the fees to be paid therefor.

(6) The Senate of the University of Alberta may by resolution require that the persons presenting themselves for examination hereunder shall be graduates or licentiates of a university, school, college or association of medicine, surgery, midwifery, osteopathy or homeopathy, and may from time to time make resolutions setting forth what universities, schools, colleges, or associations will be recognized for this purpose, and rescind, alter or vary any such resolutions.

(7) The persons registered under the provisions of this Act shall be restricted to the practice of that class or classes of practice only for which they are certified to be qualified, and for which they are registered under this Act.

(8) Before the Senate of the University shall grant a certificate that a person is duly qualified to practice osteopathy or homeopathy the Senate shall require such person to pass an examintion satisfactory to the Senate in such subjects as the Senate may prescribe.

(9) Any person who has practiced Osteopathy in the Province of Alberta for at least four months immediately preceding the date of the passing of this Act shall be granted without examination a certificate that such a person is duly qualified to practice Osteopathy, provided that such person is a graduate or licentiate of a school, college, or association of osteopathy recognized by the American Osteopathic Association.

(3) The said Act is further amended by adding thereto as Section 63a the following:

63a. Any person shall be held to practice within the meaning of Section 66 of this Act who shall (a) by advertisement, sign, or statement of any kind, allege ability or willingness to diagnose or treat any human diseases, ills, deformities,

Keeley Cure 1087 DENNISON AVE., COLUMBUS, OHIO
Successful Treatment for Liquor and Drug Using, Neurasthenia, Tobacco and Cigarette addictions. (See pages 27 and 28.)

defects, or injuries; (b) or who shall advertise or claim ability or wililngness to prescribe or administer any drug, medicine, treatment, or perform any operation, manipulation, or apply any apparatus or appliance for the cure or treatment of any human disease, defect, deformity or injury; (c) act as the agent, assistant, or associate of any person, firm or corporation in the practice of medicine as hereinbefore set out, provided always that this section shall not apply to the practice of dentistry or pharmacy, or to the usual business of opticians, or vendors of dental or surgical instruments, apparatus and appliances.

(2) Nothing in this Act shall prevent private persons from giving necessary medical or surgical aid in times of urgent need, providing that such aid be given without hire, gain or hope of reward.

4. Section 66 of the said Act is repealed and the following substituted therefor:

66. If any person, not registered pursuant to this act either directly or indirectly, practice, or profess to practice, medicine, surgery, midwifery, osteopathy or homeopathy or if any person registered in respect to one class of practice shall practice in respect to another class he shall, upon summary conviction thereof before a Justice of Peace, forfeit and pay for the first offence a penalty not exceeding Fifty Dollars, for the second offence a penalty of not less than Fifty nor more than Two Hundred Dollars, and for a third or any subsequent offence to a penalty of not less than Two Hundred nor more than Three Hundred Dollars.

Provided that the provisions of this section as far as they refer to the practice of midwifery shall apply only to the territory included within the limits of any incorporated city, town or village having a resident registered practitioner therein.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; {, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

British Columbia Med Ass'n—Pres, J D Helmcken, Victoria; Genl Sec, A S Monro, Vancouver; Treas, Charles E Doherty, New Westminster.

REGULATIONS OF THE COLLEGE OF PHYSICIANS AND SURGEONS OF BRITISH COLUMBIA REGARDING LICENSE TO PRACTICE MEDICINE.

SYNOPSIS OF REQUIREMENTS.

1. During the year there shall be two regular meetings of the Council and two examinations held. The examinations begin on the first Tuesday of May and the last Tuesday of October.

2. Application for examination must be made to the Registrar two weeks before date of examination on forms which will be supplied on request.

3. Diplomas and Examination fee of $100.00 must be sent with application. Application form and diplomas must be in the Registrar's hands two weeks before examination.

4. The Examination extends over two weeks, the first week being devoted to written papers, the last to oral and clinical work.

5. The examinations are held in the English language only.

6. Sub-section (b), Section 28, Medical Act, 1909, provides that: The Council shall admit upon the register every person mentioned in Chapter 48 of the Acts of Parliament of the United Kingdom, passed in the 49th and 50th years of Her Majesty's reign, duly registered under the "Medical Act" (Imperial), prior to and inclusive to the 30th day of June, 1887, upon complying with the orders, regulations or by-laws of the Council, and giving due proof of such registration, and that the person applying for registration has not lost the benefit of the same, by reason of misconduct or otherwise.

7. Sub-sec. (c), Sec. 28, provides that: The Council shall admit upon the register any person who shall produce from any college or school of medicine and surgery, requiring at least four years' course of study, a diploma of qualification: Provided, that the applicant shall furnish to the Council satisfactory evidence of identification and pass before the members thereof, or such of them as may be appointed for the purpose, or before a Board of Examiners to be appointed by the Council, a satisfactory examination touching his fitness and capacity to practice as a physician and surgeon: Provided, that every person beginning the study of medicine after the first of January, 1912, the diploma or qualification which he shall be required to produce must be one from a college or school of medicine and surgery which requires at least five years' course of study.

8. Sub-sec. (d), Sec 28, provides that: All practitioners of osteopathy within the meaning of this Act shall be duly qualified osteopaths of a recognized school or college of osteopathy; and for the purpose of this Act, a recognized school or college of osteopathy shall be deemed to be an institution recognized by the American Osteopathic Association:

Provided, further, that before any such osteopath shall be lawfully entitled to practice osteopathy within British Columbia, such osteopath shall take and successfully pass an examination satisfactory to the Council in the following subjects: Anatomy, physiology, chemistry, toxicology, pathology, bacteriology, histology, neurology, physical diagnosis, obstetrics, gynecology, minor surgery, hygiene, medical jurisprudence, principles and practice of osteopathy.

The Council, for the purpose of such examination of applicants for registration as osteopaths under this Act, shall appoint an osteopath, who shall prescribe the examination for such applicants in relation to the principles and practice of osteopathy.

Any duly qualified osteopath who shall successfully pass such examination to the satisfaction of the Council, shall be entitled to be registered under this Act as a Member of the College:

Provided, that such osteopath shall be restricted wholly to the practice of osteopathy:

9. Sub-sec. (e), Sec. 28, provides that: Any homeopathic physician holding a diploma of qualification from any recognized school or college requiring at least a four years' course of study, which has been undergone by the applicant, may be registered under this Act after taking and successfully passing an examination in the following subjects: Anatomy, physiology, chemistry, pathology, bacteriology, hygiene, obstetrics, gynecology, principles and practice of medicine, materia medica, clinical diagnosis and principles and practice of surgery:

The Council, for the purpose of such examination of applicants for registration as a homeopath under this Act, shall appoint a homeopath as an examiner, who shall prescribe the examination for such applicant in relation to the subjects of materia medica and the principles and practice of medicine.

BURN-BRAE, A PRIVATE HOSPITAL FOR MENTAL AND NERVOUS DISEASES.
(See adv. in Philadelphia)

Any duly qualified homeopath who shall successfully pass such examination to the satisfaction of the Council, shall be entitled to be registered under this Act as a Member of the College: Provided, that such homeopath shall be restricted wholly to the practice of homeopathy.

"Permits" are not granted by the Council. All examinations are held in Victoria.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; {, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

Winnipeg Anti-Tuberculosis Ass'n—Sec, F A Young, 334 Portage av.

Winnipeg Clinical Society—Sec, G W Fletcher, 405 McArthur bldg.

Winnipeg Medico-Chirurgical Soc—Sec, A J Burridge, Somerset blk.

REGULATIONS OF THE COLLEGE OF PHYSICIANS AND SURGEONS OF MANITOBA.

REGULATIONS REGARDING LICENSE TO PRACTICE MEDICINE IN MANITOBA.

The College of Physicians and Surgeons, which is composed of all the medical practitioners whose names are duly entered on the Manitoba Medical Register, is neither a teaching nor an examining body, but is the sole licensing body in medicine in the Province. The University of Manitoba is the sole examining body.

If the applicant for license be a graduate in medicine of any University of Manitoba a license to practice in the Province is granted without further examination by paying the license fee of $125.

If the applicant for license be a graduate in medicine of any other Canadian University, he must send to the Registrar of the College of Physicians and Surgeons, prior to the 1st of March, his medical degree (as a credential), and upon this being found satisfactory he shall be reported to the University as eligible to write at the regular examination, which is held once a year, beginning at 9 a. m. on the 3rd Monday in April, at the University building.

In the case of a graduate from any University in the United States or other foreign country, he shall, in addition to sending his degree (or diploma), be required to send to the Registrar of the College of Physicians and Surgeons complete detailed and authoritative information as follows:

First—As to his matriculation; giving the name and address of the institution in which he was examined, the subjects, and the extent of each required.

Second—As to medical course; the number and length of sessions, subjects taught, number of courses in each, and number of lectures in each course, amount of clinical instruction in the different courses, etc, etc.

All candidates writing for license must show that the course of studies of such College or other incorporated body, at the time such member was admitted thereto, was at least equivalent to the requirements for a similar course by the University of Manitoba at the time such member shall seek to be registered as aforesaid.

On receipt of this information the University will decide as to the eligibility or otherwise of the applicant to write for license.

Each applicant, at the same time that he sends his credentials to the Registrar of the C. P. S., should send $15, examination fee, in a separate communication addressed to the Registrar of the University, which will be returned to him in case he is not permitted to write.

A candidate failing in three or more subjects must write on the whole examination again, and can only do so at a subsequent regular spring examination. If he fail in two subjects or less, he will be required to write on these only, and may do so at the time of the Supplemental Examinations, which begin on third Thursday in September, or at any subsequent regular examination.

The subjects for examination for license are: Medicine, Surgery, Obstetrics,

The Information in Polk's Medical Register and Directory IS COMPILED FROM ORIGINAL AND OFFICIAL SOURCES for each new Edition

Diseases of Children, Gynaecology, Therapeutics, Clinical Medicine, Clinical Surgery, Clinical Ophthalmology and Otology. Fifty per cent required in each to pass.

The fee for license, $125.00, is payable to the Registrar of the C. P. S. immediately after the receipt by him from the University of a satisfactory report of the candidate's examination.

No interim permit to practice is granted.

Licentiates, by examination, in Great Britain, in good standing, may register in Manitoba on presenting the British certificate of registration and paying the registration fee, $125.00.

J. S. GRAY, M. D.,
Registrar, C. P. S., Man.,
358 Hargrave Street, Winnipeg.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; {, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

St John Med Soc—Sec, D C Malcolm.

MEDICAL LAWS OF NEW BRUNSWICK.

MATRICULATION EXAMINATION.

10. Hereinafter no person shall begin to enter upon the study of physic, surgery, or midwifery, for the purpose of qualifying himself to practice the same in this province, unless he shall have obtained from the Council of Physicians and Surgeons a certificate that he has satisfactorily passed a matriculation or preliminary examination in the subjects specified in Schedule B to this act, or unless he has passed a matriculation examination for an undergraduate course in arts and science at some college in Great Britain, Ireland, Canada, the United States of America, or the continent of Europe. Provided, that the council shall have the power to make such alterations in the said Schedule B as may from time to time be deemed requisite.

11. No candidate shall be admitted to such matriculation or preliminary examination unless he shall have, at least fourteen days previous to such examination, given notice to the registrar of the council of his intention to present himself for such examination, and transmitted to the registrar a certificate showing that he has completed his sixteenth year, and shall before the examination have paid a fee of $5.00 to the registrar.

PROFESSIONAL COURSE.

Five years of study are required, including a graded collegiate course of five sessions of not less than eight months each, at some recognized college or university.

13. No person shall be entitled to have his name entered on the register of the council, or to receive a license to practice from such council, unless he shall satisfy the council that he has passed the matriculation or preliminary examination; that, after passing such examination, he has followed his studies during a period of not less than five years; that during such five years he has attended at some university, college or incorporated school of medicine in good standing, a graded collegiate course of four sessions of not less than eight months each; such course to include satisfactory and sufficient lectures and instruction in anatomy, practical anatomy, chemistry, practical chemistry, physiology, histology, materia medica, pharmacy, therapeutics, surgery, medicine, obstetrics, diseases of women and children, medical jurisprudence, hygiene and pathology, including bacteriology, together with evidence of attendance for a period of not less than eighteen months upon the general practice of a hospital containing not less than one hundred beds, under the charge of not less than two physicians and two surgeons; that previous to graduation or obtaining a diploma he has passed satisfactory examinations in the subjects of the above curriculum, and that the examinations have been conducted, and the diploma granted, by a medical school, college, university or licensing body, which itself requires a five years' graded course as above appointed; or for want of such degree or diploma, that he has satisfactorily passed an examination in the various branches hereinbefore specified before examiners to be appointed by the council; and in case he has such degree or diploma, that he has passed such examination as to his knowledge and skill for the efficient practice of his profession as may be prescribed by the council; that he is not less than twenty-one years of age; that he has paid to the registrar of the council a fee of ten dollars: Provided, that the council shall have power, subject to the approval of the lieutenant-governor in council, to make such alterations in the foregoing curriculum and requirement for to be appointed by the council; and in case he has such degree or diploma that he has registration as may from time to time be deemed requisite; and provided, also, that in the event of any person applying for registration as a practitioner of any system of medicine, the registered practitioners of the system shall have the right to appoint an examiner or examiners on the subjects peculiar to that system, namely: Materia medica, pharmacy and therapeutics, and if they should neglect so to do, the council shall have the power to appoint such examiner or examiners.

16. When and so soon as it appears that there has been established an examining body similar to that provided for by this chapter or an institution duly recognized by the legislature of any of the provinces of the Dominion of Canada other than the Province of New Brunswick as the sole examining body for the purpose of granting certificates of qualification and wherein the curriculum is equal to that provided in Section 13 above, or as the same may be at any time altered. in accordance with the provisions of Section 13, the holder of any such certificate shall, upon due proof, be entitled to registration by the council, if the same privilege is accorded in such other province to those registered in New Brunswick.

Dr. S. Grover Burnett's Private Sanitarium
A Strictly Ethical Sanitarium for Classical, Neurological and Psychological Practice, including Inebriety. Special attention to Dr. Burnett's Preferred Treatment of Morphinism as published. 3100 Euclid Avenue Kansas City, Mo.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; {, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

Tri-County (Antigonish- Guysborough and Pictou) Cos Anti-Tuberculosis League—Sec, J W Macleod, Antigonish.

Valley Med Soc—Sec, V F Connor, Hantsport.

Windsor Anti-Tuberculosis League— Sec, O B Keddy.

THE NOVA SCOTIA MEDICAL ACT.

REVISED STATUTES, CHAPTER 103, OF THE PRACTICE OF MEDICINE AND SURGERY.

As Revised in Accordance with Amendments Made by Orders-in-Council passed February 25, 1901; February 26, 1902, and by the Acts of 1903, Chapter 63; 1906, Chapter 21; 1907, Chapter 31; 1908, Chapter 52.

1. This chapter may be cited as "The Medical Act."
2. In this chapter unless the context otherwise requires:
   (a) The expression "board" means the Provincial Medical Board;
   (b) The expression "society" means the Medical Society of Nova Scotia;
   (c) The expression "registrar" means the Registrar of the Provincial Medical Board.
   (d) The expression "medicine" includes surgery and midwifery;
   (e) The expression "qualified medical practitioner" or any other words importing a person recognized by law as a medical practitioner or member of the medical profession, means a person registered under this Chapter.

PROVINCIAL MEDICAL BOARD.

3. The board shall continue to consist of thirteen qualified medical practitioners of not less than seven years' standing, seven to be appointed by the Governor-in-Council and six to be elected by the society. Five members of the board shall constitute a quorum.

4. The board shall be a body corporate, and shall have power to hold and enjoy real and personal property, and may sell, mortgage, lease or otherwise dispose of any such property for the furtherance of the objects of the board under this chapter.

VACANCIES.

5. (1) Every vacancy in the board, whether caused by death, resignation, removal from office, expiration of term of office, or otherwise, shall be filled with as little delay as possible by the authority which appointed or elected the person causing such vacancy; so that as far as practicable the board shall always consist of thirteen members, seven appointed by the Governor-in-Council and six elected by the society.

(2) In case of the dissolution of the society, or its neglect or refusal to fill a

ANTIKAMNIA TABLETS
For Headaches, Neuralgias, Pain and Fever

vacancy within one year after such vacancy occurs, the remaining members of the board shall appoint a properly qualified person to fill such vacancy.

(3) In case of omission on the part of the Governor-in-Council to fill a vacancy within three months after such vacancy occurs, the board shall in like manner fill such vacancy.

6. Immediately upon the occurrence of a vacancy, the board shall communicate the fact to the Governor-in-Council, or to the society, according as such vacancy is to be filled.

TERM OF OFFICE.

7. (1) The members of the board appointed by or on behalf of the Governor-in-Council shall hold office during good behavior.

(2) The members of the board elected by the society shall hold office for three years from the date of election; provided, however, that any member of the board elected to fill a vacancy caused by death, resignation or removal from office shall hold office for the balance only of the term for which the person so dying, resigning or removed from office was originally elected.

(3) The Governor-in-Council may remove any member of the board upon the cause shown.

SECRETARY.

8. The board shall from time to time appoint a qualified medical practitioner, resident at Halifax, to act as its secretary. He shall attend the meetings of the board, and keep a record of the proceedings of the same in a book or books to be by the board provided for that purpose.

9. The secretary shall also be the registrar of the board and he shall act as treasurer of the board, unless the board appoints another person to that office. He shall be paid out of the moneys to be received, as in this chapter provided, such salary as the board, with the approval of the Governor-in-Council, determines.

MEETINGS OF THE BOARD.

10. (1) The board shall hold an annual meeting in the city of Halifax, at which it shall appoint examiners, fix the times and places of examinations, and the remuneration, if any, to be paid to such examiners, and transact all other necessary business.

(2) The board shall also hold such other meetings as are necessary, at which meetings they shall have the powers and duties conferred upon the board at the annual meetings.

(3) Any meeting of the board may be adjourned from time to time to any future date.

(4) The president shall preside at all meetings of the board, and in his absence some other member to be chosen from among the members present shall act as president. The president or acting president shall have a casting vote only.

(5) Notice of any annual or other meeting of the board shall be mailed to the members of the board at least three clear days before the date fixed for such meeting.

(6) The board may from time to time make regulations respecting the holding of the annual meeting and the other meetings of the board, and with respect to the business to be transacted thereat, and may from time to time alter, amend or repeal any such regulation or regulations, but no such regulation shall be made, altered, amended or repealed at any meeting unless notice of the proposed regulation or of the proposed alteration, amendment or repeal, as the case may be, is given to each member of the board in the notice for such meeting.

1. In the absence of any general regulation the president or any five members of the board may direct the secretary to summon the board to meet at such time and place in the city of Halifax as to him or them seems fit, and the secretary upon receiving the direction of the president or such five members, shall summon the members of the board to meet at such time and place by notice mailed not less than three clear days previously to the date fixed for such meeting.

POWERS OF THE BOARD.

12. The board shall have power and it shall be its duty to—

(a) Elect such officers as are necessary for the carrying out of the provisions of this chapter;

(b) regulate the study of medicine by making rules not inconsistent with this chapter in respect to preliminary qualifications, the course of study to be followed, professional examinations, and the nature of the evidence to be produced before the board with respect thereto;

(c) appoint fit and proper persons to conduct the preliminary examinations, decide upon the times and places for holding such examinations, and fix the remuneration, if any, to be paid to such examiners;

(d) appoint properly qualified persons to conduct the professional examinations, decide upon the times and places for holding such examinations, and fix the remuneration, if any, to be paid to such examiners;

(e) examine all degrees, diplomas, licenses, and other credentials presented in support of applications for registration under this chapter, and require from the applicant a statement on oath that he is the person whose name is mentioned in such credentials, and that he became possessed thereof honestly;

(f) cause every medical practitioner in the province to enter in a register of the board to be kept by the registrar, and to be called the medical register, his name, age, place of residence, the date of his license, diploma or certificate of qualification, and the institution or authority conferring the same;

(g) cause every person engaged in the study of medicine for the purpose of qualifying himself to practice to enter in a register of the board to be kept by the registrar, and to be called the medical students' registrar, his name, age, place of residence, date and particulars of his preliminary

Keeley Cure 1087 DENNISON AVE., COLUMBUS, OHIO
Successful Treatment for Liquor and Drug Using, Neurasthenia, Tobacco and Cigarette addictions. (See pages 27 and 28.)

examination, and place and date of his commencement of the study of medicine;

(h) cause every midwife in the city of Halifax to enter in a register of the board to be kept by the registrar, and to be called the midwives' register, her name, place of residence and age, as well as her license or certificate, or the nature of her qualification or authority to practice as a midwife;

(i) make regulations and by-laws concerning the registers to be kept under this chapter;

(j) make regulations and by-laws for bringing this chapter into effect as to the board seems proper and necessary, which regulations and by-laws may be disallowed by the Governor-in-Council.

13. All moneys forming part of the funds of the board shall be paid to the treasurer, and shall be applied in carrying out the provisions of this chapter.

14. The books and accounts of the board shall at all times be open to the examination of such persons as the Governor-in-Council appoints to inspect the same, and of all members of the board; and the accounts shall be annually published or laid before the Provincial Secretary.

15. The registrar shall keep his registers in accordance with the provisions of this chapter and the regulations and by-laws of the board.

PRELIMINARY EXAMINATION.

16. No person shall begin or enter upon the study of medicine for the purpose of qualifying himself to practice the same in this province, unless he first produces to the registrar a certificate from the examiners appointed by the board to show that he has passed the preliminary examination in the subjects prescribed by the rules and regulations of the board, or evidence of having passed such equivalent examination* is accepted by the board, and unless he caused his name to be forthwith entered in the medical students' register as hereinbefore provided, and for such registration has paid such fees as the board by its rules and regulations appoints.

17. No candidate shall be admitted to the preliminary examination unless at least fourteen days previous to such examination he has given notice to the registrar of the board of his intention to present himself for such examination, and unless he has produced to the registrar satisfactory evidence that he has completed his sixteenth year and has paid a fee of ten dollars to the registrar.

PROFESSIONAL EXAMINERS.

18. (1) There shall be two professional examiners in each of the subjects in respect to which a professional examination is required.

(2) No more than one member of the teaching faculty of any medical school or college shall be appointed an examiner in any one subject.

REGISTRATION.

19. (1) Subject to the exceptions made in this chapter every person shall be entitled to have his name entered on the medical register who produces evidence satisfactory to the board,—

(a) That he has passed the preliminary examination, or the equivalent examination provided by this chapter, and had his name entered in the medical students' register;

(b) That after such examination and registration he has followed his studies during a period of not less than five years; (As amended by Acts 1908, c. 52, s. 1.)

(c) That during such five years he has attended at a university, college, or incorporated school of medicine in good standing, a graded collegiate course of five sessions of not less than eight months each, such course to include satisfactory and sufficient lectures and instruction in anatomy, practical anatomy, physics, chemistry, practical chemistry, physiology, histology, materia medica, pharmacy, therapeutics, surgery, clinical surgery, medicine, clinical medicine, obstetrics, practical obstetrics, diseases of women and children, medical jurisprudence, hygiene, pathology (including bacteriology and post-mortem examinations), and that he has attended for a period of not less than eighteen months upon the general practice of a hospital containing not less than one hundred beds under the charge of not less than four recognized medical practitioners, of whom one at least must be a surgeon, or for not less than twelve months on such hospital practice and attendance for six months additional on the practice of a recognized dispensary, or of the outpatient department of a general hospital; (As amended by Order-in-Council Feb. 26, 1902; Acts 1908, c. 52, s. 2.)

(d) That he has satisfactorily passed an examination in the various branches hereinbefore specified before the professional examiners appointed under the provisions of this chapter, and has received from the board its certificate of qualification: Provided, that any candidate who, at the time of his examination, intimates his intention to practice the system of homeopathy shall not be required to pass an examination in either materia medica, or therapeutics, or in the theory or practice of medicine, or in surgery or midwifery, except the operative practical parts thereof, before any examiners other than homeopathic examiners, who shall be appointed by the board; and provided that any person who produces to the registrar satisfactory evidence to show that as a student in arts or science, connected with any recognized university or college, he has attended a satisfactory course in physics, chemistry, or practical chemistry previous to his registration as a medical student, such course or courses will be accepted by the board as exempting from further attendance in such subject or subjects, and a certificate of having, as such arts or science student previous to his registration or as a medical student subsequent to such registration, passed an examination in either or all of these subjects equivalent to that required by the board, will be accepted as exempting from further examination in any or all of said subjects; and Provided that during the year 1902 and thereafter, until the board shall otherwise decide and shall give due notice of such decision in the Annual Announcement, any person who produces to the registrar satisfactory certificates from a regular medical college or university recognized by the board, of having passed in the subjects of the First and Second Professional Examinations as specified in the board's Annual Announcement, shall be exempt from further examination in such subjects and shall be required to pass only in the subjects of the Third Professional Examination; (As amended by Orders-in-Council Feb. 25, 1901; and Feb. 26, 1902.)

---

*The word "as" evidently omitted here. See Acts 1899, c. 32, s. 14. (Registrar P. M. Board.)

(e) That he is not less than twenty-one years of age, and that he has paid to the registrar of the board such fee as the board by general by-law appoints.

(2) The foregoing curriculum and regulations shall be compulsory only in the case of persons who began the study of medicine subsequent to July 1st, 1899, and the board shall have power, subject to the approval of the Governor-in-Council, to make from time to time such alterations in the same as are required.

[(3) The amendments made by the Acts of 1908, Chapter 52, Sections 1 and 2, viz., substituting the word "five" for the word "four" in clauses (b) and (c) of Section 19 of Chapter 103 R. S., 1909, shall not apply in the case of persons who began the study of medicine prior to the 16th day of April, 1908. (Acts 1908, c. 52, s. 3.)]

20. Notwithstanding anything contained in the next preceding section, any person in actual practice and duly registered under the provisions of Chapter 56 of the Revised Statutes, third series, shall be entitled to be registered under this chapter without payment of any fee.

21. (1) The board shall admit to registration, upon payment of the registration fee, any person desirous of practicing in Nova Scotia who is duly registered by the General Medical Council of Great Britain.

(2) When and as soon as it appears that there has been established in any other province of Canada, or in the North-West Territories of Canada, an examining board similar to that constituted by this chapter, or an institution duly recognized by the legislature of any such province or of the said North-West Territories, as the sole examining body therein for the purpose of granting certificates of qualification for the practice of medicine, and whereof the curriculum is equivalent to that established by this chapter, the holder of a certificate of qualification from any such examining body or institution, shall upon due proof and upon payment of the registration fee, be entitled to registration by the board, if the same privilege is accorded by such examining board or institution to those holding certificates of qualification from the board. (As amended by Acts 1903, c. 63, s. 2.)

(3) Wherever there is established under the Act of the Parliament of Canada, known as "The Canada Medical Act, 1902," or any Act in amendment thereof, a register for Canada of medical practitioners under the control of a medical council appointed or elected pursuant to the provisions of the aforesaid Act or Acts, then, notwithstanding anything contained in this chapter, any person duly registered in the said medical register for Canada as a medical and surgical practitioner shall be deemed to be qualified and entitled to be registered in the medical register of the board as a duly qualified medical and surgical practitioner, and shall be so registered upon the production of a certificate under the hand of the registrar of the said Medical Council for Canada certifying that such person is duly registered in the said medical register for Canada, and upon satisfactory proof of the identity of such person, and upon payment of such fee as may be prescribed by the board, such fee not to exceed the fee ordinarily payable in cases of registration under the other provisions of this chapter. (Acts 1903, c. 63, s. 1.)

22. No person shall practice medicine, surgery or midwifery in Nova Scotia unless his name is registered in the medical register.

23. No person shall be appointed as medical officer, physician, or surgeon in any branch of the public service of this province, or in any hospital or other charitable institution, unless he is registered under the provisions of this chapter; Provided that this section shall not apply to the appointment of House Surgeons in the Victoria General Hospital. (As amended by Acts 1907, c. 31.)

24. No certificate required by any statute now in force or hereafter to be passed from any physician, surgeon or medical practitioner, shall be valid unless the person granting or signing the same is registered under this chapter.

25. No person shall be entitled to recover in any court of law any charge for medical or surgical advice or attendance, or for the performance of any operation, or for medicines or medical or surgical appliances which he has supplied or furnished, unless he proves upon the trial that he is registered under this chapter; Provided that nothing in this section shall apply to the sale by qualified druggists or chemists of articles properly belonging to their business.

26. No person otherwise duly qualified under this chapter shall be refused registration on account of his adopting or refusing to adopt the practice of any particular theory of medicine. In case of such refusal by the board, the person aggrieved shall have the right to appeal to the Governor-in-Council, who upon due cause shown may issue an order to the board to register the name of such person.

27. Every person registered under this chapter who has obtained any degree or qualification other than that in respect to which he has been registered, may have such other degree or qualification inserted in the register in substitution for or in addition to the qualification previously registered, on the payment of such fee as the board appoints.

28. No qualification shall be entered on the register, either on the first registration or by way of addition to the registered name, unless the board is satisfied by sufficient evidence that the person claiming to have such qualification entered is entitled thereto; and any entry which is proved to the satisfaction of the board to have been fraudulently or incorrectly made, shall by direction of the board be erased from the register.

29. Any medical practitioner who has been sentenced to imprisonment in a penitentiary, or who after due inquiry has been adjudged by the board to have been guilty of infamous conduct in any professional respect, shall thereby forfeit his right to registration, and if registered his name shall, by the direction of the board, be erased from the register.

30. Every person registered under the provisions of this chapter shall be enti-

tled, according to his qualification or qualifications, to practice medicine, surgery or midwifery, or any of them, as the case may be, and to demand and recover in any court of justice reasonable charges for professional aid, advice and attendance, and the cost of any medicines or medical or surgical appliances furnished by him to his patients.

31. Any person who neglects or omits to be registered under this chapter shall not be entitled to any of the rights or privileges conferred by the provisions of this chapter.

31a. Any person who has been registered under the provisions of this chapter and whose name has been heretofore or is hereafter erased from the registry by order of the board shall, at any time within three months after the passing of this Act, if such erasure has been made before the passing thereof, or within three months after the date of such erasure, if made after the passing of this Act, have the right to appeal from the order directing such erasure to a Judge of the Supreme Court, who shall hear and determine such appeal in a summary manner and may confirm, reverse or modify the decision of the board, or may make an order directing the board to register the name of such person, and upon the making of such order the name of such person shall be deemed to be registered.

Any of the parties to the appeal may call witnesses and adduce evidence whether such witnesses were called or evidence adduced at the hearing before the board or not, either as to the credibility of any witness or as to any fact material to the inquiry.

This section shall not apply to a case in which a medical practitioner has been after due inquiry adjudged by the board guilty of infamous conduct in any professional respect. (Acts 1908, c. 52, s. 4, passed on the 16th day of April, 1908.)

PUBLICATION OF REGISTER.

32. (1) The registrar shall before the 1st day of August in every year cause to be published in the Royal Gazette of this province, and in such other manner as the board appoints, a correct list in alphabetical order, according to the surnames, with the respective residences (in the form set forth in the schedule to this chapter or the like effect) and medical titles, diplomas and qualifications with the dates thereof, of all persons appearing on the medical register on the 30th day of June in such year.

(2) Any list purporting to be so printed and published as aforesaid, shall from the said first day of August until the same date in the next following year be prima facie evidence in all courts of justice that the persons therein specified as registered according to the provisions of this chapter; and the absence of the name of any person from such list shall, during the same period, be prima facie evidence that such person is not registered according to the provisions of this chapter: Provided, that in the case of any person whose name does not appear in such list a certified copy under the hand of the registrar of the entry of the name of such person on the register shall be evidence that such person is registered under the provisions of this chapter.

OFFENCES AND PENALTIES.

33. Every person who wilfully procures or attempts to procure himself to be registered under this Chapter, or any amendment thereto by making or producing any false or fraudulent representation, statement or declaration, either verbally or in writing, and every person who knowingly aids or assists therein, shall be liable to a penalty of not less than one hundred dollars.

34. If the registrar makes or causes to be made any wilful falsification in any manner relating to the registers mentioned in this chapter or either of them, he shall for every such offense be liable to a penalty of not less than one hundred dollars.

35. (1) If any person not registered under the provisions of this chapter practices, or in any manner or by any means whatsoever professes to practice, medicine, surgery or midwifery, or advertises in any manner or by any means whatsoever to give advice in medicine, surgery or midwifery, he shall be liable to a penalty not exceeding twenty dollars for each day that he so practices, professes to practice, or advertises. (As amended by Acts 1906, c. 21, s 1.)

(2) If any person wilfully pretends to be a physician, doctor of medicine, surgeon or general practitioner, or assumes any title, addition or description other than he actually possesses and is legally entitled to, he shall for each such offense be liable to a penalty not exceeding one hundred dollars.

36. Every person not registered under the provisions of this chapter, who takes or uses any name, title, addition or description, implying or calculated to lead people to infer that he is registered under this chapter, or that he is recognized by law as a physician, surgeon or accoucheur, or as a licentiate in medicine, surgery or midwifery, shall for each such offense be liable to a penalty not exceeding one hundred dollars.

37. All penalties or sums forfeited under the provisions of this chapter, shall be recoverable with costs, and may be sued for and recovered in the same manner as a private debt by the board or by any qualified medical practitioner in any of the courts of this province having jurisdiction in actions of debt to the extent of eighty dollars or upwards. All such penalties or sums when recovered shall belong to the board for the use thereof under this chapter.

38. In any trial under this chapter the burden will be upon the person charged to prove that he is duly registered under this chapter, and in the absence of proof that he is so registered, it shall be conclusively presumed against him that he is not so registered under this chapter.

39. No suit or action for the recovery of any penalty under this chapter shall be commenced after the expiration of one year from the date of the offense or act complained of.

MIDWIVES.

40. (1) Nothing in this chapter shall prevent any competent female from practicing midwifery in this province, except in the city of Halifax.

(2) In the city of Halifax no female shall practice midwifery unless and until she first fulfills such conditions as the board by regulation or by-law appoints, and satisfies the examiners appointed by the board for that purpose of her competency, and obtains from the board a diploma or certificate of qualification, and has been registered as hereinbefore provided.

(3) In lieu of an examination, the board may accept from any such midwife practicing or proposing to practice in the city of Halifax, a diploma or certificate

The Oconomowoc Health Resort
Oconomowoc, Wis.
(See advertisement inside back cover)

from a recognized lying-in hospital which provides a regular course of instruction and requires an examination equivalent to that required by the board.

GENERAL PROVISIONS.

41. Nothing in this chapter shall prevent any person from giving necessary medical or surgical aid or attendance to anyone in urgent need thereof: Provided, that such aid or attendance is not given for hire or gain and that the giving of it is not made a business or way of gaining a livelihood by such person.

42. Any person who at any time before the 1st day of July, A. D. 1899, commenced the study of medicine for the purpose of qualifying himself to practice the same in this province, and who at any time before the 1st day of July, A. D. 1902, complies with the conditions and provisions in that behalf contained in the Revised Statutes, fifth series, chapter twenty-five, and Acts in amendment thereof, and in the rules and regulations made thereunder and now in force, shall be entitled to registration under this chapter. [Obsolete since July 1st, 1902.]

43. In case an execution issued upon a judgment recovered for a penalty under the provisions of this chapter is returned by the sheriff unsatisfied, an order restraining the person against whom such judgment has been recovered from further violating the provisions of this chapter, may be made upon application to a judge of the court in which such judgment was recovered after ten days' notice of such application. Any such restraining order may be enforced by writ of attachment. (Acts 1906, c. 21, s. 2.)

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †. Legally authorized under the "years of practice" section of the act; {, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

REGULATIONS OF THE COLLEGE OF PHYSICIANS AND SURGEONS OF ONTARIO.

"The College of Physicians and Surgeons of Ontario" is the name adopted by the medical profession of the Province of Ontario in its corporate capacity. As every legally qualified medical practitioner in the Province is a member of this college, it is not an institution for the teaching of medicine.

The medical profession of Ontario was first incorporated under this name by an Act of Parliament of Canada, passed in 1866. This Act was subsequently repealed by the Legislature of Ontario in 1869, and now the affairs of the profession in this Province are regulated by an Act passed in 1874 (37 Vic., Cap. 30), commonly known as the "Ontario Medical Act," and further amended in 1887, 1891, 1893, 1895, 1902 and 1905.

By this Act, the "Council of the College of Physicians and Surgeons of Ontario" is empowered and directed to enact by-laws for the regulation of all matters connected with medical education; for the admission and enrollment of students of medicine; for determining from time to time the curriculum of the studies to be pursued by them, and to appoint a Board of Examiners, before whom all must pass a satisfactory examination before they can be enrolled as members of the college, and thus be legally qualified to practice their profession in the Province of Ontario.

The council, moreover, has power and authority conferred upon it by this Act to fix the terms upon which practitioners of medicine, duly qualified in other countries, may be admitted as members of the College of Physicians and Surgeons of Ontario, this being the only mode in which they can become legally entitled to practice their profession in this Province.

For the information and guidance of students of medicine, the profession, and the public generally, the council, in conformity with the Ontario Medical Act, hereby promulgates for the year 1912-1913 the regulations which herein follow, repealing all others heretofore in force.

All changes in the medical curriculum shall take effect at the next ensuing annual examinations.

REGULATIONS.

Section I. Matriculation. Every one desirous of being registered as a matriculated student in the register of this college, except as hereinafter provided, shall be required to pay a fee of twenty-five dollars and to conform to the following regulations:

Any one of the following credentials will be accepted:

1. A certificate of having graduated in arts or science in any university in His Majesty's Dominions, or any other university approved of by this council.
2. A certificate from the registrar of any chartered Canadian university con-

ducting a full arts course, that the holder thereof has passed the examination conducted at the end of the first year in arts by such university.

3. A certificate of having passed the joint university senior matriculation examination in arts as conducted by the Education Department of Ontario.

4. A certificate of having passed the senior arts matriculation conducted by any chartered university of Canada.

5. A certificate of having passed the joint university examination for junior matriculation in arts as conducted by the Education Department of Ontario.

6. Matriculation must be registered in the manner prescribed by the council, preliminary to entrance upon medical studies.

7. The registrar shall send to each high school and collegiate institute in Ontario a printed copy of the regulations governing the matriculation requirements of this council with the request that such be posted in the high school or collegiate institute.

Sec. II. Medical Curriculum. 1. Every student must spend a period of five years in actual professional studies in a university, college or medical school approved by the council, except as hereinafter provided.

2. Graduates in arts or science of any college or university recognized by the council shall be permitted to present themselves for their examination in four years, provided that during such course, two years have been spent in the courses of physics, chemistry, biology and physiology and examinations passed in these subjects while taking said university course.

3. Every student must attend the undermentioned course in a university, college or school of medicine approved of by the council.

Certificates must be presented for the full number of clinical lectures required.

Anatomy—Two courses of eight months each in descriptive and practical anatomy.

Each student will be required to prove that he has carefully dissected the entire adult human body.

Medical and Surgical Anatomy—One course of eight months.
Physiology—Two courses of eight months each.
Histology—One course of eight months.
Chemistry—Two courses of eight months each.
Medical Physics—One course of four months.
Materia Medica, Pharmacy and Pharmacology—Two courses of four months each.
Medicine—Two courses of eight months each.
Clinical Medicine—Two courses of eight months each.
Surgery—Two courses of eight months each.
Clinical Surgery—Two courses of eight months each.
Midwifery—Two courses of eight months each.
Gynaecology—One course of eight months.
Pathology and Bacteriology—Two courses of eight months each.
Diseases of Children—One course of six months.
Therapeutics—One course of six months, including Medical Electricity and Roentgen Rays.
Jurisprudence and Toxicology—One course of four months.
Diseases of the Eye, Ear, Nose and Throat—One course of four months.
Hygiene and Preventive Medicine—One course of four months.
Psychiatry—One course of two months.

4. In lieu of certificate of the fifth year of the Medical Course spent at an approved university, hospital or medical school, any one of the following will be accepted:

(a) Certificate of having performed duties of interne for one year in a recognized hospital.

(Hospital recognized by Government and receiving Government allowance.)

(b) Certificate of having spent one year as assistant to a regularly qualified practitioner.

(c) Certificates of having spent six months of fifth year as assistant to a regularly qualified practitioner, and other six months as interne in a recognized hospital.

N. B.—Certificates recognized by paragraphs (a), (b) and (c), when presented, must be accompanied by affidavit on a recognized form, duly and properly executed by the person from whom the certificate is procured. Blank forms of these certificates are obtainable from the registrar.

The minimum equirements of clinical lectures by the staff of a recognized hospital or at a medical school are as follows:

(a) Twenty-five lectures or demonstrations in surgery.
(b) Twenty-five lectures or demonstrations in medicine.
(c) Twenty-five lectures or demonstrations in obstetrics and gynaecology.
(d) Twenty-five lectures or demonstrations in clinical microspocy (including urine analysis, blood examinations, etc) and autopsy work.
(e) One month in practical dispensing.
(f) Twenty-five lectures or demonstrations in ophthalmology, otology and rhinology and laryngology.
(g) Ten practical demonstrations in the administration of anaesthetics.
(h) Attendance on ten cases of midwifery.

5. Course prescribed for homeopathic students:

Candidates wishing to be registered as homeopathists must conform with the requirements regarding matriculation as found in Section 1.

Such candidates must also have complied with the full curriculum of studies prescribed from time to time by the council for all medical students, but the full time of attendance upon lectures and hospitals required by the curriculum of the council, may be spent in such homeopathic medical colleges in the United States as are included in the Association of American Universities, and when such teaching body has been established in Ontario, it shall be optional for such candidates to pursue in part or in full the required curriculum in Ontario.

6. Graduates in medicine from recognized colleges outside the Dominion of Canada who desire to qualify themselves for registration must conform to the matriculation required by the Council; and must attend one or more full winter course of lectures in one of the regular medical schools in Ontario, and must complete fully the practical and clinical curriculum required by the Council and shall pass before the examiners appointed by the council all the examinations hereinafter prescribed.

7. **British registered medical practitioners will be registered on passing the professional examination and paying all necessary fees.**

DIABETIC FOODS
Guaranteed Under U.S. Standard for Gluten

Pure Gluten Food Co.
92 W. Broadway, New York City
(See adv. in classified Foods)

Sec. III. Examinations. 1. There shall be one examination held by the medical council, and that at the end of the fifth year.

2. Every applicant for this examination must be a graduate of an approved medical college, and must present certificates of attendance covering a period of five years, except as provided in paragraph 2, Section II.

3. The following shall be the subjects for said examination:

(1) Medicine.
(2) Surgery.
(3) Midwifery and diseases of women.

4. The examination shall consist of two examinations on each subject (1) "written" and (2) "oral" and "clinical."

5. Sixty per cent of the marks will be required to pass in each subject. A candidate must take all three subjects at one examination, but he will only be required to pass subsequently on any subject or subjects on which he has failed.

6. The examinations shall be held at Toronto, Kingston and London, annually, at such time as shall be fixed by the Annual By-Law.

7. Candidates who intend to be examined by the Homeopathic Examiners shall signify their intention to the registrar at least two weeks previous to the announcement of the examinations, due notice of which must be given to examiner by registrar. Homeopathic students are to be examined by examiners approved by a majority of the homeopathic members of the council.

Sec. IV. Fees. 1. The following scale of fees has been established by the council of the College of Physicians and Surgeons:

(a) Registration of matriculation, $25.00.

(b) The medical council examination, including registration for license, $75.00. This is not to affect any student who is registered prior to 1st of July, 1889. These fees are to be paid to the treasurer of the College of Physicians and Surgeons before each examination.

(c) Registration of additional degrees of titles, $2.00. This fee is only payable when the additional titles are registered at different times, but any number of such titles as are allowed to be registered may be put on record at the first registration fee.

(d) Diploma of membership of the college, $5.00. This diploma is granted free of charge to all those members of the college, who attain their membership by passing the examinations of the college. All other members may obtain it on application to the registrar, and paying the above-mentioned fee to the treasurer.

(e) Annual assessment due by members of the college for each year, payable to the registrar, $2.00. This fee is payable by every member of the College of Physicians and Surgeons of Ontario.

2. All fees, excepting the annual assessment, must be paid in lawful money of Canada, to the treasurer of the college.

3. No candidate will be admitted to any examination until the fee for such examination is paid in full.

4. Candidates who have failed in any professional examination in one or more subjects shall be allowed to take the next ensuing examination without further costs, but shall pay $25.00 for any subsequent supplemental examination.

Sec. V. Examinations. Rules for the guidance of the registrar and the Board of Examiners:

1. The registrar or a deputy registrar must be present at every examination, and each student must produce evidence satisfactory to the registrar or deputy registrar of his identification.

2. At the end of each written examination upon any subject, the answers to the questions are to be handed to the registrar, who will open the envelopes, in which they are hereinafter directed to be enclosed, and to each set of papers affix a number by which the author will be known to the examiners during the examination. The registrar will then deliver the papers to the members of the Board of Examiners appointed by the council to examine upon any subject.

3. The papers when delivered to the members of the Board of Examiners appointed by the council to examine on the subject, are to be by them examined, and the relative value of answers marked by means of numbers on a blank form which will be furnished to them by the registrar.

4. The percentage in all subjects of the professional examinations shall range from 0 to 100, of which 60 per cent will be required to pass in each subject.

5. The value awarded by the examiners to the answers of candidates and confirmed by the Board of Examiners is not to be subject to revision, except by the council, who may have the papers re-read and revised when special cases of hardship may seem to have occurred.

6. The examiner shall return the schedule to the registrar, with values inserted, within fifteen days of the close of examinations on his subject. From these values a general schedule shall be prepared by a chartered accountant associated with the registrar, which schedule shall be inspected and signed by the president before the results are announced.

7. The registrar, in notifying the members of the Board of Examiners, will direct attention to the following instructions, a copy of which he shall enclose:

(a) In preparation of questions examiners will confine themselves to the principles common to the standard text books.

(b) In referring to diseases or operations of any kind the name of such disease or operation, most commonly in use, must be employed, and the examiners shall refrain as far as possible from the use of proper names and ambiguous questions.

(c) In the preparation of the paper, that opposite each question should be placed the value of a full and correct answer thereof—the whole of such numbers to amount to 100.

(d) In the reading of papers the examiners shall mark in colored pencil what they regard as the numerical value of the answer given.

Dr. S. Grover Burnett's Private Sanitarium
A Strictly Ethical Sanitarium for Classical, Neurological and Psychological Practice, including Inebriety. Special attention to Dr. Burnett's Preferred Treatment of Morphinism as published. 3100 Euclid Avenue Kansas City, Mo.

(e) The oral and clinical examinations are to be made as practical, demonstrative or clinical as possible, and shall at least occupy thirty minutes.

(f) Candidates shall be known to the examiners by numbers only.

(g) There shall be two examiners in each subject who shall conjointly set and examine each paper and conjointly examine the student in the "oral and clinical" examination.

(h) The examiners will meet at the close of the examination for consultation and consideration of reports before these are forwarded to the registrar.

8. Candidates for oral examinations will be divided into classes alphabetically, and notified of the time at which they shall present themselves for examination. Such students shall wait in an adjoining room, and appear before the examiners when summoned.

9. No teacher shall be eligible for appointment as an examiner in the subject which he teaches.

10. The examiners in each subject shall meet at a convenient point to prepare the examination papers, and shall send each paper to the registrar by registered mail at least two weeks before the date of examination. (The examiners shall approve of proofs before printing.)

Sec. VI. Rules for Candidates When in the Examination Hall. 1. Each candidate shall receive from the registrar a programme containing a list of subjects upon which the candidate is to be examined, and it will admit him to the examination hall during the progress of the examinations upon such subjects, but at no other time.

2. Candidates must write the answers to the questions given by the examiners legibly and neatly upon one side of each page of a book, which will be furnished to each candidate, and the number given with each question is to be put at the head of the answer to it, in such a manner as to have the first page facing outward to the view; the papers then to be folded once and enclosed in an envelope, on the outside of which each candidate is to write his name. The packet is then to be handed to the registrar or his deputy. Neither signature, number or sign, by which the writer could be recognized by the examiner, is to be written or marked on any portion of the book to be enclosed in the envelope.

3. The questions of the Examiners in the homeopathic subjects will be handed, at the beginning of the general examination on the same subject, by the registrar or deputy, to such candidates as have given him notice in accordance with Section III., sub-sec. 7.

They shall write the answers to these questions in the same hall with the other candidates, and hand their paper, when finished, to the registrar in the same manner as provided for other candidates, to be by him given for examination to the homeopathic member of the Board of Examiners appointed to examine on that subject.

4. No candidate will be allowed to leave the hall after the questions are given out, until his answers have been handed in.

5. No one shall be allowed in the hall during the hours of examination, except those who are actually undergoing examination, or members of the council or officials connected therewith.

6. Any candidate who may have brought any book or reference paper in the hall, must deposit it with the registrar before the examination begins.

7. Candidates must not communicate with each other while examinations are going on, either by writing, signs, words, or in any manner whatever.

8. Candidates must at all times bear themselves toward the registrar or deputy and examiners with the utmost deference and respect; and they will not be permitted in any manner to manifest approbation or disapprobation of any member of the Board of Examiners during the progress of the examination.

9. Candidates must not only conduct themselves with decorum while an examination is going on, but they will be held strictly responsible for any impropriety of conduct during the whole progress both of the written and the oral examinations.

10. Any infraction of the above rules will lead to the exclusion of the candidate who is guilty of it, from the remainder of the examination; and he will not receive credit for any examination papers which he may have handed to the registrar or deputy previous to his being detected in such misconduct.

11. And he may be debarred from further privileges, at the discretion of the council

Sec. VII. Inter-Provincial Reciprocity in Medical Registration. For the purpose of fostering reciprocal relations with the several provinces of Canada, this council enacts as follows:

1. When and as soon as it appears that in any other province of Canada, an examining board similar to that constituted by the Ontario Medical Act, being the sole examining body therein for the purpose of granting certificates of qualification for the practice of medicine, has established a curriculum equivalent to that established by the Council of the College of Physicians and Surgeons of Ontario, the holder of a certificate of qualification granted by any such examining body, shall upon due proof and upon payment of the registration fee, be entitled to registration by this council, if the same privilege is accorded by such examining body to those holding certificates of qualification from this council.

2. Any regularly qualified and licensed medical practitioner in any province of Canada, who is a graduate in arts or science from a recognized Canadian university, may, without further examination, become a member of the College of Physicians and Surgeons of Ontario, on furnishing the necessary credentials and paying the usual fee, provided that the Medical Council of the province in which he is registered and resident offers similar privileges to the members of the College of Physicians and Surgeons of Ontario.

3. The registration fee in all cases where no examination is required by the council will be $100.

THORNHILL SPRINGS, **Thornhill, Ontario, Canada**

L. G. LANGSTAFF, M. D. Physician in Charge.

Thornhill Springs is situated at Thornhill, Ontario, Canada, nine miles north of the City of Toronto on the Metropolitan Division of the Toronto and York Radial Railways, an electric street railway which runs north on Yonge Street from Toronto.

The Sanitarium capacity is limited to twenty; the rooms are large and well lighted and modern conveniences are installed. Milk, eggs, vegetables and fruit are supplied from the Thornhill Springs Farm.

The Mineral Springs.

A prominent feature of the place are "The Springs," the analysis of whose waters is almost identical with that of some of the best known spas of Europe and the United States.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; {, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

Dr. S. Grover Burnett's Private Sanitarium
A Strictly Ethical Sanitarium for Classical, Neurological and Psychological Practice, including Inebriety. Special attention to Dr. Burnett's Preferred Treatment of Morphinism as published. 3100 Euclid Avenue Kansas City, Mo.

THE REQUIREMENTS FOR REGISTRATION UNDER "THE PRINCE EDWARD ISLAND MEDICAL ACT," AND AMENDMENTS THERETO ARE SET FORTH IN THE FOLLOWING SECTIONS OF THE ACT AND BY-LAWS OF THE MEDICAL COUNCIL.

SECTIONS OF THE ACT.

9. The council shall admit to registration, upon payment of the required fee, all such persons as are duly registered by the General Medical Council of Great Britain.

10. Subject to the exceptions made in this Act, no person shall be entitled to have his name entered on the Medical Register, unless he produces evidence satisfactory to the council.

(a) That he has passed a preliminary or matriculation examination upon the subjects specified in the by-laws of the council, and had his name registered in the Medical Students' Register; also,

(b) That after such examination and registration, he has pursued his professional studies during a period of not less than five years; also,

(c) That during the said five years he has attended at a university, college, or incorporated school of medicine, in good standing, a graded collegiate course of five sessions, each session to be of such duration, and the entire course to include sufficient and satisfactory lectures and instruction in medicine, surgery and midwifery, together with such attendance upon the general practice of a hospital, as the by-laws of the council shall require; also,

(d) That he has satisfactorily passed an examination in the various branches of professional studies, specified in the by-laws of the council, before professional examiners appointed by the council; and upon passing the examination required, and on payment of the fee for such examination, also the fee for registration, which fees shall be fixed by the by-laws of the society, he shall be entitled to registration. Provided that any person holding the degree of B. A., from any university in His Majesty's Dominions, or any person holding a teacher's license of the first-class of this Province, shall not be required to pass the matriculation examination.

11. The council shall cause to be kept by the registrar a book or register to be called the "Medical Students' Register," in which shall be entered the names of all who have passed the said matriculation examination, together with the date of registration and such other particulars in regard thereto, as may be by the council deemed necessary or expedient. A fee of two dollars shall be paid for such registration and a certificate thereof.

12. When and so soon as it appears that there has been established an examining body similar to that constituted by this Act, or an institution duly recognized by the Legislature of any of the Provinces of the Dominion of Canada, other than Prince Edward Island, as the sole examining body for the purpose of granting certificates of qualification, and wherein the curriculum is equal to that approved of by the Medical Council of the Province of Prince Edward Island, the holder of any such certificate shall, upon due proof, be entitled to registration by the Council of Prince Edward Island, if the same privilege is accorded in such other Province to those registered in Prince Edward Island.

17. Where any medical practitioner has been guilty of any infamous or disgraceful conduct in a professional respect, such practitioner shall be liable to have his name erased from the register, and if such a practitioner applies for registration the council shall have power to refuse such registration. The council shall upon the application in writing of any three registered practitioners, specifying the cause or causes of complaint, cause enquiry to be made into the case of a person alleged to be liable to have his name erased from the register on account of infamous or unprofessional conduct. No action shall be brought against the council for anything done bona fide under this section for want of form.

18. It shall be lawful for the registrar upon the order of the council, to publish a notice in any newspaper or newspapers published in Prince Edward Island, stating the fact that the name of any person has been erased from the register under the provisions of the last preceding section, and the cause of such erasure; provided that if such person has appealed within the time allowed for an appeal under this Act, no such notice shall be published until such appeal has been disposed of. It shall also be lawful for the registrar upon the order of the council to publish in any newspaper or newspapers published in Prince Edward Island, the name or names of any person or persons unlawfully practicing medicine in this Province without registration.

23. (1) The Registrar of the Council shall under the direction of the council cause to be printed and published once in two years, a correct copy of the register, containing the names of all persons registered, in alphabetical order, according to the surnames, with the respective residences, together with the medical titles, diplomas and qualifications conferred by any college or body, with the dates thereof, as existing on the day of the publication; and the copy of such register for the time being, purporting to be so printed and published as aforesaid, shall be prima facie evidence in all courts and before all justices of the peace, that the persons therein specified are registered according to the provisions of this Act, and subject to the provisions of sub-section 2 of this section, the absence of the name of any person from such copy shall be prima facie evidence that such person is not registered according to the provisions of this Act.

(2) In the case of any person whose name does not appear in such copy, a certified copy under the hand of the registrar of the entry of the name of such person on the register, shall be evidence that such person is registered under the provisions of this Act.

The following is hereby added as sub-section (3) to section 23 of the said Act.

"(3) A true copy of the register of the Medical Council required to be kept under this section shall be hereafter published once in each year in the Royal Gazette of this Province."

41. The Medical Council shall upon receiving information that any member

of the society has removed to another province or country and engaged in the practice of his profession, and taken up his residence in said province or country, cause his name to be erased from the Medical Register, after two years' absence, unless said party desires to continue membership by paying all dues and annual assessments of the council.

(2) Any person being at the time a resident in this province, and who, at any time between the first day of July, 1896, and the first day of July, 1899, has commenced the study of medicine for the purpose of qualifying himself to practice the same in this province, and who complies with the conditions and provisions in that behalf contained in the Acts hereby repealed, and with the rules and regulations made thereunder and now in force, and who after the first day of July, 1899, pursues and completes the remainder of his studies under the conditions and provisions of this Act, shall be entitled to be registered under this Act.

BY-LAWS OF MEDICAL COUNCIL.

I. Following are the subjects of the matriculation examination:

English—Grammar, composition, literature and rhetoric.

Arithmetic—Including vulgar and decimal fractions, the extraction of the square and cube root and mensuration.

Algebra—To the end of quadratic equations.

Geometry—First three books of Euclid.

Latin—First two books of Virgil's Æneid, or three books of Caesar's commentaries, translation and grammar.

Elementary Mechanics of solids and fluids, comprising the elements of statics, dynamics and hydrostatics. Elementary chemistry.

Canadian and British History—With questions in modern geography.

Translation and grammar in any two of the following subjects: Greek, French, German.

Fifty per cent of the marks in each subject shall be required for a pass, and 75 per cent in all the subjects for honors.

If fifty per cent be made in all the subjects but one, the candidate may begin his professional studies and present himself in that subject alone at the next examination without additional fee.

Candidates failing in more than one subject will be allowed those subjects in which they have passed, but will be required to pay an additional fee of five dollars, on presenting themselves for examination in the remaining subjects, and in the meantime may not begin their professional studies.

No candidate shall be admitted to such matriculation examination, unless he shall have given notice to the registrar at least 14 days previous to such examination of his intention to present himself, and shall before the examination, have paid to the registrar a fee of ten dollars.

The council will accept fully or recognize pro tanto, the examinations required by the Medical Councils or Boards of New Brunswick or Nova Scotia, also of any other province or territory in Canada which may hereafter reciprocate with this council in this respect.

Except where otherwise specified, the council recommends as text books, the books prescribed by the Board of Education of this Province, for students preparing for an Academic Teacher's License.

The matriculation Examinations shall take place beginning on the first Thursday in May and September in each year.

The examiners shall be the Chief Superintendent of Education and the Secretary of the School Board of the City of Charlottetown for the time being, or such other person or persons as the council may from time to time appoint.

The council shall pay to each examiner for each examination, such fees as it may from time to time decide upon.

II. Professional Studies and Examinations.

The curriculum of professional studies shall embrace the following:

Attendance during five years at a university, college or incorporated school of medicine in good standing, upon a graded collegiate course of four sessions of not less than eight months each, such course to include satisfactory and sufficient lectures and instructions in anatomy, practical anatomy, chemistry, practical chemistry, physiology, histology, materia medica, pharmacy, therapeutics, surgery, clinical surgery, medicine, clinical medicine, obstetrics, diseases of women and children, medical jurisprudence, hygiene, pathology (including bacteriology and post-mortem examinations), also attendance for a period of not less than thirty-two months, upon the general practice of a hospital containing not less than one hundred beds.

No cadidate shall be admitted to the professional examination, unless at least 14 days before such an examination he shall have made a written application therefor to the registrar, in a form prescribed by the council, and shall have produced before the registrar, all required cetificates, and before such examination shall have paid to the registrar the required fee for such examination, also the fee for registration, which latter fee shall be refunded in the event of failure to pass the examination. All applications shall be submitted to the council by the registrar, and shall be subject to its approval.

The examiners shall be the members of the council, or such other persons as the council may from time to time appoint.

The examinations shall take place in the month of July in each year, at such time and place as the president shall appoint.

In order to pass, candidates must make 50 per cent of the marks in each subject.

If fifty per cent be made in all the subjects but one, he may present himself for examination in that subject alone, with or without additional fee, as the council shall decide.

The fee for the professional examination shall be fifteen dollars, which fee shall be in all cases paid into the hands of the registrar prior to the examination.

III. No name shall be placed upon the Prince Edward Island Register without the order of the council.

IV. If from any cause the registrar is unable to attend any meeting of the council, it shall be competent for the council to appoint a registrar pro tem., who shall have all the powers of the registrar.

V. Each member of the Medical Society shall pay to the registrar an annual fee of not more than five dollars (the precise fee for the year to be decided upon by resolution of the council), and which fee shall be payable on the first day of July in each year.

VI. The fee for registration in the Prince Edward Island Medical Register shall be twenty dollars, which fee shall in all cases, be paid to the registrar before such registration is effected.

VII. Any person registered in any province of Canada which reciprocates with this province under the provisions of Section 12 of the Prince Edward Island Medical Act, and who wishes to remove to this province, shall be required, in order to obtain registration in this province, to bring from the registrar of the province he is leaving, a certificate showing that he is at the time a legally qualified medical practitioner of such province, and that no charge of a criminal or professional nature is pending against him.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; {, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

Three Rivers Anti-Tuberculosis League—Pres, L P Normand.

MEDICAL LAW OF QUEBEC.

Sec. 6.—ADMISSION TO THE PRACTICE OF MEDICINE, AND THE PRACTICE OF MEDICINE.

"4002d. For the purpose of examining candidates for the practice of medicine, a board shall be established called the 'Medical Board of Examiners,' two-thirds of whom shall be professors of the faculties of medicine of the universities mentioned in article 3972, and one-third representatives of the College.

The examiners of such medical board shall remain in office for four years.

"4002e. 1. The date of the examinations and the total number of examiners shall be determined by the deans of the faculties of medicine of each of the universities, and the chairman of the Provincial Medical Board.

The English and French languages shall be the only official languages for such examinations.

Examinations shall be held in each of the universities.

"4002f. 1. The candidates for the practice of medicine who wish to pass the examination before the Medical Board of Examiners, shall, in addition to the other conditions prescribed by by-law, give the registrar of the College a written notice in accordance with Form 5, at least fifteen days before the examination, that he wishes to pass, and such notice shall be accompanied by the fee fixed by by-law.

2. Such notice shall set forth the names and surname of the candidate as

entered in his certificate of birth, and shall indicate the university where he wishes to pass his examination.

"4002g. 1. The examiners whom the Provincial Medical Board shall assign to Laval University at Quebec, and to Laval University at Montreal shall be French-speaking physicians, and those whom it shall assign to McGill University shall be English-speaking physicians.

2. The universities and the Colleges shall each pay the examiners they appoint.

"4002h. The reports of the above examinations made in accordance with Form 6 shall be sent to the registrar of the College. The Provincial Medical Board shall grant a license in accordance with such reports, and on presentation of a university degree of doctor of medicine. The rights granted by such license shall be exercised only from the date when the licentiate shall have taken the oath according to Form 12.

"4002i. No person who has passed the examination for admission to practice medicine, shall commence to practice as a physician, until after the expiration of five consecutive years from the date of the registration in the office of the College of his bachelor's diploma or certificate of admission to study.

"4002j. No person can practice medicine, surgery and midwifery in the Province, unless he has obtained a license from the Provincial Medical Board. To obtain such license, he must comply with the requirements of this section and be the holder of a university degree of doctor of medicine granted by one of the universities approved by the Provincial Medical Board.

"4002k. Without limiting the meaning of the words 'practice of medicine,' the attending at confinements, treating habitually and continuously following the treatment of diseases or surgical affections, either by giving medicine or by making use of mechanical, physical or chemical processes or of radio-therapy or of X-rays, shall constitute the practice of medicine.

"4002l. The license permitting the practice of medicine, surgery and midwifery in this Province, shall be signed by the president, and by the registrar and by one of the vice-presidents, and shall bear the seal of the College.

"4002m. Every member of the medical profession, who, at the time of the passing of the act 40 Victoria, chapter 26, was the holder of a license from the College, and who has not subsequently caused himself to be registered according to this section, is entitled to do so provided he proves his status to the satisfaction of the registrar and pays the prescribed fee for obtaining the license.

"4002n. Subject to the privileges granted by article 4002o every person who having followed a regular and complete course in a university outside the Province, has obtained a degree of doctor of medicine from such university, and who has moreover followed a medical course considered equivalent by the Provincial Medical Board to that given by the universities of the Province of Quebec, and who furnishes to the satisfaction of the said Board proof that he has passed a preliminary examination equivalent to that required in the Province of Quebec, shall be entitled to a license on payment of the fees exacted, provided he follows the last year's course of one of the schools of medicine in this Province and successfully passes the examination for candidates to the practice of medicine before the Medical Board of Examiners.

"4002o. The persons whose names are registered in the medical register of the United Kingdom of Great Britain and Ireland, under the Imperial medical acts, shall be entitled, on producing proof of such registration, and of their good reputation, and on payment of the fees then exigible for granting such license, to obtain such a license without having to pass any examination, provided they establish, to the satisfaction of the Provincial Medical Board:

1. That they had obtained from the Provincial Medical Board, a certificate of admission to study medicine five years at least before their registration in the medical register of the United Kingdom; or

2. That they are registered in the medical register of the United Kingdom and have been qualified to practice their said profession in the said United Kingdom, after a period of not less than five years' study during which they have resided without interruption in the said United Kingdom.

This article shall take effect only in so far as the Imperial Medical Act of 1886, and its amendments shall apply to the Province of Quebec.

"4002p. The decision of the Provincial Medical Board as to the acceptance of the certificates mentioned in articles 4002n and 4002o, is final and without appeal.

"4002q. As soon as a medical board of examiners is established similar to that established in this section or as soon as there is established an institution recognized by the Legislature of any other province of Canada, as the only board of examiners for the purpose of granting certificates of competency, and in which the course of study is deemed equivalent to that in the Province of Quebec, the holder of such certificate shall, upon satisfactory evidence be entitled to registration by the Provincial Medical Board of the Province of Quebec, provided the same privilege be granted by such medical board of examiners or institution to the holders of certificates from the Provincial Medical Board of the Province of Quebec.

"4002r. No person entitled to be registered under this section, and who while practicing medicine, surgery and midwifery in the Province, neglects or omits to have himself registered, can claim any of the rights and privileges granted by this section, and he shall be liable to all the penalties imposed by it or by any other act, against any person practicing medicine, surgery and midwifery without having been registered as required.

Every physician may keep the medicines, drugs, and the medical, chemical, or mechanical apparatus which he may require, and may use the same in the practice of his profession.

"4002s. 1. Practicing medicine, surgery or midwifery under a false name is prohibited under the penalty enacted by article 4002rr.

2. Midwives are forbidden to use instruments. In the case of a difficult confinement they shall call in a licensed physician under the penalty enacted by article 4002rr."

⁂

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; {, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

MEDICAL SOCIETIES.

Saskatchewan Anti-Tuberculos League—Sec, M M Seymour, Regina.

Saskatchewan Med Ass'n—Pres, W A Thomson, Regina; V-Pres, A McG Young, Saskatoon; Sec-Treas, G A Charlton, Regina.

MEDICAL LAW OF SASKATCHEWAN.

REGISTRATION.

29. The council shall cause to be kept by the registrar a book to be known as the register in which shall be entered the name of every person entitled to be registered according to the provisions of this Act and those persons only whose names are inscribed in the register and who are not under suspension by the council shall be deemed to be qualified and licensed to practice medicine, surgery and midwifery in the province except as hereinafter provided, and such register shall be at all times open and subject to inspection by any person.

30. The council shall admit upon the register:

(a) Every person registered as a member of The College of Physicians and Surgeons of the North-West Territories at the time of the coming into force of this Act and whose fees at such time are fully paid to the said college;

(b) Every such person as aforesaid whose fees are not fully paid up upon payment of the fees in arrears by such person as shown by the list referred to in section 5 hereof which fees shall be paid to the registrar of the college together with the total amount of the annual fees levied by the college from the date of the coming into force of this Act until the date of the registration of such person;

(c) Any person who shall produce a diploma of qualification from any college or school of medicine and surgery recognized by the college which exacts for such diploma attendance upon a course of lectures extending over a period of four years and embracing at least six months of each year, evidence of which shall be produced if required, and who shall furnish to the council satisfactory evidence of identification and pass before the members thereof or examiners appointed by them for the purpose a satisfactory examination appertaining to the profession of medicine and his fitness and capacity to practice medicine, surgery and midwifery and shall pay to the registrar of the college the sum of fifty dollars towards defraying the expenses of the examination board and in addition the fee for registration.

31. The council may at any time direct the name of any person improperly registered to be erased from the register by the registrar and such name shall be so erased.

32. It shall be the duty of the registrar to keep his register correct in accordance with the provisions of this Act and the rules, orders and regulations of the council, and he shall from time to time make the necessary alterations in the addresses or qualifications of the persons registered under this Act, and the said registrar shall perform such other duties as may be imposed on him by the council.

33. Whenever there is established under the Act of the Parliament of Canada known as The Canada Medical Act 1902 or any Act in amendment thereof or substitution therefor a registrar for Canada of medical practitioners under the control of the medical council appointed or elected pursuant to the provisions of the aforesaid Act or Acts, then notwithstanding anything in this Act contained, any person duly registered in the said register for Canada as a medical and surgical practitioner shall be deemed qualified and entitled to be registered in the register of the province as a duly qualified medical and surgical practitioner, and such person and no other shall be registered and such registration shall be made upon production of a certificate under the hand of the registrar of the said medical council of Canada certifying that such person is duly registered in the said register of Canada, and upon satisfactory proof of the identity of such person, provided that such person may be required to pay such fee for such registration in the province as the council of the province may impose in that behalf, and provided that the provisions of this section shall not apply to or affect any person duly registered under the said Act at the time The Canada Medical Act 1902 or any amendment thereof or substitutive Acts therefor become operative.

FEES.

34. The fee for registration under this Act shall be fifty dollars.

35. Each member shall pay to the registrar or to any person deputed by the registrar to receive it, such annual fee as may be fixed by by-law of the council towards the general expenses of the college, which fee shall be payable on the first day of January in each year and such fee shall be deemed to be a debt due by each member of the college and shall be recoverable with costs of suit in the name of the college:

Provided that the council may by resolution remit any annual fees due to the college by any member who is or has been resident out of the province during the period in respect of which such fees became payable.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; {, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

MEDICAL LAW OF NEWFOUNDLAND.

Cap. IX.—An Act respecting the Newfoundland Medical Board.

Whereas an act was passed in the 56th year of the reign of her late majesty, entitled "The Newfoundland Medical Act, 1893;"

And whereas a medical board was appointed under the provisions of said act, and consisted of the following medical practitioners, viz.: Henry Shea, William M. Allan, J. S. Tait, H. Rendell, N. McKendrick, J. G. Duncan and N. S. Fraser;

And whereas it is advisable to enlarge the powers of the said board:

Be it therefore enacted by the Governor, Legislative Council and House of Assembly, in Legislative Session convened, as follows:

1. The following medical practitioners, namely: Henry Shea, W. M. Allan, J. S. Tait, H. Rendell, N. McKendrick, J. G. Duncan and N. S. Fraser, and their successors under this Act, shall be and are hereby constituted a board for the purposes of carrying out the provisions of this act, and shall be known as "The Newfoundland Medical Board."

2. The members of the said board shall hold office during good behavior or until voluntary resignation, subject to removal at any time by the governor in council upon the petition of five members of the said board.

3. Any vacancy in the said board shall be filled by the registered medical practitioners of Newfoundland, by election in such manner and subject to such rules as may be made by the said board. All registered medical practitioners shall be entitled to vote at any such election.

4. The board shall hold an annual meeting at such time and place in Newfoundland as may be determined upon. At this meeting the board shall appoint examiners and fix the time of examinations for the ensuing year. Such other meetings as may be necessary shall be held in St. John's, and shall be called by the secretary upon giving a reasonable notice thereof to each member.

5. The board shall consist of seven members, of whom four shall be resident medical practitioners resident in St. John's. Four members shall be a quorum for all purposes.

6. The board shall elect one of their number as president and another as treasurer, and a third as secretary and registrar. The duties of the said officers and the remuneration (if any) to be paid them shall be determined by the board.

7. The board shall have power to make rules, not inconsistent with this act, respecting:

(a) The holding of meetings, and the place and time of, and the order of business at such meetings.

(b) The filling of vacancies in the board by election, and the taking and receiving of votes of registered practitioners by proxy or otherwise at such elections.

(c) The conduct of examinations and the granting of certificates upon matriculation

(d) The registration of members:

(e) The fees payable for registration, certificates, licenses and examinations under this act, and fixing the amount of such fees; and

(f) The inquiry by the board into complaints against persons charged with an offense under section 23 of this act, and the mode of procedure thereon.

8. The board may make such further rules, subject to approval by the governor in council, as they may deem necessary for carrying into effect the purposes of this act.

9. No person shall begin or enter upon the study of medicine, surgery or midwifery, in this colony, unless he shall have obtained from the Newfoundland Medical Board a certificate that he satisfactorily passed a matriculation or preliminary examination on the subject in Schedule A hereto.

10. No candidate shall be admitted to such matriculation or preliminary examination unless he shall have, at least fourteen days previous to such examination, given notice to the registrar of his intention to present himself for such examination, and shall, before the examination, have paid to the registrar the fee prescribed by the board.

11. The board shall cause to be kept by the registrar a book or register, in which shall be entered the name of every person registered, according to the provisions of this act, together with his place of residence, and the medical titles, diplomas and qualifications conferred by any college or body, and the dates thereof, and the said register shall be in the form in Schedule B, or as near thereto as may be found convenient. Those persons only whose names are inscribed in the book or register shall be deemed to be qualified to practice medicine, surgery, or midwifery in this colony.

12. The registrar shall, on or before the 15th day of January in each year, cause to be printed and published in the Royal Gazette a copy of said register containing the names in alphabetical order according to the surnames of all persons appearing on the register at that date.

13. Such register shall be called "The Newfoundland Medical Register," and a copy of the same for the time being shall be prima facie evidence in all courts and before all justices of the peace and others, that the persons therein specified are registered according to the provisions of this act, and the absence of the name of any person from such register shall be prima facie evidence that such person is not registered according to the provisions of this act.

14. The registrar shall enter upon the register the names of all persons registered under the Act 56 Vic., Cap. 12, without fee.

15. Every person shall be entitled to have his name registered on the Newfoundland Medical Register upon satisfying the board that he holds a medical degree or diploma from some regular university or school of medicine, having a four years' course of study, and that he has, prior to obtaining such degree, passed a preliminary or matriculation satisfactory to the board, and upon paying to the registrar the fee prescribed by the board.

16. No qualification shall be entered on the register either on the first registration or by way of addition to a registered name, unless the registrar is satisfied by proper evidence that the person claiming such qualification is entitled to it. An appeal from the registrar shall be decided by the board.

17. Any entry proved to the satisfaction of the board to have been fraudulently or incorrectly made may be erased from the register by an order of the board.

18. Any person registered under this act who may have obtained any higher degree or diploma, other than that already recorded in the register, shall be entitled to have the same inserted in the register in addition to or in substitution for that previously inserted.

19. Every registered medical practitioner shall annually, before the 10th day of January, take out from the registrar a certificate to practice, for which he shall pay to the registrar the fee prescribed by the board. The said fee shall be deemed to be a debt due by each registered medical practitioner to the board, and shall be recoverable with costs in an action in the name of the Newfoundland Medical Board before any stipendiary magistrate or justice of the peace.

20. Every person registered under this act who shall have taken out the certificate, as provided in Sec. 19, shall, be entitled to practice medicine, surgery and midwifery in any part of this colony, and to demand and recover in any court reasonable charges for professional aid or advice, together with the cost of any medicine or other medical or surgical appliance supplied by him.

21. Any person entitled to be registered under this act, who neglects or omits to take out the certificate provided in Sec. 19, shall not be entitled to any of the rights or privileges conferred by registration so long as such neglect or omission continues, and he shall be liable to all penalties imposed by this act upon unqualified or unregistered practitioners.

22. The board may, after examination, grant to any person, not otherwise qualified or entitled to registration under this act, a license to practice medicine, surgery or midwifery for a limited period in specified localities. The names of such licensees, together with the period for, and the locality in, which they may practice, shall be entered in the register and published as hereinbefore provided in the case of registered medical practitioners. Such licensees shall pay the fee prescribed by the board, and shall thereupon be entitled to demand and recover in any court reasonable charges for aid and advice, together with the cost of any medicine or other medical or surgical appliances supplied by him during the period and within the limits of his license.

23. Whenever a medical practitioner or licensee registered under this act has been or may hereafter be found by the medical board, after due enquiry by a committee of their number or otherwise, guilty of professional misconduct or malpractice, or of conduct unbecoming a practitioner, the said board may resolve that such medical practitioner or licensee is unworthy to practice medicine, surgery or midwifery in this colony and strike his name off the books and the register, either absolutely or for a limited period, and thereupon all the rights and privileges of the said medical practitioner or licensee shall henceforth cease and determine, either absolutely or for such period.

(a) Such medical practitioner or licensee may appeal from such decision to the supreme court at its next sitting, upon giving due notice thereof to the said board (in which notice shall be set forth the grounds of appeal) within fourteen days after the passing of such resolution. When such notice shall have been

"The House of Decigold"
EDWARD ROWAN, Incorporated
Manufacturers and Dealers in Dental and Surgical Supplies
625 E. 163d STREET NEW YORK CITY, N. Y.

given, the secretary shall transmit all papers connected with the charge and proceedings thereunder and the evidence taken thereon to the supreme court. If no notice be given within the time specified, or in case such appeal be not prosecuted at the next sitting of the supreme court, the resolution of the board shall stand confirmed.

24. It shall not be lawful for any person not registered to practice medicine, surgery or midwifery for hire, gain or hope of reward, and if any peson not registered pursuant to this act practices, or professes to practice medicine, surgery or midwifery, or advertises to give advice, or gives advice, in medicine, surgery or midwifery, for hire, gain or hope of reward, he shall, upon conviction in a summary manner before a justice of the peace, pay a penalty not exceeding fifty dollars, or, in default of payment, be imprisoned for a period not exceeding six months.

25. Any person who wilfully or falsely pretends to be a physician, doctor of medicine, surgeon or medical practitioner, or assumes any title, or addition or description other than he actually possesses or is entitled to, shall be liable, upon conviction thereof in a summary manner before a stipendiary magistrate or justice of the peace, to a penalty not exceeding fifty dollars, or, in default of payment, to imprisonment for a period not exceeding three months.

26. Any person, not registered pursuant to this act, who takes or uses any name, title, addition or description, implying or calculated to lead people to infer that he is registered under this act, or that he is recognized by law as a physician, surgeon, accoucheur, or a licentiate in medicine, surgery or midwifery, shall be liable, on conviction thereof in a summary manner before a stipendiary magistrate or a justice of the peace, to a penalty not exceeding fifty dollars, or in default of payment, to imprisonment for a period not exceeding six months.

27. No person shall be entitled to recover in any court any charge for any medical or surgical advice, or for attendance, or for the performance of any operation, or for any medicine, which he may have prescribed and supplied, unless he is registered under this act, and shall have for the current year taken out the certificate provided in section 19, or the license provided in section 22 of this act.

28. In any trial or prosecution under this act the burden of proof shall be upon the person charged.

29. All penalties recovered under this act shall be paid to the registrar, and shall form part of the funds of the board. Any person may be prosecutor or complainant under this act, and the board may allot such portion of the penalties recovered as may be expedient towards the payment of such prosecutor.

30. No person shall be appointed as medical officer, physician or surgeon in any branch of the public service, or in any hospital or other charitable institution, unless he is registered under this act.

31. Any person, whilst employed in actual service in any naval or military service as physician or surgeon, may practice medicine, surgery or midwifery in Newfoundland after having been registered.

32. Nothing in this act shall prevent private persons from giving necessary medical or surgical aid in times of urgent need, provided that such aid is not given for gain or hire.

33. Nothing in this act shall prevent the practice of midwifery by females.

34. If the registrar shall wilfully cause any name to be placed on the register not in accordance with the provisions of this act, he shall forfeit the sum of one hundred dollars, and be removed from his office by the said board.

35. The words "legally qualified medical practitioner," or "duly qualified medical practitioner," or any other words importing a person recognized by law as a medical practitioner or member of the medical profession, when used in any act of the legislature or legal or public document, shall be construed to mean a person registered under this act.

36. The Act 56 Vic., Cap. 12, is hereby repealed; provided, that such repeal shall not invalidate anything done, or affect any right acquired by registration under the said act.

37. This act may be cited as "The Newfoundland Medical Act, 1896."

SCHEDULE "A."

Uniform Standard of Matriculation or Preliminary Examination Established Under This Act.

Compulsory: English grammar, composition and literature, arithmetic, including vulgar and decimal fractions and the extraction of the square root, Algebra. to the end of simple equations, geometry, the first three books of Euclid, with easy questions on the subject matter of the same, Latin, including grammar, translations from specified authors, and translation of easy pasages not taken from such authors, elementary mechanics of solids and fluids.

Optional: (a) History of England or of British America, with questions in modern geography; (b) French, German or Greek translation, with grammar; (c) magnetism and electricity; (d) chemistry.

Cap. VIII—An Act to amend "The Newfoundland Medical Act, 1896."

BURN-BRAE, A PRIVATE HOSPITAL FOR MENTAL AND NERVOUS DISEASES.
(See adv. in Philadelphia)

1. Section 15 of "The Newfoundland Medical Act, 1896," is hereby repealed and the following substituted therefor:

(15) Every person shall be entitled to have his name registered on the Newfoundland Medical Register upon satisfying the board that he holds a medical degree or diploma from some regular university, or school of medicine (not being an honorary degree) having not less than a four years' course of study, and that he has, prior to obtaining such degree, passed a preliminary or matriculation examination satisfactory to the board; provided, however, that every person desirous of being registered under the provisions of this act shall, before being entitled to registration, furnish to the board satisfactory evidence of identification, and shall pass before the members thereof, or such other examiners as may be appointed by the board for that purpose, a satisfactory examination touching his fitness and capacity to practice as a physician and surgeon.

2. The following provisions shall apply to the examination provided for under the next preceding section:

(1) Examinations shall be held regularly in St. John's on the second Tuesday in June in each year; provided, that the said board may, if the said board deem it expedient, upon a special application in writing by any intending candidate for that purpose hold a special examination on any other date in any year.

(2) Any person desirous of presenting himself for examination under this act shall, at least fourteen days before the date of such examination, give to the registrar of the board at least fourteen days' notice in writing of his intention to so present himself, and shall with such notice pay to the registrar for the use of the board, in case of candidates at the regular annual examination of the board, a fee of fifty dollars and in case of a candidate at a special examination held on the application of such candidate, a fee of one hundred dollars.

(3) The said examination shall be conducted orally and in writing, and shall be upon the following subjects, namely:

- (a) Medicine, including pathology and therapeutics.
- (b) Surgery, including pathology and surgical anatomy.
- (c) Midwifery, including diseases of women and children.

(4) The board may from time to time make rules and regulations for holding and conducting of the said examinations.

3. A person who holds a medical degree or diploma from any of the regular universities or colleges in the United Kingdom, Dominion of Canada and the British Colonies, who has satisfied the conditions mentioned in section 15 of this act as to his qualifications, and who has been duly registered under the laws in force in any of the above places where an equivalent examination to the one therein established is conducted shall be entitled without examination to be registered upon the Newfoundland Medical Register upon paying the prescribed fee and upon producing to the board a certificate of good standing in the profession from the registrar or other officers of the medical body having jurisdiction in the place at which he is registered, and satisfactory evidence that he has not lost the benefit of his said registration by misconduct or for any other cause whatsoever.

4. The board may, before accepting an applicant for registration under section 3 of this act, require such applicant to attest upon oath before a justice of the peace or stipendiary magistrate the evidence required by the said action.

5. Whenever by any law now or hereafter existing in this colony any certificate or other document shall be required to be given or signed by a physician, surgeon or medical practitioner, such certificate or other document shall be void, unless the person giving or signing the same shall be a duly registered practitioner under the provisions of this act.

6. All monies received by the board, or any officer thereof, shall be paid over to the treasurer, and shall be applied for the purposes of the board under this act.

7. Section 30 of the Newfoundland Medical Act, 1896, is hereby repealed and the following substituted therefor:

(30) No person shall be appointed as medical officer, physician or surgeon in any branch of the public service, or in any hospital or other charitable institution, or shall act within this colony as medical officer, physician or surgeon to any company or corporation unless he is duly registered under this act.

8. This act shall be read with and form part of "The Newfoundland Medical Act, 1896," and the two acts may be cited as "The Newfoundland Medical Act, 1896-1906."

STAMMER
The Lewis School for Stammerers, 35-41 Adelaide St., Detroit, Mich , U.S.A.

Our Institute provides accommodatio for one hundred students. Surroundings home like, moral and wholesome Cures lasting and permanent. Our 20 page book "The Origin and Treatment o Stammering," sent free to physician upon request. Read our adv. opp. Classified Schools for Stammerers.

The Association of American Directory Publishers

President, A. V. WILLIAMS, Cincinnati
First Vice-President, R. H. DONNELLEY, Chicago
Second Vice-President, J. L. HILL, Richmond, Va.
Secretary-Treasurer, W. H. BATES, New York

TRUSTEES:

W. E. MURDOCK, Boston
R. H. DONNELLEY, Chicago
A. V. WILLIAMS, Cincinnati
J. L. HILL, Richmond
R. L. POLK, Detroit
W. H. BATES, New York
W. H. LEE, New Haven
E. M. GOULD, St. Louis
W. H. TORCHIANA, Philadelphia

Secretary's Office, 89 Third Ave., Borough of Manhattan.

The Association of American Directory Publishers is composed of reputable City Directory Publishers, organized for the general advancement of the Directory business. Any person, corporation or firm engaged in business as owner and publisher of a City Directory in the United States or Canada, who shall qualify as competent to gather informatian and compile a City Directory and furnish satisfactory references, is eligible to membership.

The objects of the Association are:

First. The advancement of the Directory business and the improvement of Directories by the interchange of ideas and the exchange of experienced employes.

Second. To provide **protection** to the public against **fraudulent advertising schemes which operate under the name of Directories,** and to drive unprincipled promoters of the same out of the business.

Third. To provide permanent and profitable employment to competent, industrious and honest Directory canvassers and compilers.

Fourth. For the mutual protection and advancement of the established and prospective interests of all who may become members, by personal advice and assistance of members as may be mutually satisfactory, desirable or advisable, and by such other means as may, from time to time, be shown to be wise, proper and lawful.

$100.00 Reward **Will be paid by the Association for the arrest and conviction of any person or persons engaged in publishing, collecting or canvassing for any fraudulent or fake directory.**

INDEX TO PHYSICIANS IN THE U. S.
ALPHABETICALLY ARRANGED.

☞ **The figures at the end of each line indicate the page, and the letter the column in which the name can be found.**

Supplement will be found to commence on page 1875.

Names omitted from this index will be found on last page of same.

University of ::: Pennsylvania

...SCHOOL OF MEDICINE...

Founded in 1765

The annual session begins on Friday of the third week of September and ends on the third Wednesday of June. Attendance upon four annual sessions is required for graduation. Candidates for admission must have successfully completed preparatory work equivalent to that prescribed for the Freshman and Sophomore Classes in Colleges of arts and science recognized by this University, this including a knowledge of Physics, Chemistry and General Biology or Zoology, with appropriate laboratory exercises in each of these subjects, and two languages other than English (one of which must be French or German).

UNDERGRADUATE COURSE:

The course of instruction for undergraduates is so graded that the first and second years are largely occupied by the fundamental medical subjects arranged in a modification of the plan of concentration. The third and fourth years are largely devoted to the Clinical Branches, the class so subdivided that the individual student is brought into particularly close and personal relations with the instructors and with the patients in the operating room and at the bedside. In the fourth year the students act as ward clerks and dressers with much of the responsibility of hospital internes.

POST-GRADUATE WORK:

(1) Any graduate possessing a baccalaureate degree may pursue work in Anatomy, Physiology, Physiological Chemistry, Bacteriology and Pathology with a view of obtaining the higher degrees of Master of Arts or Science and of Doctor of Philosophy in the Graduate School of the University. For information address Dean of Graduate School, University of Pennsylvania.

(2) Courses in Public Health (inaugurated in 1906) leading to diploma are open to graduates in Medicine. The subjects comprehended in the courses are: Bacteriology, Chemistry, Sanitary Engineering, Sanitary Architecture, Meat and Milk Inspection, Vital Statistics, Sanitary Legislation and Personal and General Hygiene.

The full course extends over one academic year. Special subjects in the course may be taken by anyone possessing suitable preliminary qualifications. For details address Director of Laboratory of Hygiene, University of Pennsylvania.

(3) From the opening of the session until about February 1, each year courses in Tropical Medicine are conducted. Instruction includes lectures, laboratory work and clinical demonstrations. The branches presented are Medical Climatology and Geography, Hygiene of the Tropics and of Ships, Tropical Medicine, Skin Diseases, Eye Diseases and Surgery of Tropical Affections, Protozoology, Entomology, Helminthology and General Medical Zoology, Pathology and Bacteriology.

(4) During the academic session special courses in any of the branches of the medical curriculum are open to graduates of this or other regular medical schools, both in the clinical subjects and in laboratory studies. Opportunity for original study is afforded at any time in the various laboratories of the school.

Special attention is directed in this connection to the Henry Phipps Institute for the Prevention, Study and Treatment of Tuberculosis, recently acquired by the University of Pennsylvania, and to the establishment of laboratories of medical research and of comparative pathology.

TUITION FEE:

Undergraduate study, $200 annually; fees for special courses on application. For detailed information or catalogue, address Dean of School of Medicine, University of Pennsylvania, Philadelphia, Pa.

Dr. D. A. Harrison's Sanitarium Company. Breezehurst Terrace
For Nervous and Mental Diseases. 35 minutes from Penn Station. Whitestone,
L.I., N.Y. City. Home Plan. Voluntary patients received. (See adv. in N. Y City)

The

Hahnemann Medical College

of Philadelphia

Offers Unexcelled Facilities for Clinical Instruction

Not only does it afford its students the opportunities for clinical study of 35,000 cases of disease treated annually within its buildings, but it also has the advantage of association for teaching purposes with The Children's Homoeopathic, St. Luke's Homoeopathic and the West Philadelphia Homoeopathic Hospitals. These institutions with the Hahnemann Hospital treated 78,004 cases during the year ending June 1, 1910.

CLINICAL OPPORTUNITIES include Clinical Lectures, Sectional Clinics, Ward Classes, Dispensary Work, and Clinical Laboratory Work in all its branches.

The faculty of the Hahnemann College takes pleasure in announcing that Mr. Walter E. Hering has endowed the Constantine Hering Professorship of Materia Medica. With the great opportunities thus opened up for original investigation of drug action, the Constantine Hering Laboratory of Pharmacology has been started. Students will thus have facilities for practical as well as didactic teaching in the study of drug provings and the action of medicines.

The forthcoming announcement will contain much additional information. Preceptors and students are requested to write for same to "Hahnemann Medical College, 226 N. Broad St., Philadelphia." Correspondence with the Secretary is solicited.

W. B. VAN LENNEP, A M., M. D., Dean.
J. E. BELVILLE, A. M., M. D., Registrar.
J. J. TULLER, M. D., Secretary.

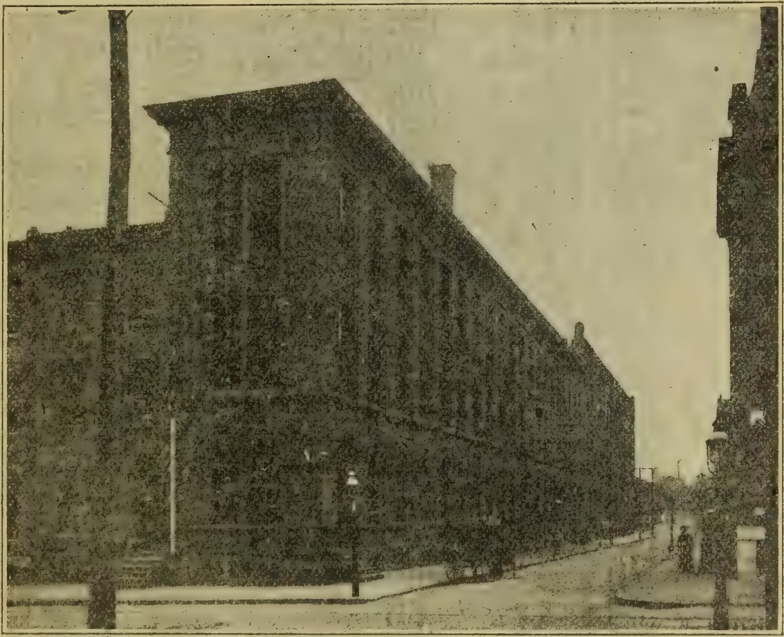
The TEMPLE UNIVERSITY

RUSSELL H. CONWELL, D. D., LL. D., President.

Department of Medicine

PHILADELPHIA, PA.

FOR MEN AND WOMEN



NORTH WING OF COLLEGE BUILDING.

Four Years' Course, Rational-Correlated Curriculum, making one of the most thorough and practical courses in Medical Education yet offered. Clinical, Laboratory and Ward instruction featured. Classes subdivided into small groups and given continuous periods of service in the hospital wards and associated laboratories, providing the maximum of personal association of patient, instructor and student.

The correlated system of teaching by which the same general subject is taught simultaneously in the different departments, introduced by the Temple University several years ago, is now perfected and made to apply to the entire course for both clinical and didactic instruction.

Ample facilities. Two large hospitals, Samaritan and Garretson, furnish abundant opportunity for clinical and hospital instruction. For full particulars address

DR. FRANK C. HAMMOND, Dean, 18th and Buttonwood Sts.

Reclining and Easy Chairs
We Lead the World in Variety and Exclusive Styles. Over 20 different kinds, meeting every demand for necessity and luxury. Also Library Devices and other Specialties. (See adv. in Classified Hospital Supplies.)
GEO. F. SARGENT COMPANY, Kennedy Bldg., NEW YORK, N. Y.

Albany Medical College

Medical Department of Union University

Incorporated in 1839. Became a Department of Union University in 1873

FACULTY

CHARLES ALEXANDER RICHMOND, D. D., LL. D., Chancellor of the University.

John Milton Bigelow, M. D., Ph. D.,
Emeritus Professor of Materia Medica and Therapeutics and Diseases of the Throat and Nose.

Albert Vander Veer, M. D., Ph. D., L. L. D.,
Professor of Surgery.

Samuel Baldwin Ward, M. D., Ph. D.,
Dean of Faculty and Professor of Theory and Practice of Medicine.

James Peter Boyd, M. D.,
Professor of Obstetrics and Diseases of Children.

Willis Gaylord Tucker, M. D., Ph. D.,
Registrar and Professor of Chemistry and Toxicology.

Cyrus Strong Merrill, M. D.,
Professor of Ophthalmology and Otology.

Frederic Colton Curtis, M. D.,
Professor of Dermatology.

Henry Hun, M. D.,
Professor of Diseases of the Nervous System.

Samuel Roseburgh Morrow, M. D.,
Professor of Practice of Surgery and of Orthopedic Surgery.

Hermon Camp Gordinier, M. D.,
Professor of Physiology.

Howard Van Rensselaer, M. D.,
Professor of Materia Medica and Therapeutics, and Adjunct Professor of Theory and Practice of Medicine.

Joseph Davis Craig, M. D.,
Professor of Anatomy and Curator of the Museum.

Andrew MacFarlane, M. D.,
Professor of Physical Diagnosis and of Medical Jurisprudence.

Arthur Guernsey Root, M. D.
Professor of Diseases of the Throat and Nose.

Leo Haendel Neuman, M. D.,
Professor of Gastro-Enteric Diseases and Clinical Professor of Theory and Practice of Medicine.

Arthur Wells Elting, M. D.,
Professor of the Practice of Surgery and of Clinical Surgery.

Edgar Albert Vander Veer, M. D.,
Professor of Abdominal and Clinical Surgery.

John Albertson Sampson, M. D.,
Professor of Gynecology.

Harry Saul Bernstein, M. D.,
Professor of Pathology and Bacteriology.

With the assistance of a corps of **Clinical and Adjunct Professors, Lecturers, Instructors and Clinical Assistants.**

Four years' graded course. Instruction by lectures, recitations, laboratory work, clinics and clinical courses, practical demonstrations and operations. Admirable laboratory facilities in Chemistry and Physiological Chemistry and in Histology, Pathology and Bacteriology, in the Bender Hygienic Laboratory.

HOSPITAL ADVANTAGES.—Albany Hospital, St. Peter's Hospital, Child's Hospital, St. Margaret's House, Albany's Hospital for Incurables, Albany County Hospital, South End Dispensary, Eye and Ear Infirmary, Albany Orphan Asylum and their Dispensaries are available for clinical purposes, to students.

FEES AND EXPENSES.—Matriculation, **$5**; Lectures, **$100** per session; Dissection (material free) and Laboratory Courses, see catalogue; Graduation Fee, $25.

THE REGULAR SESSION opens on or about the last Tuesday of September, and closes in May.

VARIOUS PRIZES are awarded at the close of the term to meritorious students. Appointments to positions on the house staff of the Albany Hospital and other hospitals in Albany and neighboring places, are annually made and are competed for by the members of the graduating class.

COMMENCEMENT occurs in May. The annual meeting of the Alumni Association is held on Commencement day.

For Catalogue of the College, or further information, address

The Harvard Medical School

The new buildings, four of which are devoted entirely to laboratory teaching and research, were dedicated September 25, 1906. Abundant facilities for general and special clinical instruction in medicine and surgery are afforded by the numerous hospitals of Boston. New hospitals near the school will be in operation in 1912.

Course for the Degree of M. D.

A four years' course is open to holders of a bachelor's degree from a recognized college or scientific school, and to persons who, having studied specified subjects during two years in college, are permitted to enter as special students. Special students receive the M. D. degree, if, during residence, they attain high rank. The studies of the fourth year are wholly elective; they include laboratory subjects, general medicine and surgery, and the special clinical branches.

Course for the Degree of Dr. P. H.

Graduates in medicine and other properly qualified persons may become candidates for the degree of Doctor of Public Health.

Graduate Courses

Throughout the school-year, special courses open to graduates of recognized medical schools are offered in the various subjects of practical medicine and the medical sciences.

Summer Courses

During the summer months, similar courses are open to both medical students and graduates.

Research

In all the laboratories opportunity is given at all times for properly qualified persons to conduct original investigations.

Special Students

Students not candidates for the degree of M. D. are admitted, under certain conditions, to all courses in the school.

Northwestern University Medical School

ARTHUR R. EDWARDS, A.M., M.D., Dean

Requirements for Admission

I. The candidate for admission to the Medical School must be of good moral character as evidenced by certificates signed by two physicians of good standing in the state in which the candidate last resided.

II. He must have credit for two years of work in an approved college.

III. He must have completed in those two years of college work at least nine-twentieths of the total number of hours or units required for graduation from his college; and in the schedule of his work must have been included not less than a year each in

> a. Chemistry, comprising general inorganic chemistry and qualitative analysis; b. General Physics; c. Zoology; and d. A foreign language. These requirements will be satisfied by courses such as the following, described in the catalogue of Northwestern University in the section on the College of Liberal Arts, pages 81 to 116; Chemistry, Course A and at least the first semester of Course B; Physics, Course A; Zoology, Course A, German, Course AA or A; French, Course AA or A. It is recommended that the candidate include at least two years of Latin in his preparation.

IV. Candidates for admission in October, 1912, to the Third and Fourth year classes must present credentials covering a four year high school course in an accredited high school, together with credentials from a recognized College of Liberal Arts covering one year of 30 semester hours credit, and an official statement from the medical school last attended covering in detail the courses taken and the credits received.

Applicants for admission to advanced standing from other medical schools must present with their official credentials, letters of honorable dismissal.

Clinical Facilities

South Side Dispensary, 30,000 patients annually. Wesley Hospital, 225 beds. Mercy Hospital, 400 beds. St. Luke's Hospital, 400 beds. Michael Reese Hospital, 500 beds. Cook County Hospital, 30,000 patients annually. Calumet Avenue Dispensary. The Peoples Hospital. Provident Hospital. The Lying-in Dispensary.

Tuition Fees, Etc.

$175 annually, or $160 if paid in advance. Laboratory fees from $15 to $25 annually. Combined six-year course in science and medicine. Next scholastic year begins Tuesday, October 1, 1912.

BENNETT MEDICAL COLLEGE
OF CHICAGO
MEDICAL DEPARTMENT OF LOYOLA UNIVERSITY
FORTY FIFTH ANNUAL TERM, 1912-1913.

The Faculty of Bennett Medical College Representing the Loyola University

ALEXANDER J. BURROWES, S. J., PRESIDENT.
PROFESSOR HENRY S. SPALDING, S. J.,
DIRECTOR OF AFFILIATED WORK OF THE UNIVERSITY.

William Francis Waugh, A. M., M. D., (Senior Dean), Professor of Therapeutics.

Edgar Mead Reading, A. M., M. D., Professor of Neurology.

Nathaniel A. Graves, A. B., M. D., Professor of Medicine.

John Dill Robertson, B. S., M. D., Professor of Surgery and Clinical Surgery.

Jacob F. Burkholder, M. D., Professor of Ophthalmology.

William John Pollock, M.D., (Secretary), Professor of Medicine.

William Rittenhouse, A. M., M. D., Professor of Obstetrics.

Henry Foster Lewis, A. B., M. D., Professor of Obstetrics and Gynecology.

William Alexander Newman Dorland, M. A., M. D., Professor of Obstetrics.

Aime Paul Heineck, M. D., Professor of Clinical Surgery.

Joseph C. Beck, M. D., Professor of Otology and Rhino-Laryngology.

J. Z. Bergeron, M. A., M. D., Professor of Otology and Rhino-Laryngology.

J. V. Stevens, M. D., Professor of Pediatrics.

Charles Sherwood Neiswanger, M. D., Professor of Electro-Therapeutics.

David Lieberthal, M. D., Professor of Dermatology.

Maximilian Herzog, M. D., Professor of Pathology, Bacteriology and Hygiene.

Arthur B. Rankin, B. A., M. B., (Junior Dean), Professor of Anatomy.

Felipp Kreissl, A. M., M. D., Professor of Genito-Urinary Diseases.

Hugh Neil Mackechnie, A. B., M. D., A. M., Professor of Surgery.

Stuart Johnstone, M. D., Professor of Gynecology.

William Beringer Marcusson, A. M., M. D., Professor of Surgery.

Noble M. Eberhart, A. M., M. S., M. D., Professor of Physiologic Therapeutics.

Benjamin Harrison Breakstone, B. S., M. D., Professor of Surgery.

Clarence Dryden Barker, M. D., Professor of Gynecology.

Samuel Anderson McWilliams, A. M., M. D., Professor of Physical Diagnosis.

Charles Albert Wade, M. D., Professor of Pediatrics.

Anton T. H. Holmboe, M. D., Professor of Orthopedic Surgery

William Marcus Peterson, M. D., Professor of Therapeutics.

Clarence W. Leigh, M. D., Professor of Phthisio-Therapy.

Gordon G. Burdick, M. D., Professor of Physiological Therapeutics.

Theodore C. F. Abel, M. D., Professor of Sanitary Science.

Edwin Pynchon, M. D., Professor of Rhinology.

Frank Byrnes, M. D., Professor of Surgery.

George Frederick Pierce, M. D., Professor of Diseases of the Stomach.

Charles J. O'Connor, LL. B., Professor of Medical Jurisprudence.

Owen Meredith Knox, M. D., Junior Professor of Medicine.

H. G. W. Reinhardt, M. D, Professor of Medical Jurisprudence.

Oscar B. Funkhouser, M. D., Professor of Junior Medicine.

H. L. O'Connor, B. S., M. D., Professor of Pathology and Director of Laboratories.

K. A. Zurawski, B. A., M. D., Professor of Dermatology and Venereal Diseases.

Arthur Edison Gammage, M. D., Junior Professor in Surgery.

Richard Jay Lambert, Ph. G., M. D., Junior Professor of Pharmacology and Materia Medica.

Elmer Holmes Flinn, M. D., Junior Professor of Materia Medica.

Charles Webster Clark, M. D., Junior Professor of Surgery.

Thomas Henry Kelly, M. D., Junior Professor of Surgery.

Thomas Downes Laftry, M. D., Junior Professor of Surgery.

John Tyrell, A. B., LL. B., Junior Professor of Medical Jurisprudence.

Floyd Delos O'Brien, M. D., Clinical Professor of Diseases of the Stomach.

Alfred de Roulet, M. S. M. D., Clinical Professor of Gynecology.

Elzear LaMothe, A. B., M. D., Associate Professor of Eye and Ear.

Jeremiah Henry Walsh, M. D., Associate Professor of Surgery.

Douglas Amos Payne, M. D., Associate Professor of Ophthalmology.

James J. McGuinn, M. D., Junior Professor of Surgery.

John J. Meany, M. D., Assistant in Surgery.

Ulysses J. Grim, M. D., Clinical Professor of Otology.

William A. Porter, M. D., Clinical Professor of Otology.

Albert Howard Carter, M. D., Instructor in Surgery.

Frank M. Horstmann, M. D., Professor of Physiology.

J. H. Edgecomb, M. D., Assistant Instructor in Surgery.

Carl B. Wagner, M. D., Clinical Assistant in Ophthalmology.

J. J. Monahan, M. D.; Nelson F. McClinton, M. D.; Walter Franz von Zelinski, B. S., M. D.; Reid Owen Howser, M. D.; Benjamin E. Elliott, M. D.; Wm. Oscar Gray, M. D., Demonstrators in Anatomy.

O. C. Huber, B. S., M. D., Professor of Chemistry.

Thomas S Hogan, A. M., LL. B., Professor of Medical Jurisprudence.

A. C. Garvey, A. B., M. D., Instructor in Surgery.

J. A. Wood, D. D. S., Lecturer in Dental Surgery.

Thomas A. Carter, B. S., M. D., Superintendent of Dispensary.

A. E. Lehner, M. D., Junior Professor of Clinical Medicine.

David O'Shea, M. D.; P. F. Haskel, M. D.; E. E. Bermingham, M. D.; Wm. R. Olmsted, M. D., Clinical Assistants.

L. Steiner, M. D.; Leslie F. MacDiarmid, M. D., Instructors in Medicine.

Birmingham Medical and Dental Colleges

This College is located in the greatest Industrial and Medical center in the South

Eighteenth Annual Session Begins September 25th

The college building is a large modern building, constructed according to the most approved architectural designs for the teaching of Medicine and Surgery. Commodious and well equipped Chemical, Bacteriological, Anatomical, Physiological, Histological and Pathological Laboratories are provided. The Hillman Hospital, one of the largest hospitals in the South, adjoins the college building. Dissecting and pathological material abundant. Medical and Surgical Clinical advantages unsurpassed. Large corps of professors and instructors who are Specialists in their departments.

FACULTY

B. L. WYMAN, A. M., M. D., LL. D., Dean,
Professor of Neurology and Clinical Medicine; Visiting Physician to Hillman Hospital.

J. D. S. DAVIS, M. D., LL. D.,
Professor of Principles and Practice of Surgery and Clinical Surgery; Visiting Surgeon to Hillman Hospital.

B. G. COPELAND, M. D.,
Professor of Surgical Anatomy and Clinical Surgery; Visiting Surgeon to Hillman Hospital.

R. M. CUNNINGHAM, M. D., LL. D.,
Professor of Principles and Practice of Medicine and Clinical Medicine; Visiting Physician to Hillman Hospital.

L. G. WOODSON, M. D.,
Professor of Diseases of the Eye, Ear, Nose and Throat; Visiting Ophthalmologist to Hillman Hospital and St. Vincent's Hospital.

MACK ROGERS, M. D.,
Professor of Anatomy; Visiting Surgeon to Hillman Hospital.

D. F. TALLEY, A. M., M. D.,
Associate Professor of Surgery; Visiting Surgeon to Hillman Hospital.

L. C. MORRIS, M. D.,
Professor of Gynecology and Abdominal Surgery; Visiting Gynecologist to Hillman Hospital.

E. P. HOGAN, A. M., M. D., Secretary,
Professor of Chemistry and Toxicology; Associate Professor Gynecology and Abdominal Surgery; Visiting Gynecologist to Hillman Hospital.

J. S. McLESTER, A. B., M. D.,
Professor of Histology, Bacteriology, Pathology, and Associate Professor of Principles and Practice of Medicine; Visiting Physician Hillman Hospital.

F. A. LUPTON, M. Sc., M. D.,
Professor of Obstetrics and Obstetrician to Hillman Hospital.

W. P. McADORY, A. B., M. D.,
Professor of Physiology; Visiting Surgeon to Hillman Hospital.

T. D. PARKE, M. D.,
Professor Pediatrics; Visiting Physician to Hillman Hospital.

W. H. WILDER, M. D.,
Professor of Materia Medica and Therapeutics; Visiting Surgeon to Hillman Hospital.

W. C. GEWIN, M. D.,
Lecturer on Hygiene and Clinical Medicine; Visiting Physician to Hillman Hospital.

JOHN L. WORCESTER, M. D.,
Associate Professor of Anatomy.

A. F. TOOLE, M. D.,
Professor of Genito-Urinary Surgery.

GEO. A. HOGAN, B. S., M. D.,
Professor Minor Surgery; Visiting Surgeon to Hillman Hospital.

E. H. SHOLL, A. M., M. D.
Professor of State Medicine, Medical History and Ethics.

F. G. GRACE, M. D.,
Instructor in Medical Jurisprudence.

MORTIMER H. JORDAN, M. D.,
Lecturer on Dermatology; Visiting Dermatologist to Hillman Hospital.

A. R. BLISS, Jr., Ph. G., Ph. C., Phm. D.,
Professor of Pharmacology and Assistant Professor of Chemistry.

E. LAWRENCE SCOTT, M. D.,
Lecturer on Orthopedic Surgery.

GEO. W. MACON, A. M. Ph. D.,
Associate Professor of Physiology.

A. H. OLIVE, A. M.,
Associate Professor of Chemistry.

For Catalogue and Further Information, Address

E. P. HOGAN, **Secretary Birmingham Medical College**
BIRMINGHAM, ALA.

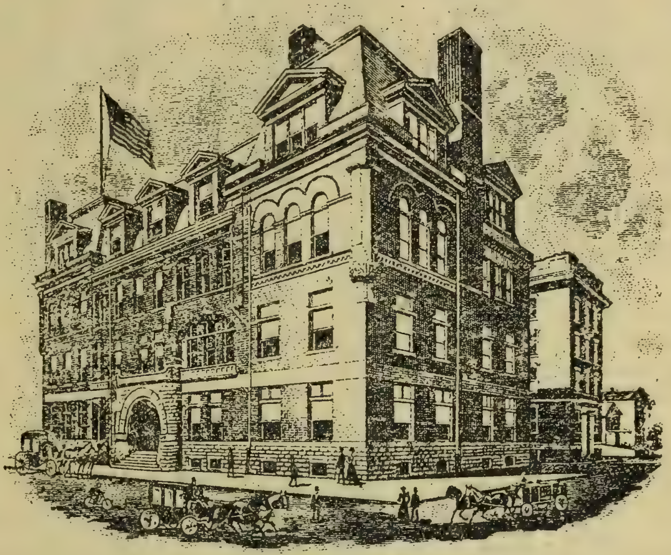
Detroit College of Medicine



FACULTY:

THEO. A. McGRAW, M. D., LL. D., President; Professor of Principles and Practice of Surgery and Clinical Surgery.

DANIEL LA FERTE, M. D., Officer d'Acadamie, France; Professor of Anatomy, Orthopaedic Surgery and Clinical Surgery.

J. H. CARSTENS, M. D., Professor of Surgical Gynecology and Obstetrics.

EUGENE SMITH, M. D., Professor of Diseases of the Eye and Ear.

CHARLES DOUGLAS, M. D., Professor of Diseases of Children.

DAVID INGLIS, M. D., Professor of Mental and Nervous Diseases.

J. E. CLARK, M. D., Professor of General Chemistry and Medico-Legal Jurisprudence.

E. A. CHAPOTON, M. D., Professor of Principles and Practice of Medicine.

CHAS. G. JENNINGS, M. D., Professor of Practice of Medicine.

A. W. IVES, M. D., Professor of Nervous Diseases.

S. G. MINER, M. D., Professor of Laryngology and Physical Diagnosis.

F. W. ROBBINS, M. D., Professor of Genito-Urinary Diseases and Clinical Surgery.

A. P. BIDDLE, M. D., Professor of Dermatology and Syphilology.

ANGUS McLEAN, M D., Professor of Surgery and Clinical Surgery.

A. H. STEINBRECHER, M.D. Professor of Practice of Medicine and Clinical Medicine.

W. M. DONALD, M. D., Professor of Practice of Medicine and Clinical Medicine.

DON M. CAMPBELL, M. D., Professor of Diseases of the Eye and Ear.

W. C. MARTIN, M. D., Professor of Histology and Lecturer on Genito-Urinary Diseases.

P. M. HICKEY, M. D., Professor of Pathology, Roentgenology, and Clinical Laryngology.

C. A. LIGHTNER, M. A., Professor of Medical Jurisprudence.

F. B. WALKER, M. D., Secretary; Professor of Surgery and Clinical Surgery.

DELOS L. PARKER, M. D., Professor of Materia Medica and Therapeutics and Clinical Professor of Medicine.

JAMES E. DAVIS, M. D., Professor of Physiology and Instructor in Gastro-Enterology.

COURSE OF MEDICAL STUDY graded through four sessions of eight months each year. New buildings, laboratory facilities modern and complete. Clinical instruction daily in Saint Mary's and Harper Hospitals, Saint Mary's Hospital Free Dispensary and Harper Hospital Polyclinic and Contagious Diseases building. Obstetrical cases provided for senior students. Present session opened September 25, 1912, and closes May 29, 1913. For announcement or other information, address

FRANK B. WALKER, M. D., Secretary,

403 Washington Arcade Building, - - - - - - DETROIT, MICH.

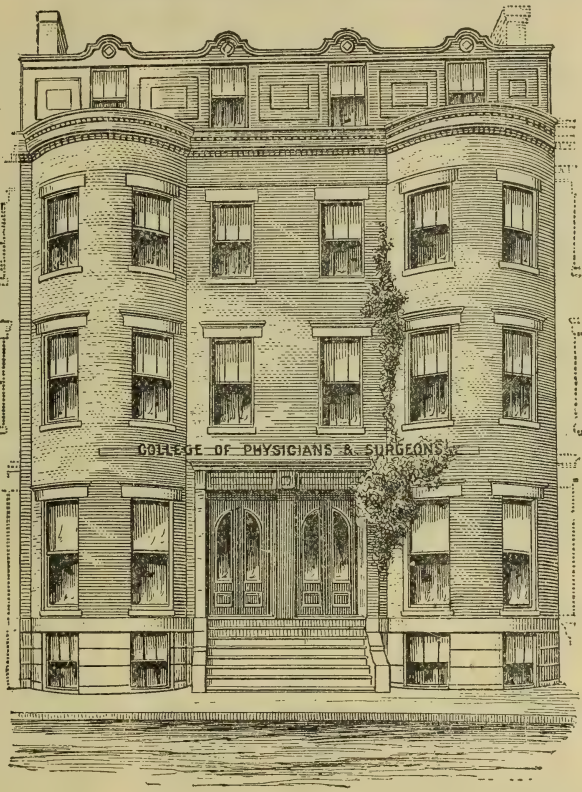
College of Physicians and Surgeons

BOSTON, MASS.



First Regular College in New England Admitting

Men and Women to Equal Privileges

THOMAS D. CROTHERS, A.M., M.D., Dean

Matriculation examination requirements are in accordance with those of the Association of American Medical Colleges. Special preliminary course without extra expense, as provided in the College Announcement.

PLAN OF INSTRUCTION

The plan of instruction comprises a four years' graded course, consisting of didactic and clinical lectures, conferences, laboratory practice, etc., upon the essential branches of the Science of Medicine. In addition to the lectures, there are recitations, clinical teaching and practical work in the laboratory and dissecting room.

REQUIREMENTS FOR GRADUATION

Candidates must be at least twenty-one years of age. They must have attended four annual courses of lectures, each in different years at this College; or, have attended three such courses at some other recognized medical college or colleges, and one at this; or, have attended two such courses at some other recognized medical college or colleges and two at this; or, have attended one such course at some other recognized college and three at this; or, having been admitted to advanced standing in this College, by having pursued a prescribed course or courses of study in other recognized colleges or universities, as set forth by the Association of American Medical Colleges, shall be required to have attended at this College only such courses of lectures as are necessary to complete the curriculum of four annual courses of lectures. Candidates must have dissected all parts of the cadaver. They must have attended six cases of obstetrics.

The Thirty-third Regular Session will commence on the SECOND WEDNESDAY IN SEPTEMBER, 1912, and continue until the second Wednesday in June, 1913.

A DENTAL DEPARTMENT, in connection with the College, is now open.

Fifth year hospital course, under Board of Censors, optional.

Address the College.

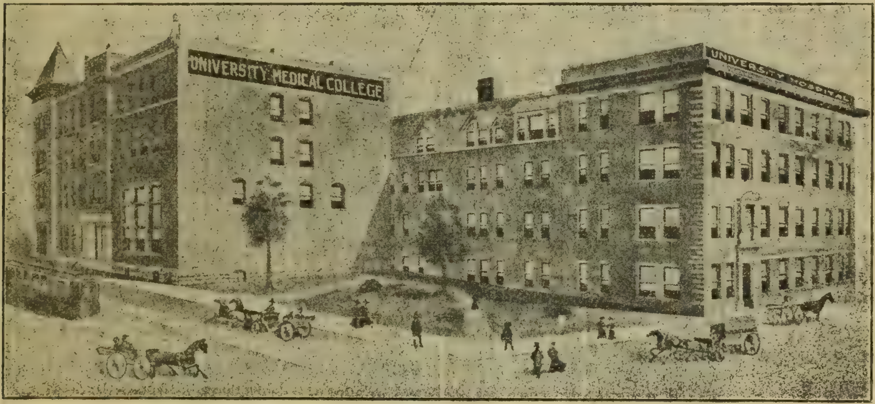
UNIVERSITY MEDICAL COLLEGE
AND POST GRADUATE SCHOOL
KANSAS CITY, MO.

OFFICERS AND TRUSTEES

FLAVEL B. TIFFANY, A.M., M. D., President.
S. GROVER BURNETT, M. D., Dean.



FACULTY.

George Halley, M. D., Midland Building; Emeritus Professor of Practice of Surgery and Clinical Surgery.

Flavel B. Tiffany, A.M. M. D., President, 805 McGee Street; Professor of Ophthalmology and Otology.

S. Grover Burnett, A.M., M. D., 3100 Euclid Avenue; Dean and Professor of Nervous and Mental Diseases.

Samuel C. James, M. D., Shukert Building; Professor of Principles and Practice of Medicine and Clinical Medicine.

John Punton, M. D., Rialto Building; Professor of Nervous and Mental Diseases.

Albert H. Cordier, M. D., Commerce Building; Professor of Principles and Practice of Surgery and Clinical Surgery.

B. H. Zwart, M. D., 1208 Wyandotte Street; Professor of Principles and Practice of Medicine and Clinical Medicine.

W. F. Morrow, M. D., Altman Building; Professor of Principles and Practice of Surgery and Clinical Surgery.

Samuel Ayres, M. D.; Professor Railway Surgery.

John L. Robinson, M. D., Altman Building; Professor of Principles and Practice of Medicine and Clinical Medicine.

George B. Norberg, M. D., Rialto Building; Professor of Diseases of Women and Clinical Gynecology.

O. L. McKillip, M. D., 900 Rialto Building; Professor of Physical Diagnosis.

J. Phillip Kanoky, M. D., Commerce Building; Professor of Dermatology and Syphilo-Dermatology.

Ernest G. Mark, M. D., Gloyd Building; Professor of Genito-Urinary and Venereal Diseases.

St. Elmo Sanders, M. D., Shukert Building; Professor of Surgery and Clinical Surgery.

Clay S. Merriman, M. D., 2511 Forest Avenue; Professor of Diseases of Children.

Senator Solon T. Gilmore, New York Life Building; Professor of Medical Jurisprudence.

H. D. Jerowitz, M. D., 1223 Grand Avenue; Professor of Materia Medica and Therapeutics.

D. C. Broderick, M. D., Bryant Building; Professor of Children's Diseases.

H. C. Crowell, M. D., Gloyd Building; Professor of Surgery and Clinical Gynecology.

Nathan Boggs, M. D., Argyle Building; Professor of Medicine.

E. A. Burkhardt, M. D., Bryant Building; Professor of Obstetrics and Clinical Midwifery.

John G. Sheldon, M. D.; Professor Clinical Surgery.

H. M. Lyle, M. D., Rialto Building; Professor of Dermatology.

G. Wilse Robinson, M. D., Rialto Building; Professor on Nervous and Mental Diseases.

Frederick M. Lowe, M. D., 415 Argyle Building; Professor of Practice of Medicine and Clinical Medicine.

A. A. Freyman, M. D., East 8th Street; Professor Hygiene and Preventive Medicine.

H. H. Skinner, M. D.; Professor of Radiology and Electro-Therapeutics.

E. L. Stewart, M. D., Shukert Building; Professor of Bacteriology.

W. T. Reynolds, M. D., Shukert Building; Adjunct Professor of Clinical Surgery.

J. T. Pittam, M. D., 12th and Wyandotte Streets; Adjunct Professor of Therapeutics.

D. L. Shumate, M. D., Shukert Building; Adjunct Professor of Larynygology.

F. M. McCallum, Gloyd Building; Associate Professor of Genito-Urinary.

W. A. Shelton, M. D., Argyle Building; Adjunct Professor of Clinical Surgery.

Middle-Ear Deafness

Have you one rich patient so afflicted? If so, he will gladly finance the first month's rental of the great invention

THE MEYER-ROWAN INSTRUMENT

for the treatment of Suppurative, and Non-Suppurative Otitis Media, Tinnitus, Sclerosis, and other middle-ear troubles.

In these days of rapid increase of partial deafness from Catarrh, Measles, Scarlet Fever, etc., we urge upon physicians everywhere an investigation of the claims of the **MEYER-ROWAN INSTRUMENT** as a conserver of the public health.

It is a greater reputation builder than advertising

Write for our Rental-Purchase Plan, and testimony of both Otologists and patients.

THE ROWAN SALES COMPANY

Sole Selling Agents

625 East 163rd St., New York

Agencies and Salesmen wanted.

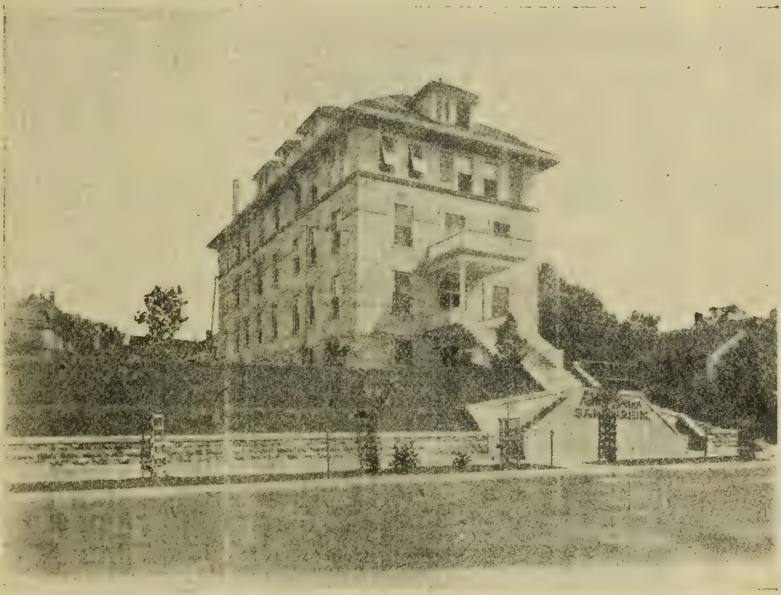
W. K. SUTHERLIN, M. D. (Berlin), President and Consulting Surgeon.
LOUIS ABRAMSON, M. D., Secretary and Treasurer, Surgeon in Charge.

THE NORTH LOUISIANA SANITARIUM

SHREVEPORT, LOUISIANA



A private hospital for the care of medical and surgical patients. Owned and controlled by doctors. Open to all reputable practitioners.

We occupy a new brick building, constructed by us for hospital purposes.

All outside rooms and all newly furnished. Splendid climate.

Training school for nurses in connection.

Ambulance service.

For terms, etc., address:

DR. LOUIS ABRAMSON, Secretary,
P. O. Box 834. SHREVEPORT, LOUISIANA.

THE OFFICIAL ORGAN of the Association of Medical Officers of the Army and Navy of the Confederacy.

THE SOUTHERN PRACTITIONER

An Independent Monthly Journal
Devoted to Medicine and Surgery.

NASHVILLE, TENNESSEE.

ESTABLISHED 1879

THE BEST MEDICAL ADVERTISING MEDIUM SOUTH OF THE OHIO RIVER

DEERING J. ROBERTS, M. D.
Editor and Proprietor, 129 Fourth Ave. N., Nashville, Tennessee.

Lowest Advertising Rates of Any Monthly Medical Periodical with so Large a Circulation Published in the United States.

CIRCULATION LARGER THAN ANY MONTHLY MEDICAL AND SURGICAL JOURNAL IN THE SOUTH AND WEST.

Contains Sixty Pages of Reading Matter Each Month

SUBSCRIPTION PRICE IS ONLY

ONE DOLLAR PER YEAR IN ADVANCE

Original Essays, Original Communications, Clinical Reports of Interesting Cases, Reprints of Interesting Articles, Results of Experiments with Old and New Remedies, Proceedings of Medical Societies, Extracts from Medical Journals, Bibliographical Notices and Reviews, Medical Items, and Editorial Comments, will constitute the subject matter of each monthly issue. Its pages will at all times be open to anything that pertains to progress in medicine and surgery.

To hard-worked medical men, with a limited time for reading, and few opportunities for professional conversation, such a journal as this, bringing every month the latest ideas in medical practice and the latest records of important cases, ought to be invaluable. As a medical periodical that is within the reach of every professional reader, we respectfully submit it to your consideration. Subscriptions—**Only One Dollar per year, Postage included**—are respectfully solicited. All communications must be addressed to

DEERING J. ROBERTS, M. D., Editor and Proprietor,
NASHVILLE, TENN.

Rolling Chairs BUY OF THE MANUFACTURER. We make over 70 regular styles of **ROLLING and CARRYING CHAIRS.** Special Styles made to order. The case does not exist for which we cannot furnish a suitable chair. Other Hospital Supplies. Liberal Discounts. (See adv. in Classified Hospital Supplies.)
GEO. F. SARGENT COMPANY, Kennedy Building, NEW YORK, N. Y.

PURITY

THE BEST IS THE CHEAPEST

PEACOCK'S
BROMIDES

In Epilepsy and all cases demanding continued bromide treatment, its purity, uniformity and definite therapeutic action insures the maximum bromide results with the minimum danger of bromism or nausea.

CHIONIA

is a gentle but certain stimulant to the hepatic functions and overcomes suppressed biliary secretions. It is particularly indicated in the treatment of Biliousness, Jaundice, Constipation and all conditions caused by hepatic torpor.

FREE SAMPLES AND LITERATURE TO THE PROFESSION, UPON REQUEST.

LISTERINE

Listerine is an efficient, non-toxic antiseptic of accurately determined and uniform antiseptic power, prepared in a form convenient for immediate use.

Composed of volatile and non-volatile substances, Listerine is a balsamic antiseptic, refreshing in its application, lasting in its effect.

It is a saturated solution of boric acid, reinforced by the antiseptic properties of ozoniferous oils.

After the volatile constituents have evaporated, a film of boric acid remains evenly distributed upon the surfaces to which Listerine has been applied.

There is no possibility of poisonous effect through the absorption of Listerine.

Listerine is unirritating, even when applied to the most delicate tissues; in its full strength it does not coagulate serous albumen.

For those purposes wherein a poisonous or corrosive disinfectant can not be safely employed, Listerine is the most acceptable antiseptic for a physician's prescription.

Listerine is particularly useful in the treatment of abnormal conditions of the mucosa, and admirably suited for a wash, gargle or douche in catarrhal conditions of the nose and throat.

In proper dilution, Listerine may be freely and continuously used without prejudicial effect, either by injection or spray, in all the natural cavities of the body.

Administered internally, Listerine is promptly effective in arresting the excessive fermentation of the contents of the stomach.

In the treatment of summer complaints of infants and children, Listerine is extensively prescribed in doses of 10 drops to a teaspoonful.

In febrile conditions, nothing is comparable to Listerine as a mouth wash; two or three drachms to four ounces of water.

"The Inhibitory Action of Listerine," 128 pages descriptive of the antiseptic, may be had upon application to the manufacturers,

The College of Medicine
OF SYRACUSE UNIVERSITY
SYRACUSE, NEW YORK

SYRACUSE UNIVERSITY established its College of Medicine in 1872 by taking over the Geneva Medical School, a descendant of the Fairfield Medical College, the fifth medical school chartered in this country.

SYRACUSE offers laboratory instruction during the first two years in Anatomy, Physiology, Chemistry, Bacteriology, Pathology, Clinical Diagnosis, Materia Medica and Pharmacology in perfectly equipped laboratories under men who devote their entire time to teaching and to research.

SYRACUSE gives superior clinical opportunities, the juniors receive their training in the new College Dispensary and in the general clinics. The seniors spend the entire forenoon in the personal study of assigned cases under an instructor in the three general hospitals, the municipal laboratories and hospitals for contagious diseases and in public health field work. An unequalled laboratory and clinical course in Public Health is given in the senior year.

SYRACUSE MEN have no difficulty in securing such positions as hospital internes as they desire.

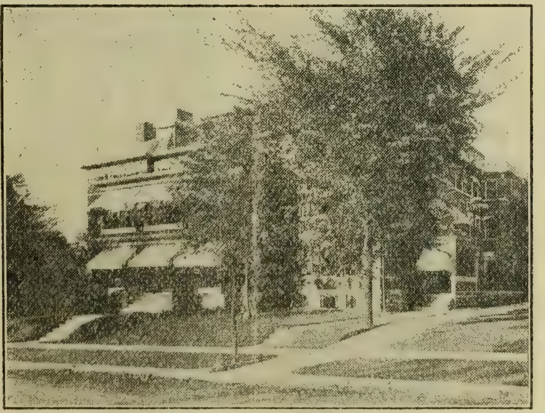
SYRACUSE ADMITS only those offering two years of specified college work in preparation.

COLLEGE FEES. The annual tuition is $125.00. In addition there are laboratory fees amounting to $100.00 in the four years' course, an annual matriculation fee of $5.00 and a graduation fee of $25.00.

For further information or Bulletin, address Secretary, 309 Orange street, Syracuse, N. Y.

THE PUNTON SANITARIUM
KANSAS CITY, MISSOURI

A Private Home Sanitarium for Nervous and Mild Mental Diseases



G. WILSE ROBINSON, M. D.,

Superintendent, Neurologist and Psychiatrist to the Kansas City General Hospital.

THE CINCINNATI SANITARIUM

A Private Hospital for Mental and Nervous Disorders, Drug Addictions, Inebriety, etc. Forty years successful operation. Thoroughly rebuilt, remodeled, enlarged and refurnished. Proprietary interests strictly non-professional. Two hundred and fifty patients admitted annually. Location retired. Twenty-five acres wooded park. Altitude 1,000 feet. Surroundings delightful. Appliances complete. Charges reasonable. City car service to Sanitarium entrance. Telephone and Telegraph connections.

Dr. F. W. Langdon, Medical Director; Drs. B. A. Williams and C. B. Rogers, Resident Physicians; H. P. Collins, Business Manager. For particulars address

THE CINCINNATI SANITARIUM, or P. O. Box No. 4,
College Hill, Cincinnati, Ohio.

American Medical College

Medical Department of

National University of Arts and Sciences

Presents These Advantages:

1. **Succeeding Barnes University, One of the Best Medical College Buildings in America.**
2. **Magnificent Laboratory Equipment.**
3. **Exclusive Clinical Control of Three Hospitals.**
4. **Large Faculty of Experienced Teachers.**
5. **Recognition of Diplomas Unquestioned.**

FEES--$125.00 for each course of instruction

Post-Graduate School

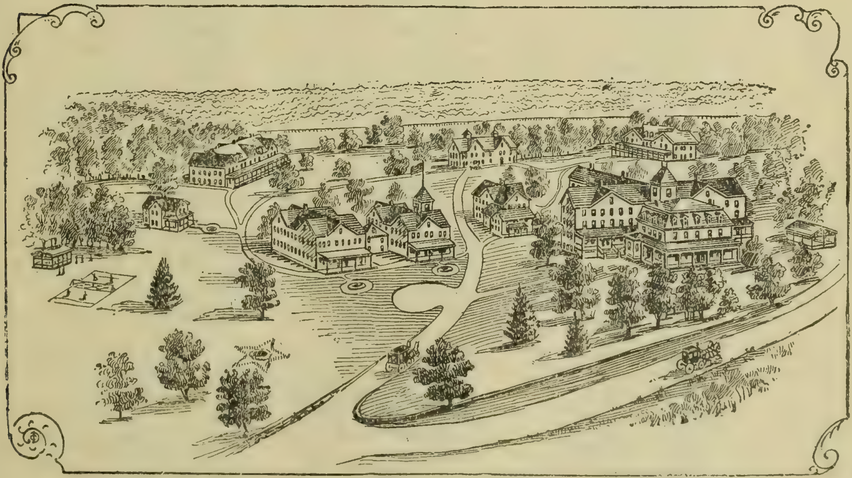
The American Polyclinic is now open to graduates in Medicine. Continuous course of instruction. Five large hospitals furnish clinical material. Research Laboratory for original work. Special Laboratory Courses.

FEES—$50.00 for six weeks' course.
$25.00 for each laboratory.

For announcement or further instruction address

AMERICAN MEDICAL COLLEGE

Corner of Lawton and Garrison Avenues. St. Louis, Mo.



DR. GIVENS' SANITARIUM

"STAMFORD HALL," Stamford, Conn.

Is a Sanitarium arranged on the Cottage Plan for the treatment of Nervous and Mental **Diseases,** with a separate department for Drug and Alcoholic Patients.

The location is fifty minutes from New York on the N. Y., N. H. & H. R. R., with 42 trains each way daily. Retired. pleasant surroundings. Cottages arranged with modern improvements. Individual nurses, baths, massage; Hydrotherapy-Faradic-Galvanic and Static Electricity are utilized. Address **AMOS J. GIVENS, M. D.,** Stamford, Conn.

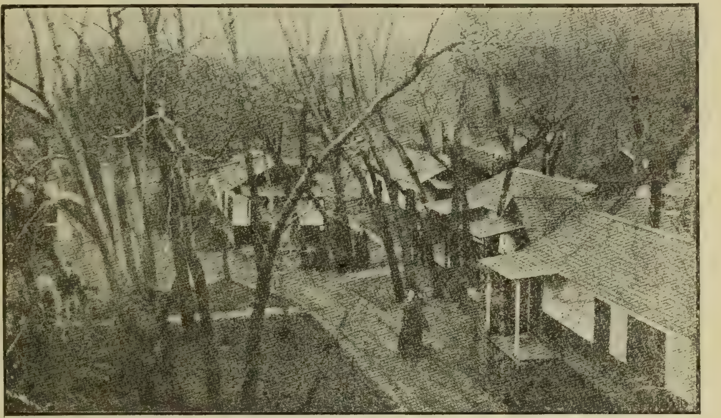
TENT COTTAGE HOMES 105 Cheyenne Road, COLORADO SPRINGS, COLORADO
DR. W. A. SHEPARD, Medical Director



These Tent Cottage Homes are a modification of a house, and a porch or tent life, and are especially designed for advanced cases of tuberculosis. They have three rooms: one for the patient, one for the attendant, and a kitchen. They are perfectly furnished, have water in the kitchen and electric lights in all the rooms. Sanitary connections in each cottage. There is a north and south porch on each cottage. The windows are so arranged that the patient can have perfectly pure air, modified in quantity and temperature to meet his need. Usually some member of the family or a nurse accompanies the patient. A scientific use of oxygen and other medications by inhalation has proved remarkably successful. Correspondence solicited.

SOUTHERN COLLEGE OF MEDICINE AND SURGERY

52-54 McDaniel St., Atlanta, Ga.

All communications will receive prompt attention.

Competent directors in charge of the various laboratories, with a full corps of well-trained assistants. The Lecture rooms are fully abreast of modern ideas.

General and special clinics are held daily. It may be said that the facilities and equipment are ample. The teaching thorough and up-to-date

FACULTY

OXFORD RETREAT A private hospital for Nervous and Mental Diseases, Alcoholic and Narcotic Inebriety. Incorporated 1883. Separate departments for men and women. Careful attention to proper classification, every convenience, and any accommodation desired. Facilities unsurpassed. Electricity, Hydrotherapy and Massage. Site elevated, retired and beautiful. Ninety-six acres in lawn and forest.

THE PINES A Neuropathic Hospital for women only. Mental cases not received in this building. First-class in all its appointments. Under the same control and medical management as the Oxford Retreat. Thirty-nine miles from Cincinnati, eighty-four miles from Indianapolis, on C., H. & D. R. R.; ten trains daily.

For references, terms and descriptive circular address

R. HARVEY COOK, Physician-in-Chief, Oxford, Butler County, Ohio

---

UNIVERSITY OF VIRGINIA

MEDICAL DEPARTMENT

UNIVERSITY, VA.

THE ENTRANCE REQUIREMENTS are the completion of a four-year high school course, and, in addition, a year of recognized college work in Chemistry, Biology, and either Physics, German, or French.

THE PROMINENT FEATURES of the course are extensive laboratory instruction in the fundamental medical sciences, and thorough practical training in the University Hospital, where students have many of the advantages granted only to internes.

For catalogue address

HOWARD WINSTON, Registrar.

(New)

CLEVELAND
OHIO

Exclusively for the scientific treatment of narcotic and alcoholic addictions. For detailed method, write for circular and reprints of papers read at the American Medical Association.

The Indiana University School of Medicine

BLOOMINGTON AND INDIANAPOLIS

Matriculation—September 26, 1912.

Minimum Entrance Requirements of School of Medicine—Graduation from a commissioned high school or its equivalent, plus two years of collegiate work, which shall include General Chemistry, Qualitative Analysis and Organic Chemistry, and a preparation in Language, Physics and Biology, including Embryology.

Minimum Entrance Requirements of State Board—Beginning with January, 1911, graduation from a commissioned high school, or its equivalent, plus two years of collegiate work. This entrance requirement will be demanded of all candidates for the state licensure examination, beginning with January, 1915.

Clinical Facilities—In hospitals, 260 beds. In dispensaries, 45,000 cases per year. Obstetrics, the service is so large that most students attend five or ten times the number of cases required by State Boards.

Interneships—Thirty-six hospital appointments are open to graduates.

Fifth Year—Beginning with the session of 1909-1910 a fifth year was added to the curriculum, which, until further notice, will be optional.

Choice of Medical School—In entrance requirements, methods of instructions, clinical facilities, instructing staff, and indeed in every detail essential to the most progressive medical school, the Indiana School of Medicine commends itself to the young men of Indiana who expect to enter on the study of medicine. In addition to the educational advantages available during student life, the graduate finds himself within easy reach of a strong corps of sympathetic advisers, particularly helpful during the early years of practice.

Combined Arts-Medical Course—In addition to the regular medical courses referred to above, a combined Arts-Medical course is given, making it possible to secure both the B. S. and M. D. degrees in six years, and the A. B. and M. D. degrees in seven years.

Further Information—For further information address:

SECRETARY OF THE INDIANA UNIVERSITY SCHOOL OF MEDICINE.
Either at Bloomington or Indianapolis.

Boston University School of Medicine

41st YEAR, 1912-13 **BEGINS OCTOBER 3, 1912**

¶ High standards, thorough work, a broad and comprehensive curriculum affording a liberal medical education, including Homœopathic materia medica and therapeutics; superior clinical advantages.

¶ For catalogue or particular information apply to Registrar.

FRANK C. RICHARDSON, M. D., 244 Newbury St., Boston

CACTINA PILLETS

A Cardiac Tonic

For functional heart troubles, such as tachycardia, palpitation, feebleness, and to sustain the heart in chronic and febrile diseases. It is not cumulative in its action.

Sold only in bottles of 100 Pillets.

PRUNOIDS

(EDIBLE TABLETS)

A Purgative Minus Cathartic Iniquities.

A purgative that will produce as near physiological evacuation of the intestines as is possible by medication.

They do not excite excessive peristalsis—thus never gripe, and their use will never be followed by after-constipation.

A remarkably successful remedy in the permanent removal of constipation.

Sold only in boxes of 36 tablets.

Automatic Liquid Soap Dispenser

DURABLE—NEAT

The Acme of Convenience

No Springs in Valve.

Automatically discharges a fixed quantity of soap, no more, no less, at each quarter-turn of handle.

Dotted lines show bulb turned down, in which position globe can be unscrewed and filled.

Price $1.50

Surgeon's Liquid Antiseptic Soap and Liquid Toilet Soap.

We have a special proposition on soap and dispenser. Write us.

A complete line of tablet triturates and physicians' specialties.

CaPhenin Chemical Co.,

WAVERLY, IOWA

16th YEAR

TO SUPERINTENDENTS OF HOSPITALS
AND SURGICAL SUPPLY HOUSES.

STERILIZED HOSPITAL ABSORBENT GAUZE and COTTON

OUR ABSORBENT COTTON

is **IN LAYERS,** rolled in tissue. Our long experience in the manufacture of Absorbent Cotton leads us to say that we are producing a line of goods superior to any in the market.

THE ABSORBENT GAUZE

is noted for its soft finish, and being entirely free from all sizing is particularly adapted for surgical dressings and sterilized sponges. Our gauze is used by Hospitals all over the United States and Canada.

Write for particulars on bandage rolls. A great convenience for bandage purposes, and always ready for emergency use.

Do not place your order for any of these goods without first getting our prices.

Lewis Manufacturing Company

THE PINES

A SANATORIUM FOR TUBERCULOSIS

BLACK MOUNTAIN, NORTH CAROLINA

The Pines is a private Sanatorium for the treatment of early Tuberculosis of the Lungs and Throat. It also receives for care and post-operative treatment, such surgical cases as are due to a Tubercular origin.

Far advanced cases are not received.

The climate of the Mountains of Western North Carolina is stimulating and invigorating and is a material aid in restoring one to a normal physical condition.

Altitude 2,500 feet.

The Dietetic-Hygienic treatment is carried out in the Sanatorium and such other treatment as each individual case seems to need.

Tuberculin is used in selected and suitable cases.

The rates are from $20.00 to $35.00 per week, depending on room selected and care needed. This includes room, board, daily medical attention and ordinary attentions of a trained nurse.

A booklet will be sent you if you wish it.

CLYDE S. COTTON, M.D.,
Physician in Charge.

KANSAS CITY VETERINARY COLLEGE

GIVES A THOROUGH AND COMPLETE COURSE

A Division of the Medical Profession which is not crowded

MISSOURI SANITARIUM

4496 Laclede Avenue, ST. LOUIS, MO.

Established 1886; Incorporated 1903; Licensed by St. Louis Board of Health

A Private Sanitarium for Women, during pregnancy, confinement or gynaecological treatment, with every facility for their care and protection.

This Institution is especially a private retreat for unmarried pregnant women who prefer to be away from home during pregnancy and confinement, to preserve individual character or family reputation.

Homes found for infants when desired.

Charges reasonable. Correspondence strictly confidential.

For information address

MRS. L. YOUNG,
4496 Laclede Ave. St. Louis, Mo.

A Maternity Home

which is run in an ethical and Christian manner. We do no abortion work. Our home is run in a quiet and orderly manner. We assist patients in keeping their baby when they are in a position to do so. If not we find the infant a home and keep full records as to its disposition, and in all things comply with the law and ordinances.

We invite Physicians to visit our place. Make full investigation before sending us patients. We meet patients at the train and look after them carefully while under our care.

Anna Ross Sanitarium

1900 S. KEDZIE AVENUE :: :: CHICAGO, ILL.

UNION PARK MATERNITY HOME

ESTABLISHED 1894

A Private Home Retreat for Unfortunate Girls and Women During Pregnancy and Confinement, with Every Facility for their Care and Protection.

Especially adapted to cases that wish to avoid publicity. We provide a home for the infant by adoption if desired. —For Particulars and Terms send full History of the Case to

THE QUARTERLY JOURNAL OF INEBRIETY
The Organ of the American Association for the Study of Inebriates, is Devoted Exclusively to the Medical and Scientific Study of
INEBRIETY, ALCOHOLISM AND OPIUM MANIA
SUBSCRIPTION PRICE, ONLY $2.00 PER YEAR.

This Journal is the organ of the American Association for the Study of Inebriety, and was established in 1876. It is accepted as authority, and circulated among physicians, lawyers, judges and philanthropists, from Maine to California; also the Provinces of Canada and European nations. As an Advertising Medium it is unsurpassed. All communications should be addressed:

Published by RICHARD G. BADGER, The Gorham Press, 187 Boylston Street, BOSTON, MASS.
T. D. Crothers, M. D., Editor, Hartford, Conn.

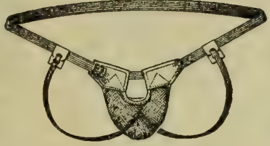
J. C. SCHNOTER'S KNITTED SUSPENSORIES

Established 1870



J. C. SCHNOTER'S
Army and Navy Suspensory

Are the only perfect ones on the market. The pouch being seamless, is elastic, easily adjusted, making a delightful support; perfectly constructed for comfort and recreation. A permanent relief for Varicocele (Cirsocele), Hydrocele, etc. The only Hygienic Suspensories that have the full indorsement of Physicians and Surgeons. Nothing but the best and purest of materials are used in their construction. These bandages have stood the test of the entire world since 1870, and still lead as the best despite the many worthless imitations that have sprung up since. Little was known of any other make at that time. Ask your druggist for the **"GENUINE SCHNOTER'S SUSPENSORY BANDAGES."** (Look for our trade-mark, J. C. S.) If he has not our make in stock, and refuses to get it for you, send direct to us and we will mail to you in plain wrapper on receipt of price. Plain style, COTTON, 30c and 40c; LINEN, 50; SILK, 50c, 60c and 75c; A. & N. Style, no elastic, 30c; Army and Navy Style, with elastic belt and straps: Cotton, 65c; Linen, 75c; Best Silk, $1.00. Guaranteed and manufactured only by **THE J. C. SCHNOTER CO.,** (Headquarters), 523 Sixth Ave., near 31st St., New York, U. S. A. See page 1959.

TRADE J.C.S. MARK REGISTERED

Doctors, Dentists and Users of Compressed Air

AN AIR GENERATOR THE I. X. L. COMPRESSOR.

Full pressure of city main in about 5 or 6 minutes.
Collects no slime.
A pure, dry and cool body of air at each stroke.
Not affected by muddy or gritty water.
Works automatically.

Under meter will reduce water rent about 60% above all other water pumps.

Thoroughly guaranteed. Send for catalogue and circulars.

THE I. X. L. PUMP AND MANUFACTURING CO.,
Manufacturers of Plumbers' Specialties under their own patents.
957 to 961 N. 9th St. 958 to 962 N. Darien St.

One Air Compressor in Doctor Register Building, 1907 Chestnut street, Philadelphia, Pa., supplies three (3) other doctors with air. (Adv.)

IF YOU STAMMER

McKie School for Stammerers, 2408 East 12th St., Kansas City, Mo. Established 1901. Highly endorsed by physicians and educators throughout the United States. Stammering and all forms of defective speech treated in the most scientific manner. Home and school combined. Conducted by a former stammerer and a graduate of two of the leading Universities of this country.

Address: Geo. A. McKie, 2408 E. 12th St., Kansas City, Mo.

COMFORT TO MANKIND.

And since 1870 adding years to a man's life—SCHNOTER'S ARMY AND NAVY SUSPENSORY BANDAGE is the only permanent relief for VARICOCELE, HYDROCELE and RUPTURE.

Before taking notice of STARTLING ADVERTISEMENTS of so-called VARICOCELE CURES see your family physician. Incidentally ask him about the CELEBRATED SCHNOTER'S SUSPENSORIES. Don't be surprised if he tells you he wears them himself. Any better indorsement wanted?

A SCHNOTER'S SUSPENSORY is the only safeguard against VARICOCELE, RUPTURE, etc. In use by all prominent ATHLETES, PROFESSIONAL MEN, BUSINESS MEN, POLICEMEN, FIREMEN, LETTER-CARRIERS, and used in the UNITED STATES ARMY and NAVY. WHEELMEN should not be without one.

Indorsed by prominent physicians and surgeons since 1870. Also by Authorities on Hygiene and Physical Culture.

We are specialists in SUSPENSORY making and we cheerfully give you any information regarding VARICOCELE and RUPTURE.

Ask your druggist for the "GENUINE SCHNOTER'S SUSPENSORY BANDAGES." (Look for the above trade mark.) If he has not our make in stock, and refuses to get it for you, send direct to us and we will mail to you in plain wrapper, on receipt of price. Plain style, COTTON, 30c and 40c; LINEN, 50c; SILK, 50c, 60c and 75c; A. and N. STYLE, no elastic, 30c; ARMY and NAVY style, with lisle elastic belt and straps, 65c; LINEN, 75c; BEST SILK, $1.

Guaranteed and manufactured solely by the **J. C. SCHNOTER CO.**

See page 1957. **(Headquarters) 523 6th Ave., near 31st St., New York, U. S. A.**

Established 1870

TIVEY & CO.

No. 9 Forest Street

NEWTON HIGHLANDS - MASS.

ABSOLUTELY PURE & UNADULTERATED
TRADE MARK

Duffy's Pure Malt Whiskey

Possesses qualities which give it pre-eminence as a medicine.

It is made absolutely from malted grain, and as diseased or musty grain cannot be malted this insures to our product an asset in quality of utmost value. It complies with the test requirements of the U. S. Pharmacopoeia and is employed almost exclusively by physicians and others in illness where a reliable stimulant and tonic is needed.

If the physician reader is not familiar with DUFFY'S PURE MALT WHISKEY, a sample will be sent any doctor upon request.

THE DUFFY MALT WHISKEY CO.,

DEPT. C,

ROCHESTER, N. Y.

BURN-BRAE, A PRIVATE HOSPITAL FOR MENTAL AND NERVOUS DISEASES.
(See adv. in Philadelphia)

SABALOL SPRAY
Nasal Catarrh, Nose and Throat Irritations, Hoarseness,
Clergymen's and Singers' Sore Throat.
Its use renders the Nose and Throat less sensitive to Colds.
Put up in 4-oz. and 12-oz. bottles. The 4-oz. size has a tube for the use of
Sabalol Spray.
